**Should be noted the numbers provided weekly are a snapshot of the day ** This summary data document was created by the Los Angeles County Sheriff's Department as an internal population management tool. The information contained within this report is deemed accurate only as of the generation date and time due to the constant, dynamic change of the population. The Department makes no warranties, express or implied, as to the fitness of this information for any purpose, or with respect to results obtained by individuals or other entities resulting from the use of any such information. The report has been compiled on a best efforts basis, and, the information is subject to daily change.

The monthly and yearly numbers are calculated using the averages of the weekly snapshots
