REQUEST FOR POLICY AND/OR INFORMATION:

On July 28, 2021, the COC's Use of Force ad hoc committee received a briefing from LASD regarding the fatal use of force of David Ordaz Jr. During the briefing it was agreed that the LASD would provide a briefing following each fatal use of force to the COC's Use of Force ad hoc committee. As of the date of this request, there have been additional fatal uses of force since July 28, 2021. Accordingly, the COC would like to request a briefing regarding each of the fatal uses of force that have taken place since July 28, 2021. We recognize this may be work intensive and would like to suggest that the identified LASD representatives meets with the Use of Force ad hoc committee monthly or semi- monthly to brief the committee on recent fatal uses of force.

REASON FOR REQUEST:

Fulfilment of this request will enable COC members and the public to secure a greater understanding of the LASD public safety service operations.

WHEN SPECIFIC INFORMATION IS NEEDED:

Please provide a response to the above request by **November 23, 2021.**

Feel free to contact Ingrid Williams at should you have any additional questions or concerns.

Greetings,
Please see the below response in regard to the COC ad hoc committee request for briefing following fatal uses of force.

Currently, Homicide Bureau does not have the capacity to offer fatal use of force briefings on every case; however, upon request, our bureau can provide the COC a written summary after a fatal use of force. Unfortunately, our work load has drastically increased with the rising murder rate, up approximately 40% from 2019 to 2020, and now up another 40% from 2020 to 2021 year to date. This issue has been compounded by the pending retirements of our bureau personnel resulting in half of our remaining team lieutenants having their workload doubled by having to supervise two homicide teams. The lack of new hires has had the unforeseen consequence of limiting the amount of investigator gains to our bureau. In addition, we are in the midst of three Coroner Inquests which is draining our personnel resources. These are the results of the defunding of our Department. Thank you for your understanding in this matter.

Homicide Bureau
