Station Fallback Plan Request

As part of the Department's continuity of operations plan, Sheriff's Stations should be prepared for the possibility of a station closure due to quarantine procedures.

Station Unit Commanders and personnel should be familiar and refer to their respective Station Emergency Operations Plan (EOP) for guidance.

Each Unit Commander is responsible to provide the DOC with a Fallback Plan identifying an alternative work location as stated in their respective Station EOP in the event of a station closure.

Refer to MPP 5-06/000.25 – See link:
