<sup>1</sup>(TEMP) Ops Sgt oversee investigations & support

<sup>2</sup> SGT's assigned a specific regional cluster of campuses (liaisons for campus community policing and collaborative problem solving missions) Most tenured Sgt designated as the shift WC daily. If Field Sgt is busy on call(s) second CCS Sgt (WC) can go out to field as the default secondary coverage (backup)

<sup>3</sup> Computer-Aided Dispatch (CAD) full functionality meaning proper data metrics and reporting capability including response times and tracking incidents at all campuses in "real time" (centralized coordination of all dispatchable calls for improved accountability and safety); non-relief position requires OT or "Bust" to backfill

<sup>4</sup> The extra staffing suggested here for vacation relief. When an extra, could be AM/PM overlap

<sup>5</sup> Data source was Annual Performance Report for 2020, LACCD Builds data, with input from local team leader. Also, LACCD "Fast Facts" website <https://www.laccd.edu/departments/epie/research/pages/fast-facts.aspx>

<sup>6</sup> Security Officer rank for this position may change (through attrition, as officers rotate out) when County classification study for law enforcement technicians has been completed. A new rank for desk personnel is possible in the future.

<sup>7</sup> Excerpts from Hillard-Heinze presentation / report to LACCD in June/July 2021.

Note: WLAC suggested to add (1) additional SO or LET AM / PM if no cadet or SOA to cover the desk and monitor cameras, etc. (would be +2 SO vs +1 SO shown above)
