Subject: Homicide data for the quarter

Hey Norma:

Happy New Year! Hope you are doing well and staying safe.

I was wondering if I could get updated homicide investigation data for deputy involved shooting for the last quarter, from October 1, 2020 to December 31, 2020. Here are the specific information I was looking for:

- What is the oldest case of deputy involved shooting the homicide unit is still investigating?
- What is the oldest case that is still awaiting a DA decision? I show it as the July 12, 2017 shooting out of San Fernando. URN: 017- -3199-057, but I could be wrong.
- How many completed investigations of deputy involved shooting did the homicide unit send to the DA's office this quarter?
    - And on which cases?
- Here are the open homicide investigation cases that I have on my list, please let me know, if any, have been closed and sent to the DA's office:
