Message From the Sheriff

As Sheriff of Los Angeles County, I urge you to contribute to the entities within our organization that not only honor our fallen but preserve our stellar history.

The Memorial Fund keeps us connected with those who have paid the ultimate sacrifice. This fund is primarily responsible for financing our yearly Memorial Day event honoring those who paid the ultimate price while serving the people of Los Angeles County. It is also used to honor our fallen in many other ways, such as purchasing grave markers and funding continuing research into deaths of our fallen from the past which were overlooked.

The Museum maintains and preserves our Department's history. By showing the rich legacy of the Los Angeles County Sheriff's Department it is an inspiration to the community and an enticement to young men and women to join our dynamic organization.

Your monthly financial pledge helps ensure the continuance of our efforts. It is YOUR way of contributing to the preservation of our history and ensuring that the memory of our fallen will never be forgotten.

For me personally, I desire for all our members – sworn and civilian, to partake in such worthy endeavors. There is NO excuse to pass the buck, but to give at least two! I COUNT ON YOU, and THANK YOU for all that you are, and all which you do! We have a tradition to maintain and together, we are the heart and soul of the Los Angeles County Sheriff's Department. Let's put our money where our heart is!

Alex Villanueva
Sheriff

Los Angeles County Sheriff's Department

- ⚙ Much of our Department's long and rich history, including photographs, documents and artifacts, have been lost or destroyed. Our commitment to preserve what remains is more essential now than ever. Today's events are tomorrow's history.
- ⚙ LASD is known worldwide for our size, complexity and excellence in service! It's incumbent upon all of us to preserve the amazing history of the LASD!
- ⚙ The Sheriff's Museum is working diligently to archive, categorize, research and display our history, but this effort isn't cheap. Every cent taken in is meticulously accounted for.
- ⚙ The Memorial Fund covers the yearly Memorial Ceremony where we pay tribute to those who have been killed in the line of duty and those who through historical research have been identified as lost. Remembering and honoring them is our last full measure of devotion.
- ⚙ Your contributions WILL make a difference. **2 BUCKS A MONTH** (a BUCK per fund) will allow our Department to honor the memory of those and their families, who have sacrificed everything. It will also help to locate and preserve our history.
- ⚙ Your contributions are **PRE-TAXED** dollars and are itemized at the end of the year for a total of \$24/year. Of course, you are encouraged to donate more!
- ⚙ Show how proud you are of our beloved LASD and its history and help honor the legacy of those we've lost in the service of others.

Preserving OUR History MUSEUM FUND

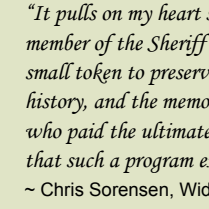

"The Memorial Fund will preserve Dave's memory so that future generations will always remember his ultimate sacrifice."
~Teri March, Widow

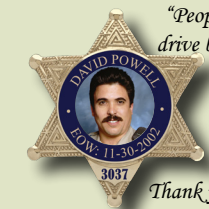

"It's heartwarming to know that these two VERY SIGNIFICANT funds co-exist! Without either, my husband's lifetime career would likely be forgotten. Thank you for your generosity! Through these funds, our children and their offspring will forever KNOW Dee continues to be cared about and remembered." ~Mary Hurdle, Widow

"Thank you for contributing to both of these funds. Steve would be so very proud of your thoughtfulness, as the Memorial and Museum work diligently to never forget him, his vast contribution and care, with which he served each and every day. I'm proud of you for providing ongoing funding for our fallen deputies and our department's history. God bless you and may he keep you safe." ~ Tania Owen, Widow

"It pulls on my heart strings to know that every member of the Sheriff's Department can give a small token to preserve their department's history, and the memory of other deputies who paid the ultimate price. I feel touched that such a program exists... thank you!"
~ Chris Sorensen, Widow

"People tell me that they remember David as they drive by his freeway sign and blow him a kiss. It's so important to support the families of the fallen. We're one big family trying to make the world a safer place and we, not only should support each other, but NEED to. Thank you for all you do!" ~ Emma Powell, Widow
