# COMMUNITY SUPPORT BUCKS!

~ may we call you “Friends”?

Support from within the Communities we served means the world to us! Your ‘BUCKS’ will be used to help fund our yearly Los Angeles County Memorial Event, where we honor, not just our LASD fallen, but those from other Departments within the County who tragically lost their lives, in service to those we have sworn to protect and uphold.

The LASD Museum, which is set to open in the not so distant future as an Interpretive Center (along with the Coroner’s Office and the District Attorney’s Office) will feature amazing displays of artifacts, and so much more, from the forming days of each Department. This important history is an essential and intricate part of our County history, and you will never be disappointed in having taken part in creating, developing and maintaining such a worthy venture!

You are welcome and encouraged to donate what you can, noting that no amount is too small.

Kindly download the below form and mail it with your check directly to:
