LANCASTER STATION
Unit Order

UNIT ORDER # 72
COMMUNITY ADVISORY COMMITTEE

PURPOSE

The purpose of this Station Order is to establish the responsibilities and procedures related to the Lancaster Community Advisory Committee (CAC).

OVERVIEW

Public trust and support is vital to ensuring the success of the mission of the Lancaster Sheriff's Station. To gain that public trust and support, we must foster a collaborative relationship with the public in determining the best course in achieving community order. We must continually seek new and innovative ways to develop cooperative relationships with the communities we serve. One way to encourage direct community input is through our local CAC.

The intent of the Lancaster CAC is to build a better understanding between the public we serve and the Lancaster Sheriff's Station, through education and communication. In addition, the CAC will provide the Lancaster Sheriff's Station with direct input from the public regarding local community issues and concerns and establish a true partnership between the community and the Lancaster Sheriff's Station. Additionally, direct interaction between the community and law enforcement provides greater insight into local conditions, circumstances and events of interest to law enforcement.

Lancaster Station will continue to actively participate in community engagement efforts in the Antelope Valley, including promoting and strengthening their partnership with the CAC in order to increase community confidence in the Department.

COMMITTEE COMPOSITION

The Lancaster CAC will be comprised of at least seven civilian representatives of the community. Reasonable efforts will be made to maintain an odd number of members to achieve a majority decision should the committee need to vote on a report or recommendation. When a vacancy arises, a new member shall be selected within 60 days. Lancaster CAC members will be selected from the community at large and shall be representative of the diverse communities in the Antelope Valley, including members from various faiths, ethnic racial backgrounds, and from a variety of

community organizations.

Lancaster Station will include student or youth organizations on the CAC or create a separate advisory committee made up of youth representatives. The unit commander will work with the CAC to ensure that committee composition is consistent with these requirements.

APPLICATION, SELECTION, AND TENURE

Prospective members can be nominated to serve by local elected officials, representatives from various governmental agencies, members of local community organizations and service groups, or independent community members. Individuals learning of a vacancy on the committee may independently apply without being nominated.

Applications for CAC membership will be deemed complete upon submission of a Volunteer application including Live Scan. Acceptance into the CAC will be predicated upon the successful completion of a background check which will consist of a criminal history, wants and warrants, and Department of Motor Vehicles check. Prospective members shall be made aware of these requirements at the time of application to the CAC. Prior criminal convictions will not necessarily disqualify a candidate from serving on a CAC. An applicant’s legal residency/immigration status will not be requested or used in determining who should serve as a CAC member. Final determination on all CAC appointments rests with the unit commander. Upon selection, the candidate will complete a “Volunteer Authorization Card” which will be signed by the unit commander and will serve as their CAC membership identification card.

Lancaster CAC members shall:

- Be a resident or community representative of the Lancaster area
- Not be seeking or hold an elected office.
- Not be currently involved in any criminal or civil action against the Los Angeles County Sheriff’s Department either as a party, defendant, expert, legal representative or any other role that may constitute a conflict of interest.

The terms for Lancaster CAC members shall be two years. Membership in the advisory committee is not restricted to a given number of terms; however, the unit commander shall periodically review the membership and work with the CAC to ensure that it is truly representative of community composition and needs. Any CAC member who violates any of the aforementioned selection guidelines shall be removed from the Lancaster CAC.

Service on the CAC is strictly voluntary. There will be no monetary or other compensation for Lancaster CAC members as part of their service.
