Bidder shall certify that he/she is aware of and has read Section 2.180.010 of the Los Angeles County Code as stated in Exhibit 5 (Certification of No Conflict of Interest) of Appendix C (Required Forms) of this IFB.

1.21 Determination of Bidder Responsibility

1.21.1 A responsible Bidder is a Bidder who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the County’s policy to conduct business only with responsible Bidders.

1.21.2 Bidders are hereby notified that, in accordance with Chapter 2.202 of the County Code, the County may determine whether the Bidder is responsible based on a review of the Bidder’s performance on any contracts, including but not limited to County contracts. Particular attention will be given to violations of labor laws related to employee compensation and benefits, and evidence of false claims made by the Bidder against public entities. Labor law violations which are the fault
of the sub-contractors and of which the Bidder had no knowledge shall not be the basis of a determination that the Bidder is not responsible.

1.21.3 The County may declare a Bidder to be non-responsible for purposes of the contract if the County Board of Supervisors, in its discretion, finds that the Bidder has done any of the following: (1) violated a term of a contract with the County or a nonprofit corporation created by the County; (2) committed an act or omission which negatively reflects on the Bidder’s quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or omission which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the County or any other public entity.

1.21.4 If there is evidence that the apparent highest ranked Bidder may not be responsible, the Department shall notify the Bidder in writing of the evidence relating to the Bidder’s responsibility, and its intention to recommend to the County Board of Supervisors that the Bidder be found not responsible. The Department shall provide the Bidder and/or the Bidder’s representative with an opportunity to present evidence as to why the Bidder should be found to be responsible and to rebut evidence which is the basis for the Department’s recommendation.

1.21.5 If the Bidder presents evidence in rebuttal to the Department, the Department shall evaluate the merits of such evidence, and based on that evaluation, make a recommendation to the County Board of Supervisors. The final decision concerning the responsibility of the Bidder shall reside with the County Board of Supervisors.

1.21.6 These terms shall also apply to proposed sub-contractors of Bidders on County contracts.

1.22 Bidder Debarment

1.22.1 The Bidder is hereby notified that, in accordance with Chapter 2.202 of the County Code, the County may debar the Bidder from bidding or proposing on, or being awarded, and/or performing work on other County contracts for a specified period of time, which generally will not exceed five years but may exceed five years or be permanent if warranted by the circumstances, and the County may terminate any or all of the Bidder’s existing contracts with County, if the County Board of Supervisors finds, in its discretion, that the Bidder has done any of the following: (1) violated a term of a contract with the County or a nonprofit corporation created by the County; (2) committed an act or omission which negatively reflects on the Bidder’s quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice
which negatively reflects on same; (3) committed an act or offense which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the County or any other public entity.

1.22.2 If there is evidence that the apparent highest ranked Bidder may be subject to debarment, the Department shall notify the Bidder in writing of the evidence which is the basis for the proposed debarment, and shall advise the Bidder of the scheduled date for a debarment hearing before the Contractor Hearing Board.

1.22.3 The Contractor Hearing Board shall conduct a hearing where evidence on the proposed debarment is presented. The Bidder and/or Bidder’s representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Bidder should be debarred, and, if so, the appropriate length of time of the debarment. The Bidder and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the County Board of Supervisors.

1.22.4 After consideration of any objections, or if no objections are received, a record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board shall be presented to the County Board of Supervisors. The County Board of Supervisors shall have the right to modify, deny or adopt the proposed decision and recommendation of the Contractor Hearing Board.

1.22.5 If a Bidder has been debarred for a period longer than five years, that Bidder may, after the debarment has been in effect for at least five years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Bidder has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.

1.22.6 The Contractor Hearing Board will consider requests for review of a debarment determination only where: (1) the Bidder has been debarred for a period longer than five years; (2) the debarment has been in effect for at least five years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board...
Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

1.22.7 The Contractor Hearing Board’s proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the County Board of Supervisors. The County Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

1.22.8 These terms shall also apply to proposed sub-contractors of Bidders on County contracts.

1.22.9 Appendix G (Listing of Contractors Debarred in Los Angeles County) of this IFB, provides a link to the County’s website where there is a listing of Contractors that are currently on the Debarment List for Los Angeles County.

1.31.4 The County also has a Policy on Doing Business with Small Business that is stated in Appendix E (County of Los Angeles Policy on Doing Business with Small Business) of this IFB.

1.32 Jury Service Program

The prospective contract is subject to the requirements of the County’s Contractor Employee Jury Service Ordinance (“Jury Service Program”) (Los Angeles County Code, Chapter 2.203). Prospective Contractors should carefully read Appendix F (Jury Service Ordinance) and the pertinent jury service provisions of Paragraph 8.8 (Compliance with County’s Jury Service Program) of Appendix A (Sample Contract), both of which are incorporated by reference into and made a part of this IFB. The Jury Service Program applies to both Contractors and their subcontractors. Bids that fail to comply with the requirements of the Jury Service Program will be considered non-responsive and excluded from further consideration.

1.32.1 The Jury Service Program requires Contractors and their subcontractors to have and adhere to a written policy that provides that its employees shall receive from the Contractor, on an annual basis, no less than five calendar days of regular pay for actual jury service. The policy may provide that employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the employee’s regular pay the fees received for jury service. For purposes of the Jury Service Program, “employee” means any California resident who is a full-time employee of a Contractor and “full-time” means forty hours or more worked per week, or a lesser number of hours if: (1) the lesser number is a recognized industry standard as determined by the County, or (2) the Contractor has a long-standing practice that defines the lesser number of hours as full-time. Therefore, the Jury Service Program applies to all of a Contractor’s full-time California employees, even those not working specifically on the County project. Full-time employees providing short-term, temporary services of ninety calendar days or less within a twelve-month period are not considered full-time for purposes of the Jury Service Program.

1.32.2 There are two ways in which a Contractor might not be subject to the Jury Service Program. The first is if the Contractor does not fall within the Jury Service Program’s definition of “Contractor”. The Jury Service Program defines “Contractor” to mean a person, partnership, corporation of other entity which has a contract with the County or a sub-
contract with a County Contractor and has received or will receive an aggregate sum of fifty-thousand dollars or more in any twelve-month period under one or more County contracts or sub-contracts. The second is if the Contractor meets one of the two exceptions to the Jury Service Program. The first exception concerns small businesses and applies to Contractors that have: (1) ten or fewer employees; and, (2) annual gross revenues in the preceding twelve months which, if added to the annual amount of this Contract is less than five hundred thousand dollars, and, (3) is not an “affiliate or subsidiary of a business dominant in its field of operation”. The second exception applies to Contractors that possess a collective bargaining agreement that expressly supersedes the provisions of the Jury Service Program. The Contractor is subject to any provision of the Jury Service Program not expressly superseded by the collective bargaining agreement.

1.32.3 If a Contractor does not fall within the Jury Service Program’s definition of “Contractor” or if it meets any of the exceptions to the Jury Service Program, then the Contractor must so indicate in Exhibit 10 (Contractor Employee Jury Service Program Certification Form and Application for Exception) of Appendix C (Required Forms) of this IFB, and include with its submission all necessary documentation to support the claim such as tax returns or a collective bargaining agreement, if applicable. Upon reviewing the Contractor’s application, the County will determine, in its sole discretion, whether the Contractor falls within the definition of Contractor or meets any of the exceptions to the Jury Service Program. The County’s decision will be final.

1.33 Local Small Business Enterprise (LSBE) Preference Program

1.33.1 County will give LSBE preference during the solicitation process to businesses that meet the definition of a LSBE, consistent with Chapter 2.204.030C.1 of the Los Angeles County Code. An LSBE is defined as a business: (1) certified by the State of California as a small business and has had its principal place of business located in Los Angeles County for at least one year; or (2) certified as a small business enterprise with other certifying agencies pursuant to the Department of Consumer and Business Affair’s (DCBA) inclusion policy that: (a) has its principal place of business located in Los Angeles County, and (b) has revenues and employee sizes that meet the State’s Department of General Services requirements. The business must be certified by the Department of Consumer and Business Affairs as meeting the requirements set forth above prior to requesting the LSBE Preference in a solicitation.

1.33.2 To apply for certification as an LSBE, businesses should contact the Department of Consumer and Business Affairs at http://dcba.lacounty.gov.
1.33.3 Certified LSBES may only request the preference if the certification process has been completed and certification is affirmed. Businesses must complete and submit Exhibit 7 (Request for Preference Program Consideration) of Appendix C (Required Forms) of this IFB, and submit a letter of certification from the DCBA with their bid.

1.33.4 Information about the State’s small business enterprise certification regulations is in the California Code of Regulations, Title 2, Subchapter 8, Section 1896 et seq., and is also available on the California Department of General Services Office of Small Business Certification and Resources Web site at https://caleprocure.ca.gov/pages/sbdvbe-index.aspx.

1.34 Local Small Business Enterprise (LSBE) Prompt Payment Program

It is the intent of the County that Certified LSBES receive prompt payment for services they provide to County Departments. Prompt payment is defined as fifteen calendar days after receipt of an undisputed invoice.

1.35 Notification to County of Pending Acquisitions/Mergers by Bidding Company

The Bidder shall notify the County of any pending acquisitions/mergers of its company unless otherwise legally prohibited from doing so. If the Bidder is restricted from legally notifying the County of pending acquisitions/mergers, then it should notify the County of the actual acquisitions/mergers as soon as the law allows and provide to the County the legal framework that restricted it from notifying the County prior to the actual acquisitions/mergers. This information shall be provided by the Bidder on Exhibit 1 (Bidder’s Organization Questionnaire/Affidavit and CBE Information) of Appendix C (Required Forms) of this IFB. Failure of the Bidder to provide this information may eliminate its bid from any further consideration.

   b) A business certified by the Department of Consumer and Business Affairs (DCBA) as a SE.

1.36.2 The DCBA shall certify that a SE meets the criteria set forth in Paragraph 1.36.1, above.
1.36.3 Certified SEs may only request the preference if the certification has been completed and certification is affirmed. Businesses must complete and submit Exhibit 7 (Request for Preference Program Consideration) of Appendix C (Required Forms) of this IFB, and submit a letter of certification from the DCBA with their bid.

1.39 Defaulted Property Tax Reduction Program

The prospective contract is subject to the requirements of the County’s Defaulted Property Tax Reduction Program (“Defaulted Tax Program”) (Los Angeles County Code, Chapter 2.206). Prospective Contractors should carefully read Appendix J (Defaulted Property Tax Reduction Program), and the pertinent provisions of Paragraph 8.51 (Warranty of Compliance with County’s Defaulted Property Tax Reduction Program) and 8.52 (Termination for Breach of Warranty to Maintain Compliance with County’s Defaulted Property Tax Reduction Program) of Appendix A (Sample Contract), both of which are incorporated by reference into and made a part of this IFB. The Defaulted Tax Program applies to both Contractors and their sub-contractors.

Bidders shall be required to certify that they are in full compliance with the provisions of the Defaulted Tax Program and shall maintain compliance during the term of any contract that may be awarded pursuant to this IFB or shall certify that they are exempt from the Defaulted Tax Program by completing Exhibit 13 (Certification of Compliance with the County’s Defaulted Property Tax Reduction Program) of Appendix C (Required Forms) of this IFB. Failure to maintain compliance, or to timely cure defects, may be cause for termination of a contract or initiation of debarment proceedings against the non-compliant Contractor (Los Angeles County Code, Chapter 2.202).

Bids that fail to comply with the certification requirements of the Defaulted Tax Program will be considered non-responsive and excluded from further consideration.

1.40 Disabled Veteran Business Enterprise (DVBE) Preference Program

1.40.1 The County will give preference during the solicitation process to businesses that meet the definition of a DVBE, consistent with Chapter 2.211 of the Los Angeles County Code. A DVBE vendor is defined as:

b) A business which is verified as a Service-Disabled Veteran-Owned Small Business (SDVOSB) by the Veterans Administration.

c) A business certified as DVBE with other certifying agencies pursuant to the Department of Consumer and Business Affairs' (DCBA) inclusion policy that meets the criteria set forth by the agencies in Paragraph 1.40.1, a and b above.

1.40.2 The DCBA shall certify that a DVBE is currently certified by the State of California, by the U.S. Department of Veteran Affairs, or is determined by the DCBA’s inclusion policy that meets the criteria set forth by the agencies in Paragraph 1.40.1, a or b above.

1.40.3 Certified DVBEs may only request the preference if the certification process has been completed and certification is affirmed. Businesses must complete and submit Exhibit 7 (Request for Preference Program Consideration) of Appendix C (Required Forms) of this IFB, and submit a letter of certification from the DCBA with their bid.

Not less than ten calendar days before every statewide election, every Contractor and sub-contractors shall keep posted conspicuously at the place of work, if practicable, or elsewhere where it can be seen as employees come or go to their place of work, a notice setting forth the provisions of California Elections Code Section 14000.

1.42.1 On October 4, 2016, the Los Angeles County Board of Supervisors approved a motion taking significant steps to protect victims of human trafficking by establishing a zero tolerance policy on human trafficking. The policy prohibits contractors engaged in human trafficking from receiving contract awards or performing services under a County contract.

1.42.2 Contractors are required to complete Exhibit 14 (Zero Tolerance Policy on Human Trafficking Certification) of Appendix C (Required Forms) of
this IFB, certifying that they are in full compliance with the County’s Zero Tolerance Policy on Human Trafficking provision as defined in Paragraph 8.54 (Compliance with County’s Zero Tolerance Policy on Human Trafficking) of Appendix A (Sample Contract) of this IFB. Further, Contractors are required to comply with the requirements under said provision for the term of any Contract awarded pursuant to this IFB.

1.43 Intentionally Omitted

1.44 Default Method of Payment: Direct Deposit or Electronic Funds Transfer

1.44.1 The County, in its sole discretion, has determined that the most efficient and secure default form of payment for goods and/or services provided under a contract with the County shall be Electronic Funds Transfer (EFT) or direct deposit, unless an alternative method of payment is deemed appropriate by the Auditor-Controller (A-C).

1.44.2 Upon Contract award or at the request of the A-C and/or the contracting department, the Contractor shall submit a direct deposit authorization request with banking and vendor information, and any other information that the A-C determines is reasonably necessary to process the payment and comply with all accounting, record keeping, and tax reporting requirements.

1.44.3 Any provision of law, grant, or funding agreement requiring a specific form or method of payment other than EFT or direct deposit shall supersede this requirement with respect to those payments.

1.44.4 Upon Contract award or at any time during the duration of the Contract, a Contractor may submit a written request for an exemption to this requirement. The A-C, in consultation with the contracting department(s), shall decide whether to approve exemption requests.

3.0 BID REVIEW AND SELECTION PROCESS

3.1 Review Process

3.1.1 Bids will be examined to determine the lowest price. Should one or more of the Bidders request and be granted the Local Small Business Enterprise Preference, Social Enterprise Preference, or Disabled Veteran Business Enterprise Preference, the lowest bid price will be determined as follows:

A recommendation for a contract will be made for the lowest cost bid. All other bids will be compared to the lowest cost and evaluated accordingly.

3.1.2 The County will calculate the Bidder’s price as follows:

Hourly Rate x 1000 Hours x 5 Years = Contract Bid

Example:

An Hourly Rate of $150/Hr x 1000 Hours = $150,000 x 5 Years = $750,000

The execution of a contract does not guarantee Bidder any minimum amount of Work. Bidder shall not construe the above bid calculus as a representation of County’s actual need for maintenance services.

3.1.3 Should one or more of the Bidders request and be granted the preference, the cost will be determined as follows:

15% percent of the lowest cost bid will be calculated, not to exceed $150,000, and that amount will be deducted from the cost submitted by all bidders who requested and were granted the preference.

In no case shall any preference be combined to exceed 15% of the lowest responsible bid meeting specifications.

3.1.4 The lowest priced bid will be reviewed to determine whether it is responsive and responsible. The following steps will be performed until it is determined which is the lowest price, and most responsive and responsible bid.

3.2 Adherence to Minimum Mandatory Requirements

County shall review Exhibit 1 (Bidder’s Organization Questionnaire/Affidavit and CBE Information) of Appendix C (Required Forms) of this IFB, and Section B (Bidder’s Qualifications) of the bid, and determine if the Bidder meets the MMRs as outlined in Paragraph 1.4 (Bidder’s Minimum Mandatory Requirements) of this IFB.
Failure of the Bidder to comply with the MMRs may eliminate its bid from any further consideration. The County may elect to waive any informality in a bid if the sum and substance of the bid is present.

3.3 Disqualification Review

A bid may be disqualified from consideration because the Department determined it was a non-responsive bid at any time during the review/evaluation process. If the Department determines that a bid was disqualified due to non-responsiveness, the Department shall notify the Bidder in writing.

Upon receipt of the written determination of non-responsiveness, the Bidder may submit a written request for a Disqualification Review within the timeframe specified in the written determination.

A request for a Disqualification Review may, in the Department's sole discretion, be denied if the request does not satisfy all of the following criteria:

1. The request for a Disqualification Review is submitted timely (i.e., by the date and time specified in the written determination); and

2. The request for a Disqualification Review asserts that the Department's determination of disqualification due to non-responsiveness was erroneous (e.g. factual errors, etc.) and provides factual support on each ground asserted as well as copies of all documents and other material that support the assertions.

The Disqualification Review shall be completed and the determination shall be provided to the requesting Bidder, in writing, prior to the conclusion of the evaluation process.

3.4 Bid Review

3.4.1 Bidder's Qualifications (Section B)

County’s review shall include the following:

- Bidder’s background and technical experience as provided in Section B.1 of the bid.

- Bidder’s Reference(s) as provided in Section B.2 of the bid. The review will include verification of the reference(s) submitted, a review of the County’s Contract Database and Contractor Alert Reporting Database (CARD), if applicable, reflecting past performance history on County contracts, and a review of terminated contracts.

- A review to determine the magnitude of any pending litigation or judgments against the Bidder as provided in Section B.3 of the bid.
3.4.2 **Required Forms**

All forms listed in Paragraph 2.7.4 (Required Forms (Section C)) of this IFB, must be included in **Section C** of the bid.

3.4.3 **Proof of Insurability**

Review the proof of insurability provided in **Section D** of the bid.

3.4.4 **Acceptance of Terms and Conditions in Sample Contract and Requirements of the Statement of Work (Section E)**

A review will be conducted of Bidder’s statement accepting all terms and conditions in Appendix A (Sample Contract), and the requirements of Appendix B (Statement of Work), including all Attachments, as provided in **Section E** of the bid.

3.5 **Department's Proposed Contractor Selection Review**

3.5.1 **Proposed Contractor Selection Review**

Any Bidder that has timely submitted a notice of its intent to request a Proposed Contractor Selection Review (as described in Paragraph 3.5 (Department’s Proposed Contractor Selection Review)) may submit a written request for a Proposed Contractor Selection Review, in the manner and timeframe as shall be specified by the Department.

A request for a Proposed Contractor Selection Review may, in the Department's sole discretion, be denied if the request does not satisfy all of the following criteria:

1. The request for a Proposed Contractor Selection Review is submitted timely (i.e., by the date and time specified by the Department);

2. The person or entity requesting a Proposed Contractor Selection Review asserts in appropriate detail with factual reasons one or more of the following grounds for review:

   a. The Department materially failed to follow procedures specified in its solicitation document. This includes:

      i. Failure to correctly apply the standards for reviewing the bid format requirements.

      ii. Failure to correctly apply the standards, and/or follow the prescribed methods, for evaluating the bids as specified in the solicitation document.

      iii. Use of evaluation criteria that were different from the evaluation criteria disclosed in the solicitation document;
b. The Department made identifiable mathematical or other errors in evaluating bids, resulting in the Bidder receiving an incorrect score and not being selected as the recommended contractor; or

c. Another basis for review as provided by state or federal law; or

d. The request for a Proposed Contractor Selection Review sets forth sufficient detail to demonstrate that, but for the Department's alleged failure, the Bidder would have been the lowest cost, responsive and responsible bid or the highest-scored bid, as the case may be.

3. Upon completing the Proposed Contractor Selection Review, the Department representative shall issue a written decision to the Bidder within a reasonable time following receipt of the request for a Proposed Contractor Selection Review, and always before the date the contract award recommendation is to be heard by the County Board of Supervisors. The written decision shall additionally instruct the Bidder of the manner and timeframe for requesting a County Independent Review (see Paragraph 3.5.2 (County Independent Review Process) below).

3.5.2 County Independent Review Process

Any Bidder that is not satisfied with the results of the Proposed Contractor Selection Review may submit a written request for a County Independent Review in the manner and timeframe specified by the Department in the Department's written decision regarding the Proposed Contractor Selection Review.

The request for a County Independent Review may be denied in the County's sole discretion, if the request does not satisfy all of the following criteria:

1. The request for a County Independent Review is submitted timely (i.e., by the date and time specified by the Department); and
