Good morning Captain Moore,

Thank you for taking the time to call this morning. I spoke to Mahdi and he agreed that we request through you/AAB. We appreciate your help as we have a 60 day report back. As discussed, the areas that we need the information for are East Los Angeles, South Los Angeles, Compton, Carson, and Century. For those locations can you please provide me any and all complaints and SCR that meet the following criteria:

- Time period of January 1, 2018 to present
- Complaints and SCR filed by citizens with your Station alleging that they are being harassed and/or intimidated by deputies after a family member has been involved in a significant use of force, e.g., Cat-3, DIS
- Please provide me with the completed SCR. And, if you have any pending could you please provide me the SCR#

If it is possible to get this information to us by June 17, 2021 that would be greatly appreciated. Thank you for your time and attention to this matter.

The Department provided OIG all of the information associated with their request, and it was attached in the email response.
