

## COVID-19

### LASD Dispatch Screening Questions For Calls for Service Receiving Coronavirus (Covid-19)

**PURPOSE:** In light of the Coronavirus (COVID-19) and its effects on the health of our residents, the four questions listed below are additional screening measures to help identify potential health concerns and should be asked by desk personnel answering calls for service (both routine and emergent calls). **When answering emergent calls for service, continue to first ask questions regarding the emergent call and then ask the following questions as time permits.**

(The following questions follows suit with Los Angeles County Fire Department and other law enforcement practices.)

1. Have you traveled out of the United States within the last 21 days?
2. Have you had contact with anyone known to be out of the United States within the last 21 days?
3. Do you have a cough, shortness of breath or fever of 100.4F or higher (flu-like symptoms)?
4. Have you had contact with anyone with a cough, shortness of breath, or fever of 100.4F or higher (flu-like symptoms) in the last 72 hours?
