1.20 Determination of Vendor Responsibility

1.20.1 A responsible Vendor is a Vendor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the Master Agreement. It is the County's policy to conduct business only with responsible Vendors.

1.20.2 Vendors are hereby notified that, in accordance with Chapter 2.202 of the County Code, the County may determine whether the Vendor is responsible based on a review of the Vendor's performance on any contract, including but not limited to County contracts. Particular attention will be given to violations of labor laws related to employee compensation and benefits, and evidence of false claims made by the Vendor against public entities. Labor law violations which are the fault of the subcontractors and of which the Vendor had no knowledge shall not be the basis of a determination that the Vendor is not responsible.

1.20.3 The County may declare a Vendor to be non-responsible for purposes of the Master Agreement if the Board of Supervisors, in its discretion, finds that the Vendor has done any of the following: (1) violated a term of a contract with the County or a nonprofit corporation created by the County; (2) committed an act or omission which negatively reflects on the Vendor's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or omission which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the County or any other public entity.

1.20.4 If there is evidence that the Vendor may not be responsible, the Department shall notify the Vendor in writing of the evidence relating to the Vendor's responsibility, and its intention to recommend to the Board of Supervisors that the Vendor be found not responsible. The Department shall provide the Vendor and/or the Vendor's representative with an opportunity to present evidence as to why the Vendor should be found to be responsible and to rebut evidence which is the basis for the Department's recommendation.

1.20.5 If the Vendor presents evidence in rebuttal to the Department, the Department shall evaluate the merits of such evidence, and based on that evaluation, make a recommendation to the Board of Supervisors. The final decision concerning the responsibility of the Vendor shall reside with the Board of Supervisors.
1.20.6 These terms shall also apply to proposed subcontractors of Vendors on County contracts.

1.21 Vendor Debarment

1.21.1 The Vendor is hereby notified that, in accordance with Chapter 2.202 of the County Code, the County may debar the Vendor from bidding or proposing on, or being awarded, and/or performing work on other County contracts for a specified period of time, which generally will not exceed five (5) years but may exceed five (5) years or be permanent if warranted by the circumstances, and the County may terminate any or all of the Vendor's existing contracts with County, if the Board of Supervisors finds, in its discretion, that the Vendor has done any of the following: (1) violated a term of a contract with the County or a nonprofit corporation created by the County; (2) committed an act or omission which negatively reflects on the Vendor's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or offense which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the County or any other public entity.

1.21.2 If there is evidence that the apparent highest ranked Vendor may be subject to debarment, the Department shall notify the Vendor in writing of the evidence which is the basis for the proposed debarment, and shall advise the Vendor of the scheduled date for a debarment hearing before the Contractor Hearing Board.

1.21.3 The Contractor Hearing Board shall conduct a hearing where evidence on the proposed debarment is presented. The Vendor and/or Vendor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Vendor should be debarred, and, if so, the appropriate length of time of the debarment. The Vendor and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

1.21.4 After consideration of any objections, or if no objections are received, a record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny or adopt the proposed decision and recommendation of the Contractor Hearing Board.

1.21.5 If a Vendor has been debarred for a period longer than five (5) years, that Vendor may, after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the
debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Vendor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.

1.21.6 The Contractor Hearing Board will consider requests for review of a debarment determination only where (1) the Vendor has been debarred for a period longer than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

1.21.7 The Contractor Hearing Board’s proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

1.21.8 These terms shall also apply to proposed subcontractors of Vendors on County contracts.

1.21.9 Appendix E – Listing of Contractors Debarred in Los Angeles County, provides a link to the County’s website where there is a listing of Contractors that are currently on the Debarment List for Los Angeles County.

1.27 County’s Quality Assurance Plan

After award of a Master Agreement and subsequent Work Order(s), the County or its agent will evaluate the Contractor’s performance under the Master Agreement and Work Orders on an annual basis. Such evaluation will include assessing Contractor’s compliance with all terms and performance standards identified in the Master Agreement and in the Work Orders. Contractor’s deficiencies which the County determines are severe or continuing and that may jeopardize performance of this Master Agreement and subsequent Work Orders will be reported to the County’s Board of Supervisors. The report will include improvement/corrective action measures taken by the County and Contractor. If improvement does not occur consistent with the corrective action measures, the County may terminate the Master Agreement and/or Work Order in whole or in part, or impose other penalties as specified in the Master Agreement.

1.30 **County Policy on Doing Business with Small Business**

1.30.1 The County has multiple programs that address small businesses. The Board of Supervisors encourages small business participation in the County’s contracting process by constantly streamlining and simplifying our selection process and expanding opportunities for small businesses to compete for our business.

1.30.2 The Local Small Business Enterprise Preference Program, requires the Company to complete a certification process. This program and how to obtain certification are further explained in Paragraph 1.32 of this Section.

1.30.3 The Jury Service Program provides exceptions to the Program if a company qualifies as a Small Business. It is important to note that each Program has a different definition for Small Business. You may qualify as a Small Business in one Program but not the other. Further explanation of the Jury Service Program is provided in Paragraph 1.31 of this Section.

1.30.4 The County also has a Policy on Doing Business with Small Business that is stated in Appendix C, of this RFSQ.

1.31 **Jury Service Program**

The prospective contract is subject to the requirements of the County’s Contractor Employee Jury Service Ordinance (“Jury Service Program”) (Los Angeles County Code, Chapter 2.203). Prospective Contractors should carefully read the Jury Service Ordinance, Appendix D, and the pertinent jury service provisions of the Appendix H – Model Master Agreement, Subparagraph 8.7, both of which are incorporated by reference into and made a part of this RFSQ. The Jury Service Program applies to both Contractors and their subcontractors. *SOQs that fail to comply with the requirements of the Jury Service Program will be considered non-responsive and excluded from further consideration.*

1.31.1 The Jury Service Program requires Contractors and their subcontractors to have and adhere to a written policy that provides that its employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the
employee's regular pay the fees received for jury service. For purposes of the Jury Service Program, "employee" means any California resident who is a full-time employee of a Contractor and "full-time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) the Contractor has a long-standing practice that defines the lesser number of hours as full-time. Therefore, the Jury Service Program applies to all of a Contractor's full-time California employees, even those not working specifically on the County project. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program.

1.31.2 There are two ways in which a Contractor might not be subject to the Jury Service Program. The first is if the Contractor does not fall within the Jury Service Program's definition of "Contractor". The Jury Service Program defines "Contractor" to mean a person, partnership, corporation of other entity which has a contract with the County or a Subcontract with a County Contractor and has received or will receive an aggregate sum of $50,000 or more in any 12-month period under one or more County contract or subcontracts. The second is if the Contractor meets one of the two exceptions to the Jury Service Program. The first exception concerns small businesses and applies to Contractors that have 1) ten or fewer employees; and, 2) annual gross revenues in the preceding twelve months which, if added to the annual amount of this contract is less than $500,000, and, 3) is not an "affiliate or subsidiary of a business dominant in its field of operation". The second exception applies to Contractors that possess a collective bargaining agreement that expressly supersedes the provisions of the Jury Service Program. The Contractor is subject to any provision of the Jury Service Program not expressly superseded by the collective bargaining agreement.

1.31.3 If a Contractor does not fall within the Jury Service Program's definition of "Contractor" or if it meets any of the exceptions to the Jury Service Program, then the Contractor must so indicate in the Contractor Employee Jury Service Program Certification Form and Application for Exception, as set forth in Appendix A - Required Forms, Exhibit 10, and include with its submission all necessary documentation to support the claim such as tax returns or a collective bargaining agreement, if applicable. Upon reviewing the Contractor's application, the County will determine, in its sole discretion, whether the Contractor falls within the definition of Contractor or meets any of the exceptions to the Jury Service Program. The County's decision will be final.
1.32 Local Small Business Enterprise (LSBE) Preference Program (if applicable)

1.32.1 In reviewing Work Order Bids, the County will give LSBE preference to businesses that meet the definition of a LSBE, consistent with Chapter 2.204.030C.1 of the Los Angeles County Code. An LSBE is defined as a business: 1) certified by the State of California as a small business and has had its principal place of business located in Los Angeles County for at least one year; or 2) certified as a small business enterprise with other certifying agencies pursuant to the Department of Consumer and Business Affair's (DCBA) inclusion policy that: a) has its principal place of business located in Los Angeles County, and b) has revenues and employee sizes that meet the State's Department of General Services requirements. The business must be certified by the Department of Consumer and Business Affairs as meeting the requirements set forth above prior to requesting the LSBE Preference in a solicitation.

1.32.2 To apply for certification as an LSBE, businesses should contact the Department of Consumer and Business Affairs at http://dcba.lacounty.gov

Businesses must complete and submit the Request for Preference Program Consideration with each Work Order Bid response and submit a letter of certification from the DCBA with their bid.

1.35.2 The DCBA shall certify that a SE meets the criteria set forth in Section 1.35.1.

Businesses must complete and submit the Request for Preference Program Consideration with each Work Order Bid response and submit a letter of certification from the DCBA with their bid.

1.37 Contractor’s Charitable Contributions Compliance (if applicable)

1.37.1 California’s “Supervision of Trustees and Fundraisers for Charitable Purposes Act” regulates receiving and raising charitable contributions. Among other requirements, those subject to the Charitable Purposes Act must register. The 2004 Nonprofit Integrity Act (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. Prospective contractors should carefully read the Background and Resources: California Charities Regulations, Appendix I. New rules cover California public benefit corporations, unincorporated associations, and trustee entities and may include similar foreign corporations doing business or holding property in California. Key Nonprofit Integrity Act requirements affect executive compensation, fund-raising practices and documentation. Charities with over $2 million of revenues (excluding funds that must be accounted for to a governmental entity) have new audit requirements.
1.37.2 All prospective contractors must determine if they receive or raise charitable contributions which subject them to the Charitable Purposes Act and complete the Charitable Contributions Certification, Exhibit 11 as set forth in Appendix A - Required Forms. A completed Exhibit 11 is a required part of any agreement with the County.

1.37.4 Prospective County contractors that do not complete Exhibit 11 as part of the solicitation process may, in the County's sole discretion, be disqualified from contract award. A County contractor that fails to comply with its obligations under the Charitable Purposes Act is subject to either contract termination or debarment proceedings or both. (County Code Chapter 2.202)

1.38 Defaulted Property Tax Reduction Program

The prospective Master Agreement is subject to the requirements of the County's Defaulted Property Tax Reduction Program ("Defaulted Tax Program") (Los Angeles County Code, Chapter 2.206). Prospective Contractors should carefully read the Defaulted Tax Program Ordinance, Appendix J, and the pertinent provisions of the Model Master Agreement, Appendix H, Sub-paragraphs 8.50 and 8.51, both of which are incorporated by reference into and made a part of this solicitation. The Defaulted Tax Program applies to both Contractors and their subcontractors.

Proposers shall be required to certify that they are in full compliance with the provisions of the Defaulted Tax Program and shall maintain compliance during the term of any Master Agreement that may be awarded pursuant to this solicitation or shall certify that they are exempt from the Defaulted Tax Program by completing Certification of Compliance with The County's Defaulted Property Tax Reduction Program, Exhibit 12 in Appendix A – Required Forms. Failure to maintain compliance, or to timely cure defects, may be cause for termination of a contract or initiation of debarment proceedings against the non-compliance contractor (Los Angeles County Code, Chapter 2.202).

Proposals that fail to comply with the certification requirements of the Defaulted Tax Program will be considered non-responsive and excluded from further consideration.
1.39 Disabled Veteran Business Enterprise (DVBE) Preference Program (if applicable)

1.39.1 In reviewing Work Order Bids, the County will give preference during the solicitation process to businesses that meet the definition of a DVBE, consistent with Chapter 2.211 of the Los Angeles County Code.

1.39.3 Certified DVBEs may only request the preference in each of their Work Order Bid responses and may not request the preference unless the certification process has been completed and certification is affirmed. Businesses must complete and submit the Request for Preference Program Consideration with each Work Order Bid response and submit a letter of certification from the DCBA with their bid.

3.3 **Selection/Qualification Process**
The Department will generally select Vendors that have experience in providing a broad range of temporary personnel services. However, in order to ensure the Department has a varied pool of qualified Contractors, the Department may offer Master Agreements to Vendors that offer a narrow scope of services in more highly specialized areas.

3.4 **Master Agreement Award**
Vendors who are notified by the Department that they appear to have the necessary qualifications and experience (i.e., they are qualified) may still not be recommended for a Master Agreement if other requirements necessary for award
have not been met. Other requirements may include acceptance of the terms and conditions of the Master Agreement, and/or satisfactory documentation that required insurance will be obtained. Only when all such matters have been demonstrated to the Department’s satisfaction can a Vendor, which is otherwise deemed qualified, be regarded as "selected" for recommendation of a Master Agreement.

The Department will execute Board of Supervisors-authorized Master Agreements with each selected Vendor. All Vendors will be informed of the final selections.

COUNTY OF LOS ANGELES CONTRACTOR EMPLOYEE JURY SERVICE PROGRAM
CERTIFICATION FORM AND APPLICATION FOR EXCEPTION

The County’s solicitation for this Request for Statement of Qualifications is subject to the County of Los Angeles Contractor Employee Jury Service Program (Program), Los Angeles County Code, Chapter 2.203. All Vendors, whether a contractor or subcontractor, must complete this form to either certify compliance or request an exception from the Program requirements. Upon review of the submitted form, the County department will determine, in its sole discretion, whether the Vendor is excepted from the Program.

Solicitation For ________ Services: __________________________

If you believe the Jury Service Program does not apply to your business, check the appropriate box in Part I (attach documentation to support your claim); or, complete Part II to certify compliance with the Program. Whether you complete Part I or Part II, please sign and date this form below.

Part I: Jury Service Program is Not Applicable to My Business

☐ My business does not meet the definition of “contractor,” as defined in the Program, as it has not received an aggregate sum of $50,000 or more in any 12-month period under one or more County contracts or subcontracts (this exception is not available if the contract itself will exceed $50,000). I understand that the exception will be lost and I must comply with the Program if my revenues from the County exceed an aggregate sum of $50,000 in any 12-month period.

☐ My business is a small business as defined in the Program. It 1) has ten or fewer employees; and, 2) has annual gross revenues in the preceding twelve months which, if added to the annual amount of this contract, are $500,000 or less; and, 3) is not an affiliate or subsidiary of a business dominant in its field of operation, as defined below. I understand that the exception will be lost and I must comply with the Program if the number of employees in my business and my gross annual revenues exceed the above limits.

“Dominant in its field of operation” means having more than ten employees and annual gross revenues in the preceding twelve months, which, if added to the annual amount of the contract awarded, exceed $500,000.

“Affiliate or subsidiary of a business dominant in its field of operation” means a business which is at least 20 percent owned by a business dominant in its field of operation, or by partners, officers, directors, majority stockholders, or their equivalent, of a business dominant in that field of operation.

☐ My business is subject to a Collective Bargaining Agreement (attach agreement) that expressly provides that it supersedes all provisions of the Program.

OR

Part II: Certification of Compliance

☐ My business has and adheres to a written policy that provides, on an annual basis, no less than five days of regular pay for actual jury service for full-time employees of the business who are also California residents, or my company will have and adhere to such a policy prior to award of the contract.

I declare under penalty of perjury under the laws of the State of California that the information stated above is true and correct.

COUNTY OF LOS ANGELES
POLICY ON DOING BUSINESS WITH SMALL BUSINESS

Forty-two percent of businesses in Los Angeles County have five or fewer employees. Only about four percent of businesses in the area exceed 100 employees. According to the Los Angeles Times and local economists, it is not large corporations, but these small companies that are generating new jobs and helping move Los Angeles County out of its worst recession in decades.

WE RECOGNIZE . . .

The importance of small business to the County . . .

- in fueling local economic growth
- providing new jobs
- creating new local tax revenues
- offering new entrepreneurial opportunity to those historically under-represented in business

The County can play a positive role in helping small business grow . . .

- as a multi-billion dollar purchaser of goods and services
- as a broker of intergovernmental cooperation among numerous local jurisdictions
- by greater outreach in providing information and training
- by simplifying the bid/proposal process
- by maintaining selection criteria which are fair to all
- by streamlining the payment process

WE THEREFORE SHALL:

1. Constantly seek to streamline and simplify our processes for selecting our vendors and for conducting business with them.

2. Maintain a strong outreach program, fully-coordinated among our departments and districts, as well as other participating governments to: a) inform and assist the local business community in competing to provide goods and services; b) provide for ongoing dialogue with and involvement by the business community in implementing this policy.

3. Continually review and revise how we package and advertise solicitations, evaluate and select prospective vendors, address subcontracting and conduct business with our vendors, in order to: a) expand opportunity for small business to compete for our business; and b) to further opportunities for all businesses to compete regardless of size.

4. Insure that staff who manage and carry out the business of purchasing goods and services are well trained, capable and highly motivated to carry out the letter and spirit of this policy.
2.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002)

**Internal Revenue Service**

**Notice 1015**

(Rev. December 2013)

**Have You Told Your Employees About the Earned Income Credit (EIC)?**

---

What is the EIC?
The EIC is a refundable tax credit for certain workers.

Which Employees Must I Notify About the EIC?
You must notify each employee who worked for you at any time during the year and from whom you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on Form W-4, Employee’s Withholding Allowance Certificate.

Note. You are encouraged to notify each employee whose wages for 2013 are less than $51,567 that he or she may be eligible for the EIC.

How and When Must I Notify My Employees?
You must give the employee one of the following:

- The IRS Form W-2, Wage and Tax Statement, which has the required information about the EIC on the back of Copy B.
- A substitute Form W-2 with the same EIC information on the back of the employee’s copy that is on Copy B of the IRS Form W-2.
- Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you are required to give Form W-2 and do so on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee’s copy. If a substitute Form W-2 is given on time but does not have the required information, you must notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 7, 2014.

You must hand the notice directly to the employee or send it by first-class mail to the employee’s last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can get copies of the notice from IRS.gov or by calling 1-800-829-3676.

How Will My Employees Know If They Can Claim the EIC?
The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see Pub. 596, Earned Income Credit (EIC), or the instructions for Form 1040, 1040A, or 1040EZ.

How Do My Employees Claim the EIC?
Eligible employees claim the EIC on their 2013 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so.

For example, if an employee has no tax withheld in 2013 and owes no tax but is eligible for a credit of $800, he or she must file a 2013 tax return to get the $800 refund.

Safely Surrendered

No shame. No blame. No names.

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?
California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

How does it work?
A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?
Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?
No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?
No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?
No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?
The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?
Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?
The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt, or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story
Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.
Ley de Entrega de Bebés Sin Peligro

Los recién nacidos pueden ser entregados en forma segura al personal de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles

En el Condado de Los Ángeles: 1-877-BABY SAFE • 1-877-222-9723

Ley de Entrega de Bebés Sin Peligro

¿Cómo funciona?
El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre o el adulto que lo entregó recibirá un brazalete igual.

¿Es necesario que el padre/madre deje un mensaje? No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llee un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultarán de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué es el sello postal? El bebé será examinado por un médico y se brindará atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde esté bien atendido, y se comenzará el proceso de adopción.

¿Qué harán con el bebé? Una vez que los padres o adultos hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California? La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Un bebé que probablemente haya escuchado historias trágicas sobre bebés abandonados en bancos o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber odiado su embarazo, por temor a lo que pasará si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y ponen al bebé en una situación de peligro extremo. Muchos bebés que abandonaron sus madres fueron víctimas de abuso o muertos.

¿Esas son todas las situaciones en las que se puede entregar un bebé? Sí, son las situaciones en las que se puede entregar un bebé. Es importante que las madres que viven en estas situaciones contacten a su médico para que les dirijan a los lugares correctos. Es importante que las madres que viven en estas situaciones se den cuenta de que no están solas y que hay recursos disponibles para ellas. Es importante que las madres que viven en estas situaciones se den cuenta de que hay recursos disponibles para ellas. Es importante que las madres que viven en estas situaciones se den cuenta de que hay recursos disponibles para ellas.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmelo que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles.

Historia de un bebé
A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazalete con un número que coincidía con la pulsera del bebé, esto servía como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llevaría y lo enviaría de vuelta dentro del sobre con franquicia pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.

For this purpose, consideration shall mean that this Contractor will interview qualified candidates. The County will refer GAIN/GROW participants by job category to the Contractor. Contractors shall report all job openings with job requirements to: GAINGROW@dpss.lacounty.gov to obtain a list of qualified GAIN/GROW job candidates.

8.10.2 In the event that both laid-off County employees and GAIN/GROW participants are available for hiring, County employees shall be given first priority.

8.11 CONTRACTOR RESPONSIBILITY AND DEBARMENT

8.11.1 Responsible Contractor

A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily
perform this Master Agreement. It is the County's policy to conduct business only with responsible Contractors.

8.11.2 **Chapter 2.202 of the County Code**

The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Contractor on this or other contracts which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in this Master Agreement, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on County contracts for a specified period of time, which generally will not exceed five years but may exceed five years or be permanent if warranted by the circumstances, and terminate any or all existing Contracts the Contractor may have with the County.

8.11.3 **Non-responsible Contractor**

The County may debar a Contractor if the Board of Supervisors finds, in its discretion, that the Contractor has done any of the following: (1) violated a term of a contract with the County or a nonprofit corporation created by the County, (2) committed an act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County or any other public entity.

8.11.4 **Contractor Hearing Board**

1. If there is evidence that the Contractor may be subject to debarment, the Department will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.

2. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative
proposed decision, which shall contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

3. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

4. If a Contractor has been debarred for a period longer than five (5) years, that Contractor may after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.

5. The Contractor Hearing Board will consider a request for review of a debarment determination only where (1) the Contractor has been debarred for a period longer than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the
request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

6. The Contractor Hearing Board’s proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

These terms shall also apply to subcontractors of County Contractors.

8.12 CONTRACTOR’S ACKNOWLEDGEMENT OF COUNTY’S COMMITMENT TO THE SAFELY SURRENDERED BABY LAW

The Contractor acknowledges that the County places a high priority on the implementation of the Safely Surrendered Baby Law. The Contractor understands that it is the County’s policy to encourage all County Contractors to voluntarily post the County’s “Safely Surrendered Baby Law” poster in a prominent position at the Contractor’s place of business. The Contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor’s place of business. The County’s Department of Children and Family Services will supply the Contractor with the poster to be used. Information on how to receive the poster can be found on the Internet at www.babysafela.org.

8.13 CONTRACTOR’S WARRANTY OF ADHERENCE TO COUNTY’S CHILD SUPPORT COMPLIANCE PROGRAM:

8.13.1 The Contractor acknowledges that the County has established a goal of ensuring that all individuals who benefit financially from the County through Purchase Order or Master Agreement are in compliance with their court-ordered child, family and spousal support obligations in order to mitigate the economic burden otherwise imposed upon the County and its taxpayers.

8.13.2 As required by the County’s Child Support Compliance Program (County Code Chapter 2.200) and without limiting the Contractor’s duty under this Master Agreement to comply with all applicable provisions of law, the Contractor warrants that it is now in compliance and shall during the term of this Master Agreement maintain in compliance with
employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and shall implement all lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child, Family or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

8.14 COUNTY'S QUALITY ASSURANCE PLAN

The County or its agent will evaluate the Contractor's performance under this Master Agreement on not less than an annual basis. Such evaluation will include assessing the Contractor's compliance with all Master Agreement terms and conditions and performance standards. Contractor deficiencies which the County determines are severe or continuing and that may place performance of this Master Agreement in jeopardy if not corrected will be reported to the Board of Supervisors. The report will include improvement/corrective action measures taken by the County and the Contractor. If improvement does not occur consistent with the corrective action measures, the County may terminate this Master Agreement or impose other penalties as specified in this Master Agreement.

The County maintains databases that track/monitor contractor performance history. Information entered into such databases may be used for a variety of purposes, including determining whether the County will exercise a master agreement term extension option.

8.15 DAMAGE TO COUNTY FACILITIES, BUILDINGS OR GROUNDS

8.15.1 Contractor shall repair, or cause to be repaired, at its own cost, any and all damage to County facilities, buildings, or grounds caused by Contractor or Temporary Personnel or agents of Contractor. Such repairs shall be made immediately after Contractor has become aware of such damage, but in no event later than thirty (30) days after the occurrence.

8.15.2 If Contractor fails to make timely repairs, County may make any necessary repairs. All costs incurred by County, as determined by County, for such repairs shall be repaid by Contractor by cash payment upon demand.

8.16 EMPLOYMENT ELIGIBILITY VERIFICATION

8.16.1 The Contractor warrants that it fully complies with all Federal and State statutes and regulations regarding the employment of aliens and others and that all its Temporary Personnel performing work under this Master Agreement
meet the citizenship or alien status requirements set forth in Federal and State statutes and regulations. The Contractor shall obtain, from all employees performing work hereunder, all verification and other documentation of employment eligibility status required by Federal and State statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986, (P.L. 99-603), or as they currently exist and as they may be hereafter amended. The Contractor shall retain all such documentation for all covered Temporary Personnel for the period prescribed by law.

8.16.2 The Contractor shall indemnify, defend, and hold harmless, the County, its agents, officers, and Temporary Personnel from employer sanctions and any other liability which may be assessed against the Contractor or the County or both in connection with any alleged violation of any Federal or State statutes or regulations pertaining to the eligibility for employment of any persons performing work under this Master Agreement.

8.17 FACSIMILE REPRESENTATIONS

The County and the Contractor hereby agree to regard facsimile representations of original signatures of authorized officers of each party, when appearing in appropriate places on the Change Orders and Amendments prepared pursuant to Sub-paragraph 8.1, and received via communications facilities, as legally sufficient evidence that such original signatures have been affixed to Change Orders and Amendments to this Master Agreement, such that the parties need not follow up facsimile transmissions of such documents with subsequent (non-facsimile) transmission of "original" versions of such documents.

8.18 FAIR LABOR STANDARDS

The Contractor shall comply with all applicable provisions of the Federal Fair Labor Standards Act and shall indemnify, defend, and hold harmless the County and its agents, officers, and employees from any and all liability, including, but not limited to, wages, overtime pay, liquidated damages, penalties, court costs, and attorneys' fees arising under any wage and hour law, including, but not limited to, the Federal Fair Labor Standards Act, for work performed by the Contractor's employees for which the County may be found jointly or solely liable.
8.19 FORCE MAJEURE

8.19.1 Neither party shall be liable for such party's failure to perform its obligations under and in accordance with this Master Agreement, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's subcontractors), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this Sub-paragraph as "force majeure events").

8.19.2 Notwithstanding the foregoing, a default by a subcontractor of Contractor shall not constitute a force majeure event, unless such default arises out of causes beyond the control of both Contractor and such subcontractor, and without any fault or negligence of either of them. In such case, Contractor shall not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet the required performance schedule. As used in this Sub-paragraph, the term "subcontractor" and "subcontractors" mean subcontractors at any tier.

8.19.3 In the event Contractor's failure to perform arises out of a force majeure event, Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

8.20 GOVERNING LAW, JURISDICTION, AND VENUE

This Master Agreement shall be governed by, and construed in accordance with, the laws of the State of California. The Contractor agrees and consents to the exclusive jurisdiction of the courts of the State of California for all purposes regarding this Master Agreement and further agrees and consents that venue of any action brought hereunder shall be exclusively in the County of Los Angeles.

8.21 INDEPENDENT CONTRACTOR STATUS

8.21.1 This Master Agreement is by and between the County and the Contractor and is not intended, and shall not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association, as

8.21.2 The Contractor shall be solely liable and responsible for providing to, or on behalf of, all Temporary Personnel performing work pursuant to this Master Agreement all compensation and benefits. The County shall have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, Federal, State, or local taxes, or other compensation, benefits, or taxes for any personnel provided by or on behalf of the Contractor.

These minimum insurance coverage terms, types and limits (the “Required Insurance”) also

Certificates and copies of any required endorsements shall be sent to:

Los Angeles County Sheriff's Department

8.23.4 Failure to Maintain Insurance
Contractor's failure to maintain or to provide acceptable evidence that it maintains the Required Insurance shall constitute a material breach of the Master Agreement, upon which County immediately may withhold payments due to Contractor, and/or suspend or terminate this Master Agreement. County, at its sole discretion, may obtain damages from Contractor resulting from said breach. Alternatively, the County may purchase the Required Insurance, and without further notice to Contractor, deduct the premium cost from sums due to Contractor or pursue Contractor reimbursement.

(Public Records Act) and which are marked “trade secret”, “confidential”, or “proprietary”. The County shall not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.

8.35.2 In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned
documents, information, books, records, and/or contents of an SOQ marked "trade secret", "confidential", or "proprietary", the Contractor agrees to defend and indemnify the County from all costs and expenses, including reasonable attorney's fees, in action or liability arising under the Public Records Act.

8.36 PUBLICITY

8.36.1 The Contractor shall not disclose any details in connection with this Master Agreement to any person or entity except as may be otherwise provided hereunder or required by law. However, in recognizing the Contractor's need to identify its services and related clients to sustain itself, the County shall not inhibit the Contractor from publishing its role under this Master Agreement within the following conditions:

- The Contractor shall develop all publicity material in a professional manner; and

- During the term of this Master Agreement, the Contractor shall not, and shall not authorize another to, publish or disseminate any commercial advertisements, press releases, feature articles, or other materials using the name of the County without the prior written consent of the County's Project Director. The County shall not unreasonably withhold written consent.

8.36.2 The Contractor may, without the prior written consent of County, indicate in its proposals and sales materials that it has been awarded this Master Agreement with the County of Los Angeles, provided that the requirements of this Subparagraph 8.36 shall apply.

8.37 RECORD RETENTION AND INSPECTION/AUDIT SETTLEMENT

The Contractor shall maintain accurate and complete financial records of its activities and operations relating to this Master Agreement in accordance with generally accepted accounting principles. The Contractor shall also maintain accurate and complete employment and other records relating to its performance of this Master Agreement. The Contractor agrees that the County, or its authorized representatives, shall have access to and the right to examine, audit, excerpt, copy, or transcribe any pertinent transaction, activity, or record relating to this Master Agreement. All such material, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, and proprietary data and information, shall be kept and maintained by the
Contractor and shall be made available to the County during the term of this Master Agreement and for a period of five (5) years thereafter unless the County's written permission is given to dispose of any such material prior to such time. All such material shall be maintained by the Contractor at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then, at the County's option, the Contractor shall pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such material at such other location.

8.37.1 In the event that an audit of the Contractor is conducted specifically regarding this Master Agreement by any Federal or State auditor, or by any auditor or accountant employed by the Contractor or otherwise, then the Contractor shall file a copy of such audit report with the County's Auditor-Controller within thirty (30) days of the Contractor's receipt thereof, unless otherwise provided by applicable Federal or State law or under this Master Agreement. The County shall make a reasonable effort to maintain the confidentiality of such audit report(s).

8.37.2 Failure on the part of the Contractor to comply with any of the provisions of this Sub-paragraph 8.37 shall constitute a material breach of this Master Agreement upon which the County may terminate or suspend this Master Agreement.

8.37.3 If, at any time during the term of this Master Agreement or within five (5) years after the expiration or termination of this Master Agreement, representatives of the County may conduct an audit of the Contractor regarding the work performed under this Master Agreement, and if such audit finds that the County's dollar liability for any such work is less than payments made by the County to the Contractor, then the difference shall be either: a) repaid by the Contractor to the County by cash payment upon demand or b) at the sole option of the County's Auditor-Controller, deducted from any amounts due to the Contractor from the County, whether under this Master Agreement or otherwise. If such audit finds that the County's dollar liability for such work is more than the payments made by the County to the Contractor, then the difference shall be paid to the Contractor by the County by cash payment, provided that in no event shall the County's maximum obligation for this Master Agreement exceed the funds appropriated by the County for the purpose of this Master Agreement.
8.38 RECYCLED BOND PAPER

Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at the County landfills, the Contractor agrees to use recycled-content paper to the maximum extent possible on this Master Agreement.

8.39 SUBCONTRACTING

8.39.1 The requirements of this Master Agreement may not be subcontracted by the Contractor without the advance approval of the County. Any attempt by the Contractor to subcontract without the prior consent of the County may be deemed a material breach of this Master Agreement.

8.39.2 If the Contractor desires to subcontract, the Contractor shall provide the following information promptly at the County's request:

- A description of the work to be performed by the subcontractor;
- A draft copy of the proposed subcontract; and
- Other pertinent information and/or certifications requested by the County.

8.39.3 The Contractor shall indemnify and hold the County harmless with respect to the activities of each and every subcontractor in the same manner and to the same degree as if such subcontractor(s) were Contractor employees.

8.39.4 The Contractor shall remain fully responsible for all performances required of it under this Master Agreement, including those that the Contractor has determined to subcontract, notwithstanding the County's approval of the Contractor's proposed subcontract.

8.39.5 The County's consent to subcontract shall not waive the County's right to prior and continuing approval of any and all personnel, including subcontractor employees, providing services under this Master Agreement. The Contractor is responsible to notify its subcontractors of this County right.

8.39.6 The County's Project Director is authorized to act for and on behalf of the County with respect to approval of any subcontract and subcontractor employees. After approval of the subcontract by the County, Contractor shall forward a fully executed subcontract to the County for their files.

8.39.7 The Contractor shall be solely liable and responsible for all payments or other compensation to all subcontractors and their officers, employees, agents, and successors in interest
arising through services performed hereunder, notwithstanding the County’s consent to subcontract.

8.39.8 The Contractor shall obtain certificates of insurance, which establish that the subcontractor maintains all the programs of insurance required by the County from each approved subcontractor. The Contractor shall ensure delivery of all such documents to:

Los Angeles County Sheriff’s Department
Hall of Justice
Fiscal Administration / Contract Compliance Unit
211 West Temple Street, 5th Floor
Los Angeles, California 90012
Attention: Contract Compliance Manager

before any subcontractor employee may perform any work hereunder.

8.40 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY’S CHILD SUPPORT COMPLIANCE PROGRAM

Failure of the Contractor to maintain compliance with the requirements set forth in Sub-paragraph 8.13 - Contractor’s Warranty of Adherence to County’s Child Support Compliance Program, shall constitute a default under this Master Agreement. Without limiting the rights and remedies available to the County under any other provision of this Master Agreement, failure of Contractor to cure such default within 90 calendar days of written notice shall be grounds upon which the County may terminate this Master Agreement pursuant to Sub-paragraph 8.42 - Termination for Default and pursue debarment of Contractor, pursuant to County Code Chapter 2.202.

8.41 TERMINATION FOR CONVENIENCE

8.41.1 County may terminate this Master Agreement, and any Work Order issued hereunder, in whole or in part, from time to time or permanently, when such action is deemed by the County, in its sole discretion, to be in its best interest. Termination of work hereunder shall be effected by notice of termination to Contractor specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be no less than ten (10) days after the notice is sent.

8.41.2 Upon receipt of a notice of termination and except as otherwise directed by the County, the Contractor shall immediately:
- Stop work under the Work Order or under this Master Agreement, as identified in such notice;
- Transfer title and deliver to County all completed Work and work in process; and
- Complete performance of such part of the Work as shall not have been terminated by such notice.

8.41.3 All material including books, records, documents, or other evidence bearing on the costs and expenses of the Contractor under this Master Agreement or Work Order shall be maintained by the Contractor in accordance with Sub-paragraph 8.37 - Record Retention and Inspection/Audit Settlement.

**8.42 TERMINATION FOR DEFAULT**

8.42.1 The County may, by written notice to the Contractor, terminate the whole or any part of this Master Agreement, if, in the judgment of County’s Project Director:
- Contractor has materially breached this Master Agreement;
- Contractor fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required either under this Master Agreement or any Work Order issued hereunder; or
- Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements of any Work Order issued under this Master Agreement, or of any obligations of this Master Agreement and in either case, fails to demonstrate convincing progress toward a cure within five (5) working days (or such longer period as the County may authorize in writing) after receipt of written notice from the County specifying such failure.

8.42.2 In the event that the County terminates this Master Agreement in whole or in part as provided in Sub-paragraph 8.42.1, the County may procure, upon such terms and in such manner as the County may deem appropriate, goods and services similar to those so terminated. The Contractor shall be liable to the County for any and all excess costs incurred by the County, as determined by the County, for such similar goods and services. The Contractor shall continue the performance of this Master Agreement to the extent not terminated under the provisions of this Sub-paragraph.
8.42.3 Except with respect to defaults of any subcontractor, the Contractor shall not be liable for any such excess costs of the type identified in Sub-paragraph 8.42.2 if its failure to perform this Master Agreement, including any Work Order issued hereunder, arises out of causes beyond the control and without the fault or negligence of the Contractor. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Contractor. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both the Contractor and subcontractor, and without the fault or negligence of either of them, the Contractor shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule. As used in this Sub-paragraph 8.42.3, the terms "subcontractor" and "subcontractors" mean subcontractor(s) at any tier.

8.42.4 If, after the County has given notice of termination under the provisions of this Sub-paragraph 8.42, it is determined by the County that the Contractor was not in default under the provisions of this Sub-paragraph 8.42, or that the default was excusable under the provisions of Sub-paragraph 8.42.3, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Sub-paragraph 8.41 - Termination for Convenience.

8.42.5 The rights and remedies of the County provided in this Sub-paragraph 8.42 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Master Agreement.

8.43 TERMINATION FOR IMPROPER CONSIDERATION

8.43.1 The County may, by written notice to the Contractor, immediately terminate the right of the Contractor to proceed under this Master Agreement if it is found that consideration, in any form, was offered or given by the Contractor, either directly or through an intermediary, to any County officer, employee, or agent with the intent of
securing this Master Agreement or securing favorable treatment with respect to the award, amendment, or extension of this Master Agreement or the making of any determinations with respect to the Contractor’s performance pursuant to this Master Agreement. In the event of such termination, the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.

8.43.2 The Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller’s Employee Fraud Hotline at (800) 544-6861.

8.43.3 Among other items, such improper consideration may take the form of cash, discounts, services, the provision of travel or entertainment, or tangible gifts.

8.44 TERMINATION FOR INSOLVENCY

8.44.1 The County may terminate this Master Agreement forthwith in the event of the occurrence of any of the following:

- Insolvency of the Contractor. The Contractor shall be deemed to be insolvent if it has ceased to pay its debts for at least sixty (60) days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the Federal Bankruptcy Code and whether or not the Contractor is insolvent within the meaning of the Federal Bankruptcy Code;

- The filing of a voluntary or involuntary petition regarding the Contractor under the Federal Bankruptcy Code;

- The appointment of a Receiver or Trustee for the Contractor; or

- The execution by the Contractor of a general assignment for the benefit of creditors.

8.44.2 The rights and remedies of the County provided in this Subparagraph 8.44 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Master Agreement.

8.45 TERMINATION FOR NON-ADHERENCE OF COUNTY LOBBYIST ORDINANCE

The Contractor, and each County Lobbyist or County Lobbying firm as defined in County Code Section 2.160.010 retained by the
Contractor, shall fully comply with the County’s Lobbyist Ordinance, County Code Chapter 2.160. Failure on the part of the Contractor or any County Lobbyist or County Lobbying firm retained by the Contractor to fully comply with the County’s Lobbyist Ordinance shall constitute a material breach of this Master Agreement, upon which the County may in its sole discretion, immediately terminate or suspend this Master Agreement.

8.46 TERMINATION FOR NON-APPROPRIATION OF FUNDS

Notwithstanding any other provision of this Master Agreement, the County shall not be obligated for the Contractor’s performance hereunder or by any provision of this Master Agreement during any of the County’s future fiscal years unless and until the County’s Board of Supervisors appropriates funds for this Master Agreement in the County’s Budget for each such future fiscal year. In the event that funds are not appropriated for this Master Agreement, then this Master Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. The County shall notify the Contractor in writing of any such non-allocation of funds at the earliest possible date.

8.47 VALIDITY

If any provision of this Master Agreement or the application thereof to any person or circumstance is held invalid, the remainder of this Master Agreement and the application of such provision to other persons or circumstances shall not be affected thereby.

8.48 WAIVER

No waiver by the County of any breach of any provision of this Master Agreement shall constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Master Agreement shall not be construed as a waiver thereof. The rights and remedies set forth in this Sub-paragraph 8.48 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Master Agreement.

8.49 WARRANTY AGAINST CONTINGENT FEES

8.49.1 The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Master Agreement upon any agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business.

8.49.2 For breach of this warranty, the County shall have the right to terminate this Master Agreement and, at its sole
discretion, deduct from this Master Agreement price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

8.50 WARRANTY OF COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM

Contractor acknowledges that County has established a goal of ensuring that all individuals and businesses that benefit financially from County through contract are current in paying their property tax obligations (secured and unsecured roll) in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.

Unless Contractor qualifies for an exemption or exclusion, Contractor warrants and certifies that to the best of its knowledge it is now in compliance, and during the term of this master agreement will maintain compliance, with Los Angeles County Code Chapter 2.206.

8.51 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM

Failure of Contractor to maintain compliance with the requirements set forth in Sub-paragraph 8.51 "Warranty of Compliance with County’s Defaulted Property Tax Reduction Program" shall constitute default under this contract. Without limiting the rights and remedies available to County under any other provision of this contract, failure of Contractor to cure such default within 10 days of notice shall be grounds upon which County may terminate this contract and/or pursue debarment of Contractor, pursuant to County Code Chapter 2.206.

8.52 TIME OFF FOR VOTING

The Contractor shall notify its employees, and shall require each subcontractor to notify and provide to its employees, information regarding the time off for voting law (Elections Code Section 14000). Not less than 10 days before every statewide election, every Contractor and subcontractors shall keep posted conspicuously at the place of work, if practicable, or elsewhere where it can be seen as employees come or go to their place of work, a notice setting forth the provisions of Section 14000.
9.0 UNIQUE TERMS AND CONDITIONS

9.1 INTENTIONALLY OMITTED

9.2 LOCAL SMALL BUSINESS ENTERPRISE (LSBE) PREFERENCE PROGRAM

9.2.1 This Master Agreement is subject to the provisions of the County’s ordinance entitled LSBE Preference Program, as codified in Chapter 2.204 of the Los Angeles County Code.

9.2.2 The Contractor shall not knowingly and with the intent to defraud, fraudulently obtain, retain, attempt to obtain or retain, or aid another in fraudulently obtaining or retaining or attempting to obtain or retain certification as a LSBE.

9.2.3 The Contractor shall not willfully and knowingly make a false statement with the intent to defraud, whether by affidavit, report, or other representation, to a County official or employee for the purpose of influencing the certification or denial of certification of any entity as a LSBE.

9.2.4 If the Contractor has obtained certification as a LSBE by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded this contract to which it would not otherwise have been entitled, shall:

1. Pay to the County any difference between the contract amount and what the County’s costs would have been if the contract had been properly awarded;

2. In addition to the amount described in subdivision (1), be assessed a penalty in an amount of not more than ten (10) percent of the amount of the contract; and

The above penalties shall also apply to any business that has previously obtained proper certification, however, as a result of a change in their status would no longer be eligible for certification, and fails to notify the State and the Department of Consumer and
Business Affairs of this information prior to responding to a solicitation or accepting a contract award.

9.3 OWNERSHIP OF MATERIALS, SOFTWARE AND COPYRIGHT

9.3.1 County shall be the sole owner of all right, title and interest, including copyright, in and to all software, plans, diagrams, facilities, and tools (hereafter "materials") which are originated or created through Contractor's work pursuant to this Master Agreement. Contractor, for valuable consideration herein provided, shall execute all documents necessary to assign and transfer to, and vest in the County all Contractor's right, title and interest in and to such original materials, including any copyright, patent and trade secret rights which arise pursuant to Contractor's work under this Master Agreement.

9.3.2 During the term of this Master Agreement and for five (5) years thereafter, Contractor shall maintain and provide security for all Contractor's working papers prepared under this Master Agreement. County shall have the right to inspect, copy and use at any time during and subsequent to the term of this Master Agreement, any and all such working papers and all information contained therein.

9.3.3 Any and all materials, software and tools which are developed or were originally acquired by Contractor outside the scope of this Master Agreement, which Contractor desires to use hereunder, and which Contractor considers to be proprietary or confidential, must be specifically identified by Contractor to County's Project Manager as proprietary or confidential, and shall be plainly and prominently marked by Contractor as "Propriety" or "Confidential" on each appropriate page of any document containing such material.

9.3.4 County will use reasonable means to ensure that Contractor's proprietary and/or confidential items are safeguarded and held in confidence. County agrees not to reproduce, distribute or disclose to non-County entities any such proprietary and/or confidential items without the prior written consent of Contractor.

9.3.5 Notwithstanding any other provision of this Master Agreement, County will not be obligated to Contractor in any way under Sub-paragraph 9.3.4 for any of Contractor's proprietary and/or confidential items which are not plainly and prominently marked with restrictive legends as required by Sub-paragraph 9.3.3 or for any disclosure which County is required to make under any state or federal law or order of court.
9.3.6 All the rights and obligations of this Sub-paragraph 9.3 shall survive the expiration or termination of this Master Agreement.

9.4 PATENT, COPYRIGHT AND TRADE SECRET INDEMNIFICATION

9.4.1 Contractor shall indemnify, hold harmless and defend County from and against any and all liability, damages, costs, and expenses, including, but not limited to, defense costs and attorneys' fees, for or by reason of any actual or alleged infringement of any third party's patent or copyright, or any actual or alleged unauthorized trade secret disclosure, arising from or related to the operation and utilization of Contractor's work under this Master Agreement. County shall inform Contractor as soon as practicable of any claim or action alleging such infringement or unauthorized disclosure, and shall support Contractor's defense and settlement thereof.

9.4.2 In the event any equipment, part thereof, or software product becomes the subject of any complaint, claim, or proceeding alleging infringement or unauthorized disclosure, such that County's continued use of such item is formally restrained, enjoined, or subjected to a risk of damages, Contractor, at its sole expense, and providing that County's continued use of the system is not materially impeded, shall either:

- Procure for County all rights to continued use of the questioned equipment, part, or software product; or
- Replace the questioned equipment, part, or software product with a non-questioned item; or
- Modify the questioned equipment, part, or software so that it is free of claims.

9.4.3 Contractor shall have no liability if the alleged infringement or unauthorized disclosure is based upon a use of the questioned product, either alone or in combination with other items not supplied by Contractor, in a manner for which the questioned product was not designed nor intended.

9.5 CONTRACTOR’S CHARITABLE ACTIVITIES COMPLIANCE

The Supervision of Trustees and Fundraisers for Charitable Purposes Act regulates entities receiving or raising charitable contributions. The “Nonprofit Integrity Act of 2004” (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. By requiring Contractors to complete the Charitable Contributions Certification, Exhibit J, the County seeks to ensure that all County contractors which receive or raise charitable contributions comply with California law in order to protect the County and its taxpayers. A
Contractor which receives or raises charitable contributions without complying with its obligations under California law commits a material breach subjecting it to either contract termination or debarment proceedings or both. (County Code Chapter 2.202).

9.6 SOCIAL ENTERPRISE (SE) PREFERENCE PROGRAM

9.6.1 This Master Agreement is subject to the provisions of the County’s ordinance entitled SE Preference Program, as codified in Chapter 2.205 of the Los Angeles County Code.

9.6.2 Contractor shall not knowingly and with the intent to defraud, fraudulently obtain, retain, attempt to obtain or retain, or aid another in fraudulently obtaining or retaining or attempting to obtain or retain certification as a SE.

9.6.3 Contractor shall not willfully and knowingly make a false statement with the intent to defraud, whether by affidavit, report, or other representation, to a County official or employee for the purpose of influencing the certification or denial of certification of any entity as a SE.

9.6.4 If Contractor has obtained County certification as a SE by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded this contract to which it would not otherwise have been entitled, Contractor shall:

1. Pay to the County any difference between the contract amount and what the County’s costs would have been if the contract had been properly awarded;

2. In addition to the amount described in subdivision (1) above, the Contractor will be assessed a penalty in an amount of not more than ten percent (10%) of the amount of the contract; and

The above penalties shall also apply to any entity that has previously obtained proper certification, however, as a result of a change in their status would no longer be eligible for certification, and fails to notify
the Department of Consumer and Business Affairs of this information prior to responding to a solicitation or accepting a contract award.

9.7 INTENTIONALLY OMITTED

9.8 DISABLED VETERAN BUSINESS ENTERPRISE (DVBE) PREFERENCE PROGRAM

9.8.1 This Master Agreement is subject to the provisions of the County’s ordinance entitled DVBE Preference Program, as codified in Chapter 2.211 of the Los Angeles County Code.

9.8.2 Contractor shall not knowingly and with the intent to defraud, fraudulently obtain, retain, attempt to obtain or retain, or aid another in fraudulently obtaining or retaining or attempting to obtain or retain certification as a DVBE.

9.8.3 Contractor shall not willfully and knowingly make a false statement with the intent to defraud, whether by affidavit, report, or other representation, to a County official or employee for the purpose of influencing the certification or denial of certification of any entity as a DVBE.

9.8.4 If Contractor has obtained certification as a DVBE by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded this contract to which it would not otherwise have been entitled, Contractor shall:

1. Pay to the County any difference between the contract amount and what the County’s costs would have been if the contract had been properly awarded;

2. In addition to the amount described in subdivision (1) above, the Contractor will be assessed a penalty in an amount of not more than 10 percent of the amount of the contract; and

Notwithstanding any other remedies in this contract, the above penalties shall also apply to any business that has previously
obtained proper certification, however, as a result of a change in their status would no longer be eligible for certification, and fails to notify the State and the Department of Consumer and Business Affairs of this information prior to responding to a solicitation or accepting a contract award.

2.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002)

2.203.020 Definitions.

C. “Contract” means any agreement to provide goods to, or perform services for or on behalf of, the county but does not include:

2. A contract where federal or state law or a condition of a federal or state program mandates the use of a particular contractor; or

3. A purchase made through a state or federal contract; or

4. Safely Surrendered Baby Law

Babies can be safely surrendered to staff at any hospital or fire station in Los Angeles County

No shame. No blame. No names.

In Los Angeles County: 1-877-BABY SAFE • 1-877-222-9723
www.babysafela.org
Safely Surrendered Baby Law

What is the Safety Surrendered Baby Law?
California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

How does it work?
A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee of a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?
Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?
No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?
No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anyone anything?
No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?
The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?
Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?
The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a baby, let her know there are other options. For three days (72 hours) after birth, a baby can be surrendered to staff at any hospital or fire station in Los Angeles County.

A baby's story
Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.
Ley de Entrega de Bebés Sin Peligro

Los recién nacidos pueden ser entregados en forma segura al personal de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles

En el Condado de Los Ángeles: 1-877-BABY SAFE • 1-877-222-9723
www.babysafela.org
Ley de Entrega de Bebés Sin Peligro

¿Cómo funciona?
El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión, se puede recuperar el bebé.

¿Es necesario que el padre/madre entregue el bebé?
No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resulten de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?
El bebé será examinado y le brindará atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Por qué está haciendo esto en California?
La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lamiñados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en bancos públicos. Los padres de esos bebés probablemente han estado pasando por dificultades emocionales graves. Los trabajadores sociales deben buscar el mejor hogar para el bebé.

Historia de un bebé
A la mañana temprana del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras de Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazalete con un número que coincidía con la pulsera del bebé, esto serviría como identificación en caso de que la madre cambiara de opinión.

¿Qué es la Ley de Entrega de Bebés sin Peligro?
La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Ángeles.

There is a keen public interest in preventing misuse of charitable contributions. California's "Supervision of Trustees and Fundraisers for Charitable Purposes Act" regulates those raising and receiving charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) tightened Charitable Purposes Act requirements for charitable organization administration and fundraising.

The Charitable Purposes Act rules cover California public benefit corporations, unincorporated associations, and trustee entities. They may include similar foreign corporations doing business or holding property in California. Generally, an organization is subject to the registration and reporting requirements of the Charitable Purposes Act if it is a California nonprofit public benefit corporation or is tax exempt under Internal Revenue Code § 501(c)(3), and not exempt from reporting under Government Code § 12583. Most educational institutions, hospitals, cemeteries, and religious organizations are exempt from Supervision of Trustees Act requirements.

Key new Charitable Purposes Act requirements affect executive compensation, fund-raising practices and documentation. Charities with over $2 million of revenues (excluding grants and service-contract funds a governmental entity requires to be accounted for) have new audit requirements. Charities required to have audits must also establish an audit committee whose members have no material financial interest in any entity doing business with the charity.

Organizations or persons that receive or raise charitable contributions are likely to be subject to the Charitable Purposes Act. A Proposer on Los Angeles County contracts must determine if it is subject to the Charitable Purposes Act and certify either that:

- It is not presently subject to the Act, but will comply if later activities make it subject, or,
- If subject, it is currently in compliance.

RESOURCES

The following references to resources are offered to assist Proposers who engage in charitable contributions activities. Each Proposer, however, is ultimately responsible to research and determine its own legal obligations and properly complete its compliance certification (Appendix A, Exhibit 11 – Charitable Contributions Certification).

In California, supervision of charities is the responsibility of the Attorney General, whose website, http://oag.ca.gov/ contains much information helpful to regulated charitable organizations.
