Thank you again for this information. I just had a couple of quick follow-ups/clarification:

1. What day in March did each of the 6 inmates listed below get transferred to ICE?
2. To be clear, as of 3/26/2020, LASD is ONLY “qualifying” inmates to be transferred to ICE who have been convicted of a serious felony (as defined by Penal Code section 1192.7) or a violent felony (as defined by Penal Code section 667.5) with no time limitation. This also means that the misdemeanor list has also been completely eliminated and is no longer used to qualify inmates for transfer. Yes?
3. Can you please also clarify what the Department means by “no longer make notifications about” an inmate (I highlighted the statement below).

I really appreciate your time.

Greetings,

Attached you will find the response provided by Custody Division. If you have any questions, please email me at

***Sergeant Veronica Chau***

**Audit and Accountability Bureau**  
**901 Corporate Center Drive, Suite 310**  
**Monterey Park, CA 91754**

The OIG is requesting the following information:

1. How many individuals did LASD transfer to ICE in March, 2020?

**LASD transferred six (6) individuals to ICE in March of 2020.**

2. What was the charge and date of the conviction used to qualify each of the individuals LASD transferred to ICE in March 2020?

**11378 HS – 06/05/07**

**211 PC – 10/01/86**

**459 PC – 12/17/19**

**11378 HS – 06/19/13**

**11378 HS – 06/19/18**

**23550 VC – 9/9/13**

3. Has there been any policy/procedural changes made to the qualifying crimes list and if so, what are they?

**In January 2019, in addition to prohibiting the physical presence of ICE agents in the jail for civil immigration enforcement, the Sheriff took the significant step of lowering the threshold for misdemeanor convictions from five years to three years. He also decided to eliminate various misdemeanor crimes from this list even though the Values Act permits transfers to ICE of inmates convicted of those crimes. This action reduced the misdemeanor list from 151 listed crimes to 101 listed crimes. After careful consideration over the past year, the Sheriff decided that a further important change was warranted to maintain community trust. Accordingly, effective 03/26/2020, the Los Angeles County Sheriff's Department will no longer make notifications about, or permit transfers of, persons previously convicted of non-violent or non-serious felonies or misdemeanors. Only inmates with qualifying serious or violent felony convictions will be transferred to ICE.**

4. Where any of the individuals transferred to ICE in March 2020 released early because they were in a vulnerable group?

**None of the inmates who were transferred to ICE were given early release because they were in a "vulnerable group."**

5. Did LASD receive a detainer from ICE for any inmates LASD released early in March 2020 for being in a vulnerable group, but LASD did not actually transfer the individual to ICE (only

received a detainer)?

**LASD does not track detainees in relation to vulnerable group early releases and is unable to generate this data.**

Below are the follow up answers Custody Division provided to the questions per your request on April 14, 2020. If you have additional questions please email me.

- 1) What day in March did each of the 6 inmates listed below get transferred to ICE?

**11378 HS – 06/05/07 – 03/21/20**  
**211 PC – 10/01/86 – 03/25/20**  
**459 PC – 12/17/19 – 03/17/20**  
**11378 HS – 06/19/13 – 03/25/20**  
**11378 HS – 06/19/18 – 03/23/20**  
**23550 VC – 09/09/13 – 03/25/20**

- 2) To be clear, as of 3/26/2020, LASD is ONLY “qualifying” inmates to be transferred to ICE who have been convicted of a serious felony (as defined by Penal Code section 1192.7) or a violent felony (as defined by Penal Code section 667.5) with no time limitation. This also means that the misdemeanor list has also been completely eliminated and is no longer used to qualify inmates for transfer. Yes?

**That is correct – only crimes defined as serious or violent under the Penal Code are being transferred to ICE with no time limitation. This also means that the misdemeanor list has been completely eliminated.**

- 3) Can you please also clarify what the Department means by “no longer make notifications about” an inmate (I highlighted the statement below).

**The Department will no longer notify ICE when an inmate qualified under the old criteria is being released. They will be treated the same as any non-qualified inmate.**

**Subject:** RE: OIG Request - April transfers and qualifying charge list

Thank you. I had an opportunity to briefly review the attached documents and they appear to be the responses to a COC (Sheriff's Civilian Oversight Commission) request, not what we, at the OIG (Office of Inspector General), requested.

There were two specific requests that we made:

As stated in the email below, we are requesting specific information on the 3 inmates that were transferred in April 2020.

Can we please get the following information for the 3 inmates:

- 1) Date of transfer in April
- 2) Qualifying charge
- 3) Date of qualifying charge.

In addition, we are looking for the weekly statistics (on a weekly basis) that are generated by the department in the format I have attached to this email entitled *weekly stats 050620(003)* that displays specific transfer information such as the number of detainees received and processed in the courts, stations as well as the SB54 desk. The form also lists the number of biometric detainees received as well as the new I-247G form from ICE (and other detailed information about the detainees received and processed).

I believe I forwarded both email requests to you but I can forward them again if you need them. Please let me know.

I appreciate your time.

Thanks again,

Shadi
