### 3.0 WORK

3.1 Pursuant to the provisions of this Master Agreement, Contractor shall fully perform, complete and deliver on time, all tasks, deliverables, Services and other Work as set forth in this Master Agreement, including Attachment 1 (Statement of Work), and any fully executed Work Order.

3.2 Contractor acknowledges that, subject to this Paragraph 3.0 (Work) of this Master Agreement, all Work performed under this Master Agreement is payable in arrears on a per-Work Order basis in accordance with the terms and conditions of this Master Agreement, including this Paragraph 3.0 (Work) and Paragraph 5.0 (Contract Sum) of this Master Agreement.
3.3 Upon determination by County to solicit as-needed Services, the County will issue Work Orders to Qualified Contractors utilizing a competitive bidding process.

3.4 Upon determination by County to solicit emergency Services, it is County’s intent to issue Work Orders to Qualified Contractors on a rotational basis. The Department retains the sole discretion to issue a Work Order to any Qualified Contractor based on the emergency needs of the County.

3.5 The County’s procedures for issuing and executing Work Orders, see Exhibit F (Sample Work Order) to this Master Agreement, are generally as follows:

3.5.1 Upon determination by the County to issue a Work Order, the County will identify the Work to be performed and will issue a Work Order solicitation to Contractors who are qualified to perform the Work pursuant to Exhibit I (Contractor’s Service Category Checklist) to this Master Agreement. The Work Order solicitation will include a service summary outline describing the project and the Work required for the performance thereof.

3.5.2 Each interested Contractor shall submit a not-to-exceed, maximum price bid to the Department for the Work indicated on the Work Order solicitation by the timeframe specified on the Work Order solicitation. Work Order bids shall conform to Exhibit F (Sample Work Order) to this Master Agreement.

3.5.2.1 Contractor’s intentional gross underbidding or zero-cost bidding of a Work Order solicitation, for the sole purpose of securing a bid award, particularly, though not exclusively, for diagnostic Services (see Paragraph 3.5.6 of this Master Agreement), will be considered non-responsible and therefore, null and void, in County’s sole discretion.

3.5.3 To ensure Contractor is properly compensated for all Work provided, Contractor shall build into each Work Order bid, its fully burdened not-to-exceed maximum costs for the Work contemplated. (For purposes of this paragraph 3.5.3, ‘fully burdened’ means those non-Work Order operating expenses such as; administrative/clerical costs, material acquisition and handling, stocking and restocking fees, other operating costs as applicable.)

In accordance with Paragraph 5.4 (Invoices and Payments) of this Master Agreement, Contractor’s invoices to County shall include, among other things, the actual Work hours performed, for each employee providing Work under the subject Work Order. Invoices lacking all required information will not be approved by County for payment.
3.5.3.1 Contractor’s fully burdened not-to-exceed maximum Work Order bid pricing shall itemize, but not be limited to:
   a. Labor hours and hourly rates by employee classification (supervisor, heavy equipment operator, journey electrician, laborer, etc.);
   b. Heavy equipment fees (operating hours, fuel, etc.);
   c. Repair parts, components, and raw materials costs.

3.5.4 Response Time
   a. Non-Emergency:
      A non-emergency includes, but is not limited to, general/routine repairs, preventative maintenance, upgrades, inspection, testing and certification. Contractor shall respond by the timeframe specified on the Work Order solicitation from County. Upon County's approval of a bid, the selected Contractor shall provide onsite presence within three Business Days, or as otherwise mutually agreed.
   b. Emergency:
      The County defines an emergency as: any condition(s) constituting a threat to health, welfare, and/or the safety of people and/or property, or that will adversely affect one or more essential services as determined by the County, in its sole discretion. Contractor shall respond by the timeframe specified on the emergency Work Order solicitation from County. Delivery of Service and onsite presence shall begin within four hours of Contractor’s acceptance of a County-approved emergency Work Order, or as otherwise mutually agreed.

3.5.5 Upon review of non-emergency bid responses, the County will award a Work Order to the Contractor with the lowest cost responsive and responsible bid.

3.5.6 Prior to authorizing Work to commence, County may in its sole discretion require Contractor to clarify any itemized costs presented in the winning bid response and the manner in which they are presented. County reserves its sole right to question any line item of the bid response and, in consultation with Contractor, may request the removal of such line item along with a reduction to Contractor's not-to-exceed maximum bid.

3.5.7 In the event that the lowest cost responsive and responsible Contractor is not available to provide Service within the County's timeframe, the County, in its sole discretion, may request Services from the next lowest cost, responsive and responsible Contractor until the County's requirements are filled.
3.5.8 In cases where the County can neither describe the Work requirements, nor the problem or solution required to fix the problem, an initial Work Order will be issued to diagnose the problem. Upon Contractor diagnosing the problem and determining the cost of repairs, a supplemental Work Order will be negotiated with Contractor to perform and complete the repair if Contractor is determined to be qualified, in County’s Project Manager’s sole discretion, pursuant to Exhibit I (Contractor’s Service Category Checklist) to this Master Agreement.

3.5.9 After execution of a Work Order to diagnose the problem, if Contractor cannot determine the cause of the problem to effect repair of the electrical system, and would therefore require the removal or disassembly of the equipment to further diagnose and repair the system, a supplemental Work Order may be issued for the additional diagnostic Work. Only upon receiving an approved supplemental Work Order from County Project Manager may the Contractor proceed with the actual repairs.

3.5.10 If at any time Contractor cannot fulfill a Work Order, County Project Manager will proceed to another Qualified Contractor.

3.6 Failure of Contractor to provide a written response to, and any required documentation in accordance with, a Work Order solicitation, within its specified timeframe, shall disqualify Contractor from competing for the specified Work.

4.0 TERM OF MASTER AGREEMENT

4.1 The term of this Master Agreement shall commence upon execution by the Sheriff or his designee as authorized by the County Board of Supervisors and shall terminate on __________, unless sooner extended or terminated, in whole or in part, as provided in this Master Agreement.

4.2 The County shall have the sole discretion to extend the term of this Master Agreement for up to three additional three-year option periods, for a maximum total Master Agreement term not to exceed 12 years. Each such option period shall be exercised at the sole discretion of the Sheriff or his designee as authorized by the County Board of Supervisors, and shall be in the form of a written Amendment in accordance with Paragraph 8.1 (Amendments and Change Orders) of this Master Agreement.

4.3 The County maintains a database that tracks/monitors contractor performance history. Information entered into this database may be used for a variety of purposes, including determining whether County will exercise a Master Agreement option period.

4.4 Contractor shall notify the Department when this Master Agreement is within six months from the expiration of the term as provided for hereinabove. Upon occurrence of this event, Contractor shall send written
5.0 CONTRACT SUM

5.1 Contractor shall not be entitled to any payment by County under this Master Agreement except pursuant to validly executed and satisfactorily performed Work Orders. In each year of this Master Agreement, the total of all amounts actually expended by County hereunder ("maximum annual expenditures") may not exceed amounts allocated to the Sheriff’s Department by the County Board of Supervisors in their approved budgets. The County has sole discretion to expend some, all, or none of such budgeted amounts. The sum of such annual expenditures for the duration of this Master Agreement is the Contract Sum.

5.2 The Contractor shall not be entitled to payment or reimbursement for any tasks or services performed, nor for any incidental or administrative expenses whatsoever incurred in or incidental to performance hereunder, except as specified herein. Assumption or takeover of any of the Contractor’s duties, responsibilities, or obligations, or performance of same by any entity other than the Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever, shall occur only with the County’s express prior written approval.

5.3 No Payment for Services Provided Following Expiration/Termination of Master Agreement

5.3.1 Contractor shall have no claim against County for payment of any money or reimbursement, of any kind whatsoever, for any Service provided by Contractor after the expiration or other termination of this Master Agreement. Should Contractor receive any such payment it shall immediately notify County and shall immediately repay all such funds to County. Payment by County for services rendered after expiration/termination of this Master Agreement shall not constitute a waiver of County’s right to recover such payment from Contractor.

5.3.2 Notwithstanding the above, Contractor shall be entitled to payment for services that are satisfactorily completed after the expiration or other termination of this Master Agreement, provided that any such services are rendered pursuant to a Work Order that was validly executed during the term of this Master Agreement. This provision shall survive the expiration or other termination of this Master Agreement.

5.4 Invoices and Payments

5.4.1 The Contractor shall invoice the County only for providing the tasks, deliverables, services, and other Work specified in Attachment 1 (Statement of Work) to this Master Agreement and a
validly executed Work Order. The Contractor shall separately invoice the County for each Work Order.

5.4.2 Payment of invoices shall be subject to the not-to-exceed maximum price specified on each individual County-approved Work Order, less any amounts assessed in accordance with Paragraph 8.25 (Liquidated Damages) of this Master Agreement.

5.4.3 Contractor shall satisfactorily perform all Work and shall correct defective materials or workmanship prior to payment by Department for Work performed.

5.4.4 County shall not pay Contractor for any overtime premiums, travel expenses, meals, lodging, holidays, vacation, sick leave, per diem, or miscellaneous expenses, etc.

5.4.5 The Contractor shall submit an original invoice within ten Business Days after County’s acceptance of all completed Work to the County Project Manager at the address set forth in the Work Order.

5.4.6 County will submit payment to Contractor within 30 calendar days after a correct invoice has been approved for payment by the County Project Director.

5.4.7 All Work performed by, and all invoices submitted by, Contractor pursuant to Work Orders issued hereunder must receive the written approval of County Project Director and/or County Project Manager, who shall be responsible for a detailed evaluation of Contractor’s performance before approval of Work and/or payment of invoice(s) is permitted. All invoices submitted by the Contractor for payment must have the written approval of the County Project Director, prior to any payment thereof. In no event shall the County be liable or responsible for any payment prior to such written approval.

5.4.8 Invoice Content

The period of performance specified in Contractor’s invoice(s) must coincide with the period of performance specified in the applicable Work Order.

Each invoice submitted by the Contractor shall include the following:

- Invoice number;
- Invoice date;
- Contractor’s name, address, and telephone number;
- County Work Order number and Contractor’s Master Agreement number;

- The total amount of the invoice.

5.4.9 **Local Small Business Enterprises – Prompt Payment Program** (if applicable)

Certified Local Small Business Enterprises (LSBEs) will receive prompt payment for services they provide to County departments. Prompt payment is defined as 15 calendar days after receipt of an undisputed invoice.

5.5 **Default Method of Payment: Direct Deposit or Electronic Funds Transfer**

5.5.1 The County, at its sole discretion, has determined that the most efficient and secure default form of payment for goods and/or services provided under this Master Agreement with the County shall be Electronic Funds Transfer (EFT) or direct deposit, unless an alternative method of payment is deemed appropriate by the Auditor-Controller (A-C).

5.5.2 The Contractor shall submit a direct deposit authorization request via the website https://directdeposit.lacounty.gov with banking and vendor information, and any other information that the A-C determines is reasonably necessary to process the payment and comply with all accounting, record keeping, and tax reporting requirements.

5.5.3 Any provision of law, grant, or funding agreement requiring a specific form or method of payment other than EFT or direct deposit shall supersede this requirement with respect to those payments.

5.5.4 At any time during the duration of this Master Agreement, a Contractor may submit a written request for an exemption to this requirement. Such request must be based on specific legal, business or operational needs and explain why the payment method designated by the A-C is not feasible and an alternative is necessary. The A-C, in consultation with the contracting department(s), shall decide whether to approve exemption requests.

6.0 **ADMINISTRATION OF MASTER AGREEMENT – COUNTY**

7.3 Approval of Contractor's Staff

County has the absolute right to approve or disapprove all of Contractor’s staff and non-employee staff performing Work hereunder, and any proposed changes in Contractor's staff, including, but not limited to, Contractor’s Project Manager. Contractor shall provide County with a resume of each proposed substitute, and an opportunity to interview such person prior to any staff substitution, in County’s sole discretion.

7.4 Contractor’s Staff Identification

7.4.1 Contractor shall provide, at Contractor’s expense, all staff and non-employee staff providing Services under this Master Agreement with a photo identification badge.

7.5.1 At any time prior to or during the term of this Master Agreement, all Contractor staff, non-employee staff, subcontractors, and agents of Contractor (collectively herein “Contractor’s staff”) performing Services under this Master Agreement may be required to undergo and pass a background investigation to the satisfaction of County as a condition of beginning and continuing to perform Services under this Master Agreement. Such background investigation may include, but shall not be limited to, criminal conviction information obtained through a Driver License check or through fingerprints submitted to the California Department of Justice to include State, local and Federal-level review.

7.5.2 The County Project Director will schedule the background investigation with the Department’s Civilian Backgrounds Unit. The fees associated with the background investigation shall be at the expense of Contractor, regardless if the member of Contractor’s staff passes or fails the background investigation.

7.5.3 If a member of Contractor’s staff does not pass the background investigation, County may request that the member of Contractor’s staff be immediately removed from performing Services under this Master Agreement at any time during the term of this Master Agreement. County will not provide to Contractor or to Contractor’s staff any information obtained through County’s background investigation.

7.5.4 The County, in its sole discretion, may immediately deny or terminate facility access to any member of Contractor’s staff that does not pass such investigation to the satisfaction of the County or whose background or conduct is incompatible with County facility access. Contractor’s staff shall complete and sign
Exhibit K (Application for Access to Custody Facilities) to this Master Agreement, upon request by the County Project Manager, and prior to being permitted access to County facilities.

7.5.5 Disqualification of any member of Contractor's staff pursuant to this Paragraph 7.5 (Background and Security Investigations) of this Master Agreement shall not relieve Contractor of its obligation to complete all Work in accordance with the terms and conditions of this Master Agreement.

7.6 Confidentiality

7.6.1 Contractor shall maintain the confidentiality of all records and information in accordance with all applicable Federal, State and local laws, rules, regulations, ordinances, directives, guidelines, policies and procedures relating to confidentiality, including, without limitation, County policies concerning information technology security and the protection of confidential records and information.

Any legal defense pursuant to Contractor's indemnification obligations under this Paragraph 7.6 (Confidentiality) of this Master Agreement shall be conducted by Contractor and performed by counsel selected by Contractor and approved by County. Notwithstanding the preceding sentence, County shall have the right to participate in any such defense at its sole cost and expense, except that in the event Contractor fails to provide County with a full and adequate defense, as determined by County in its sole judgment, County shall be entitled to retain its own counsel, including, without limitation, County Counsel, and reimbursement from Contractor for all such costs and expenses incurred by County in doing so. Contractor shall not have the right to enter into any settlement, agree to any injunction, or make any admission, in each case, on behalf of County without County's prior written approval.

8.0 STANDARD TERMS AND CONDITIONS

8.1 Change Orders and Amendments

8.1.1 The County Board of Supervisors or Chief Executive Officer or designee may require the addition and/or change of certain terms and conditions in this Master Agreement during the term of this Master Agreement. The County reserves the right to add and/or change such provisions as required by the County Board of Supervisors or Chief Executive Officer. To implement such orders, an Amendment to this Master Agreement shall be prepared and executed by the Contractor and by the Sheriff or his designee.

8.1.2 For any change which does not materially affect the scope of Work, term, price, payments, or any other term or condition of this Master Agreement, a Change Order to this Master Agreement shall be executed by the County Project Director and Contractor’s Project Manager.

8.1.3 For any change which materially affects the scope of Work, term, price, payments, or any other term or condition of this Master Agreement, an Amendment to this Master Agreement shall be executed by the Contractor and the County Board of Supervisors.

8.1.4 Notwithstanding Paragraphs 8.1.1 through 8.1.3 above, for (1) any option term extension of this Master Agreement, or (2) modifications pursuant to Paragraph 8.2 (Assignment and Delegation/Mergers or Acquisitions), an Amendment to this Master Agreement shall be executed by Contractor and Sheriff or his designee.

8.1.5 Notwithstanding Paragraphs 8.1.1 through 8.1.4 above, for any change which materially affects the scope of Work, period of performance, or price for a validly executed Work Order, a Change Order to the Work Order shall be executed by the County Project Director and Contractor’s Project Manager.

8.2 Assignment and Delegation/Mergers or Acquisitions

8.2.1 The Contractor shall notify the County of any pending acquisitions/mergers of its company unless otherwise legally prohibited from doing so. If the Contractor is restricted from legally notifying the County of pending acquisitions/mergers, then it should notify the County of the actual acquisitions/mergers as soon as the law allows and provide to the County the legal framework that restricted it from notifying the County prior to the actual acquisitions/mergers.
8.2.2 The Contractor shall not assign its rights or delegate its duties under this Master Agreement, or both, whether in whole or in part, without the prior written consent of County, in its discretion, and any attempted assignment or delegation without such consent shall be null and void. For purposes of this Paragraph, County consent shall require a written Amendment to this Master Agreement, which is formally approved and executed by the parties. Any payments by the County to any approved delegate or assignee on any claim under this Master Agreement shall be deductible, at County’s sole discretion, against the claims, which the Contractor may have against the County.

8.2.3 Shareholders, partners, members, or other equity holders of Contractor may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of Contractor to any person(s), corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of this Master Agreement, such disposition is an assignment requiring the prior written consent of County in accordance with applicable provisions of this Master Agreement.

8.2.4 Any assumption, assignment, delegation, or takeover of any of the Contractor’s duties, responsibilities, obligations, or performance of same by any entity other than the Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without County’s express prior written approval, shall be a material breach of this Master Agreement which may result in the termination of this Master Agreement. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.

8.3 Authorization Warranty

The Contractor represents and warrants that the person executing this Master Agreement for the Contractor is an authorized agent who has actual authority to bind the Contractor to each and every term, condition, and obligation of this Master Agreement and that all requirements of the Contractor have been fulfilled to provide such actual authority.

8.4 Complaints

The Contractor shall develop, maintain and operate procedures for receiving, investigating, and responding to complaints.

8.4.1 Within ten Business Days after this Master Agreement effective date, the Contractor shall provide the County with the Contractor's
policy for receiving, investigating and responding to user complaints.

8.4.2 The County will review the Contractor’s policy and provide the Contractor with approval of said plan or with requested changes.

8.4.3 If the County requests changes in the Contractor’s policy, the Contractor shall make such changes and resubmit the plan within ten Business Days for County approval.

8.4.4 If, at any time, the Contractor wishes to change the Contractor’s policy, the Contractor shall submit proposed changes to the County for approval before implementation.

8.4.5 The Contractor shall preliminarily investigate all complaints and notify the County Project Manager of the status of the investigation within ten Business Days of receiving the complaint.

8.4.6 When complaints cannot be resolved informally, a system of follow-through shall be instituted which adheres to formal plans for specific actions and strict time deadlines.

8.4.7 Copies of all written responses shall be sent to the County Project Manager within ten Business Days of mailing to the complainant.

8.5 **Compliance with Applicable Laws**

8.5.1 In the performance of this Master Agreement, Contractor shall comply with all applicable Federal, State and local laws, rules, regulations, ordinances, directives, guidelines, policies and procedures, and all provisions required thereby to be included in this Master Agreement are hereby incorporated herein by reference.

8.5.2 Contractor shall indemnify, defend, and hold harmless County, its officers, employees, and agents, from and against any and all claims, demands, damages, liabilities, losses, costs, and expenses, including, without limitation, defense costs and legal, accounting and other expert, consulting or professional fees, arising from, connected with, or related to any failure by Contractor, its officers, employees, agents, or subcontractors, to comply with any such laws, rules, regulations, ordinances, directives, guidelines, policies, or procedures, as determined by County in its sole judgment. Any legal defense pursuant to Contractor’s indemnification obligations under this Paragraph 8.5 (Compliance with Applicable Laws) of this Master Agreement shall be conducted by Contractor and performed by counsel selected by Contractor and approved by County. Notwithstanding the preceding sentence, County shall have the right to participate in any such defense at its sole cost and expense, except that in the event Contractor fails to provide County with a full and adequate defense, as determined by County in its sole judgment, County
shall be entitled to retain its own counsel, including, without limitation, County Counsel, and reimbursement from Contractor for all such costs and expenses incurred by County in doing so. Contractor shall not have the right to enter into any settlement, agree to any injunction or other equitable relief, or make any admission, in each case, on behalf of County without County’s prior written approval.

8.6 Compliance with Civil Rights Laws
The Contractor hereby assures that it will comply with Subchapter VI of the Civil Rights Act of 1964, 42 USC Sections 2000 (e) (1) through 2000 (e) (17), to the end that no person shall, on the grounds of race, creed, color, sex, religion, ancestry, age, condition of physical handicap, marital status, political affiliation, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Master Agreement or under any project, program, or activity supported by this Master Agreement. The Contractor shall comply with Exhibit C (Contractor’s EEO Certification) to this Master Agreement.

8.7 Compliance with County’s Jury Service Program

8.7.1 Jury Service Program
This Master Agreement is subject to the provisions of the County’s ordinance entitled Contractor Employee Jury Service (“Jury Service Program”) as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code, a copy of which is attached as Exhibit D (Jury Service Ordinance) and incorporated by reference into and made part to this Master Agreement.

8.7.2 Written Employee Jury Service Policy
1. Unless Contractor has demonstrated to the County’s satisfaction either that Contractor is not a “Contractor” as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five calendar days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee’s regular pay the fees received for jury service.

2. For purposes of this Paragraph, “Contractor” means a person, partnership, corporation or other entity which has a Master Agreement with the County or a subcontract with a County
Contractor and has received or will receive an aggregate sum of $50,000 or more in any 12-month period under one or more County Master Agreements or subcontracts. “Employee” means any California resident who is a full time employee of Contractor. “Full-time” means 40 hours or more worked per week, or a lesser number of hours if: (1) the lesser number is a recognized industry standard as determined by the County, or, (2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 calendar days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for the County under this Master Agreement, the subcontractor shall also be subject to the provisions of this Paragraph. The provisions of this Paragraph shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the agreement.

3. If Contractor is not required to comply with the Jury Service Program when this Master Agreement commences, Contractor shall have a continuing obligation to review the applicability of its “exception status” from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program’s definition of “Contractor” or if Contractor no longer qualifies for an exception to the Jury Service Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during this Master Agreement and at its sole discretion, that Contractor demonstrate to the County’s satisfaction that Contractor either continues to remain outside of the Jury Service Program’s definition of “Contractor” and/or that Contractor continues to qualify for an exception to the Program.

4. Contractor’s violation of this Paragraph 8.7.2 (Written Employee Jury Service Policy) may constitute a material breach of this Master Agreement. In the event of such material breach, County may, in its sole discretion, terminate this Master Agreement and/or bar Contractor from the award of future County Master Agreements for a period of time consistent with the seriousness of the breach.

8.8 Conflict of Interest

8.8.1 No County employee whose position with the County enables such employee to influence the award of this Master Agreement or any competing Master Agreement, and no spouse or economic
dependent of such employee, shall be employed in any capacity by
the Contractor or have any other direct or indirect financial interest
in this Master Agreement. No officer or employee of the Contractor
who may financially benefit from the performance of Work
hereunder shall in any way participate in the County’s approval, or
ongoing evaluation, of such Work, or in any way attempt to
unlawfully influence the County’s approval or ongoing evaluation of
such Work.

8.8.2 The Contractor shall comply with all conflict of interest laws,
ordinances, and regulations now in effect or hereafter to be
enacted during the term of this Master Agreement. The
Contractor warrants that it is not now aware of any facts that
create a conflict of interest. If the Contractor hereafter becomes
aware of any facts that might reasonably be expected to create a
conflict of interest, it shall immediately make full written disclosure
of such facts to the County. Full written disclosure shall include,
but is not limited to, identification of all persons implicated and a
complete description of all relevant circumstances. Failure to
comply with the provisions of this Paragraph 8.8 (Conflict of
Interest) shall be a material breach of this Master Agreement.

8.9 Consideration of Hiring County Employees Targeted for Layoff or Re-
employment

Should the Contractor require additional or replacement personnel after the
effective date of this Master Agreement to perform the services set forth
herein, the Contractor shall give first consideration for such employment
openings to qualified, permanent County employees who are targeted for
layoff or qualified, former County employees who are on a re-employment
list during the life of this Master Agreement.

8.10 Consideration of Hiring GAIN/GROW Participants

8.10.1 Should the Contractor require additional or replacement
personnel after the effective date of this Master Agreement,
the Contractor shall give consideration for any such
employment openings to participants in the County's
Department of Public Social Services Greater Avenues for
Independence (GAIN) Program or General Relief Opportunity
for Work (GROW) Program who meet the Contractor’s
minimum qualifications for the open position. For this
purpose, consideration shall mean that the Contractor will
interview qualified candidates. The County will refer
GAIN/GROW participants by job category to the Contractor.
Contractors shall report all job openings with job
requirements to: GAINGROW@DPSS.LACOUNTY.GOV
and BSERVICES@WDACS.LACOUNTY.GOV and DPSS
will refer qualified GAIN/GROW job candidates.
8.10.2 In the event that both laid-off County employees and GAIN/GROW participants are available for hiring, County employees shall be given first priority.

8.11 Contractor Responsibility and Debarment

8.11.1 Responsible Contractor

A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform this Master Agreement. It is the County’s policy to conduct business only with responsible Contractors.

8.11.2 Chapter 2.202 of the County Code

The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Contractor on this or other Master Agreements which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in this Master Agreement, debar the Contractor from bidding or proposing on, or being awarded, and/or performing Work on County contracts for a specified period of time, which generally will not exceed five years but may exceed five years or be permanent if warranted by the circumstances, and terminate any or all existing Contracts the Contractor may have with the County.

8.11.3 Non-responsible Contractor

The County may debar a Contractor if the County Board of Supervisors finds, in its discretion, that the Contractor has done any of the following: (1) violated a term of a Master Agreement with the County or a nonprofit corporation created by the County, (2) committed an act or omission which negatively reflects on the Contractor’s quality, fitness or capacity to perform a Master Agreement with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County or any other public entity.

8.11.4 Contractor Hearing Board

1. If there is evidence that the Contractor may be subject to debarment, the Department will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.
2. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor’s representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the County Board of Supervisors.

3. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board shall be presented to the County Board of Supervisors. The County Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

4. If a Contractor has been debarred for a period longer than five years, that Contractor may after the debarment has been in effect for at least five years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.

5. The Contractor Hearing Board will consider a request for review of a debarment determination only where (1) the Contractor has been debarred for a period longer than five years; (2) the debarment has been in effect for at least five years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request
for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

6. The Contractor Hearing Board’s proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the County Board of Supervisors. The County Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

8.11.5 Subcontractors of Contractor

These terms shall also apply to subcontractors of County Contractors.

8.12 Contractor’s Acknowledgement of County’s Commitment to Safely Surrendered Baby Law

The Contractor acknowledges that the County places a high priority on the implementation of the Safely Surrendered Baby Law. The Contractor understands that it is the County’s policy to encourage all County Contractors to voluntarily post the County’s “Safely Surrendered Baby Law” poster, Exhibit E (Safely Surrendered Baby Law), in a prominent position at the Contractor’s place of business. The Contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor’s place of business. Information and posters for printing are available at www.babysafela.org.

8.13 Contractor’s Warranty of Adherence to County’s Child Support Compliance Program

8.13.1 The Contractor acknowledges that the County has established a goal of ensuring that all individuals who benefit financially from the County through Purchase Order or Master Agreement are in compliance with their court-ordered child, family and spousal support obligations in order to mitigate the economic burden otherwise imposed upon the County and its taxpayers.

8.13.2 As required by the County’s Child Support Compliance Program (County Code Chapter 2.200) and without limiting the Contractor’s duty under this Master Agreement to comply with all applicable provisions of law, the Contractor warrants that it is now in compliance and shall during the term of this Master Agreement maintain in compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and shall implement all lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child,
Family or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

8.14 County’s Quality Assurance Plan

The County or its agent(s) will monitor the Contractor’s performance under this Master Agreement on not less than an annual basis. Such monitoring will include assessing the Contractor’s compliance with all Master Agreement terms and conditions and performance standards. Contractor deficiencies which the County determines are significant or continuing and that may place performance of this Master Agreement in jeopardy if not corrected will be reported to the County Board of Supervisors and listed in the appropriate Contractor performance database. The report to the County Board of Supervisors will include improvement/corrective action measures taken by the County and the Contractor. If improvement does not occur consistent with the corrective action measures, the County may terminate this Master Agreement or impose other penalties as specified in this Master Agreement.

8.15 Damage to County Facilities, Buildings or Grounds

8.15.1 Contractor shall repair, or cause to be repaired, at its own cost, any and all damage to County facilities, buildings, or grounds caused by Contractor or employees or agents of Contractor. Such repairs shall be made immediately after Contractor has become aware of such damage, but in no event later than 30 calendar days after the occurrence.

8.15.2 If Contractor fails to make timely repairs, County may make any necessary repairs. All costs incurred by County, as determined by County, for such repairs shall be repaid by Contractor by cash payment upon demand.

8.16 Employment Eligibility Verification

8.16.1 The Contractor warrants that it fully complies with all Federal and State statutes and regulations regarding the employment of aliens and others and that all its employees performing Work under this Master Agreement meet the citizenship or alien status requirements set forth in Federal and State statutes and regulations. The Contractor shall obtain, from all employees performing Work hereunder, all verification and other documentation of employment eligibility status required by Federal and State statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986, (P.L. 99-603), or as they currently exist and as they may be hereafter amended. The Contractor shall retain all such documentation for all covered employees for the period prescribed by law.

8.16.2 The Contractor shall indemnify, defend, and hold harmless, the County, its agents, officers, and employees from employer
sanctions and any other liability which may be assessed against the Contractor or the County or both in connection with any alleged violation of any Federal or State statutes or regulations pertaining to the eligibility for employment of any persons performing Work under this Master Agreement.

8.17 Facsimile Representations
The County and the Contractor hereby agree to regard facsimile representations of original signatures of authorized officers of each party, when appearing in appropriate places on Change Orders and Amendments prepared pursuant to Paragraph 8.1 (Change Orders and Amendments) of this Master Agreement, and received via communications facilities, as legally sufficient evidence that such original signatures have been affixed to Change Orders and Amendments to this Master Agreement, such that the parties need not follow up facsimile transmissions of such documents with subsequent (non-facsimile) transmission of “original” versions of such documents.

8.18 Fair Labor Standards
The Contractor shall comply with all applicable provisions of the Federal Fair Labor Standards Act and shall indemnify, defend, and hold harmless the County and its agents, officers, and employees from any and all liability, including, but not limited to, wages, overtime pay, liquidated damages, penalties, court costs, and attorneys’ fees arising under any wage and hour law, including, but not limited to, the Federal Fair Labor Standards Act, for Work performed by the Contractor’s employees for which the County may be found jointly or solely liable.

8.19 Force Majeure
8.19.1 Neither party shall be liable for such party’s failure to perform its obligations under and in accordance with this Master Agreement, if such failure arises out of fires, floods, earthquakes, epidemics, pandemics, quarantine restrictions, and other natural occurrences; strikes, lockouts (other than a lockout by such party or any of such party’s subcontractors), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this Paragraph as “force majeure events”).

8.19.2 Notwithstanding the foregoing, a default by a subcontractor of Contractor shall not constitute a force majeure event, unless such default arises out of causes beyond the control of both Contractor and such subcontractor, and without any fault or negligence of either of them. In such case, Contractor shall not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient
time to permit Contractor to meet the required performance schedule. As used in this Paragraph, the term “subcontractor” and “subcontractors” mean subcontractors at any tier.

8.19.3 In the event Contractor's failure to perform arises out of a force majeure event, Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

8.20 Governing Law, Jurisdiction, and Venue

This Master Agreement shall be governed by, and construed in accordance with, the laws of the State of California. The Contractor agrees and consents to the exclusive jurisdiction of the courts of the State of California for all purposes regarding this Master Agreement and further agrees and consents that venue of any action brought hereunder shall be exclusively in the County of Los Angeles.

8.21 Independent Contractor Status

8.21.1 This Master Agreement is by and between the County and the Contractor and is not intended, and shall not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association, as between the County and the Contractor. The employees and agents of one party shall not be, or be construed to be, the employees or agents of the other party for any purpose whatsoever.

8.21.2 The Contractor shall be solely liable and responsible for providing to, or on behalf of, all persons performing Work pursuant to this Master Agreement all compensation and benefits. The County shall have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, Federal, State, or local taxes, or other compensation, benefits, or taxes for any personnel provided by or on behalf of the Contractor.

8.21.3 The Contractor understands and agrees that all persons performing Work pursuant to this Master Agreement are, for purposes of Workers' Compensation liability, solely employees of the Contractor and not employees of the County. The Contractor shall be solely liable and responsible for furnishing any and all Workers' Compensation benefits to any person as a result of any injuries arising from or connected with any Work performed by or on behalf of the Contractor pursuant to this Master Agreement.

8.21.4 The Contractor shall adhere to the provisions stated in Paragraph 7.6 (Confidentiality) of this Master Agreement.
8.22 **Indemnification**

The Contractor shall indemnify, defend and hold harmless the County, its Special Districts, elected and appointed officers, employees, agents and volunteers (“County Indemnitees”) from and against any and all liability, including but not limited to demands, claims, actions, fees, costs and expenses (including attorney and expert witness fees), arising from and/or relating to this Master Agreement, except for such loss or damage arising from the sole negligence or willful misconduct of the County Indemnitees.

8.23 **General Provisions for all Insurance Coverage**

Without limiting Contractor’s indemnification of County, and in the performance of this Master Agreement and until all of its obligations pursuant to this Master Agreement have been met, Contractor shall provide and maintain at its own expense insurance coverage satisfying the requirements specified in this Paragraph 8.23 (General Provisions for all Insurance Coverage) and Paragraph 8.24 (Insurance Coverage) of this Master Agreement. These minimum insurance coverage terms, types and limits (the “Required Insurance”) also are in addition to and separate from any other contractual obligation imposed upon Contractor pursuant to this Master Agreement. The County in no way warrants that the Required Insurance is sufficient to protect the Contractor for liabilities which may arise from or relate to this Master Agreement.

8.23.1 **Evidence of Coverage and Notice to County**

- Certificate(s) of insurance coverage (Certificate) satisfactory to County, and a copy of an Additional Insured endorsement confirming County and its Agents (defined below) has been given Insured status under the Contractor’s General Liability policy, shall be delivered to County at the address shown below and provided prior to commencing services under this Master Agreement.

- Renewal Certificates shall be provided to County not less than ten calendar days prior to Contractor’s policy expiration dates. The County reserves the right to obtain complete, certified copies of any required Contractor and/or subcontractor insurance policies at any time.

- Certificates shall identify all Required Insurance coverage types and limits specified herein, reference this Master Agreement by name or number, and be signed by an authorized representative of the insurer(s). The Insured party named on the Certificate shall match the name of the Contractor identified as the contracting party in this Master Agreement. Certificates shall provide the full name of each insurer providing coverage, its NAIC (National Association of Insurance Commissioners) identification number, its financial
rating, the amounts of any policy deductibles or self-insured retentions exceeding fifty thousand ($50,000.00) dollars, and list any County required endorsement forms.

Certificates and copies of any required endorsements shall be sent to the County Contract Compliance Manager listed in Exhibit A (County’s Administration) to this Master Agreement.

Contractor also shall promptly report to County any injury or property damage accident or incident, including any injury to a Contractor employee occurring on County property, and any loss, disappearance, destruction, misuse, or theft of County property, monies or securities entrusted to Contractor. 8.23.4 Failure to Maintain Insurance

Contractor's failure to maintain or to provide acceptable evidence that it maintains the Required Insurance shall constitute a material breach of this Master Agreement, upon which County immediately may withhold payments due to Contractor, and/or suspend or terminate this Master Agreement. Alternatively, the County may purchase the Required Insurance, and without further notice to Contractor, deduct the premium cost from sums due to Contractor or pursue Contractor reimbursement.

8.23.9 Deductibles and Self-Insured Retentions (SIRs)
Contractor’s policies shall not obligate the County to pay any portion of any Contractor deductible or SIR. The County retains the right to require Contractor to reduce or eliminate policy deductibles and SIRs as respects the County, or to provide a bond guaranteeing Contractor’s payment of all deductibles and SIRs, including all related claims investigation, administration and defense expenses. Such bond shall be executed by a corporate surety licensed to transact business in the State of California.

Should the Contractor fail to correct deficiencies within said time frame, the County Project Director may:

(a) Deduct from the Contractor's payment, pro rata, those applicable portions of the monthly contract sum; and/or

Said amount shall be deducted from the County's payment to the Contractor; and/or

(c) Upon giving five calendar days notice to the Contractor for failure to correct the deficiencies, the County may correct any and all deficiencies and the total costs incurred by the County for completion of the Work by an alternate source, whether it be County forces or separate private contractor, will be deducted and forfeited from the payment to the Contractor from the County, as determined by the County.

8.25.3 The action noted in Paragraph 8.25.2 above, shall not be construed as a penalty, but as adjustment of payment to the Contractor to recover the County cost due to the failure of the Contractor to complete or comply with the provisions of this Master Agreement.

8.25.4 This Paragraph shall not, in any manner, restrict or limit the County's right to damages for any breach of this Master Agreement provided by law or as specified in Paragraph 8.25.2 above, and shall not, in any manner, restrict or limit the County's right to terminate this Master Agreement as agreed to herein.

8.27.7 If the County finds that any provisions of this Paragraph 8.27 (Nondiscrimination and Affirmative Action) of this Master Agreement have been violated, such violation shall constitute a material breach of this Master Agreement upon which the County may terminate or suspend this Master Agreement. While the County reserves the right to determine independently that the anti-discrimination provisions of this Master Agreement have been violated, in addition, a determination by the California Fair Employment and Housing Commission or the Federal Equal Employment Opportunity Commission that the Contractor has violated Federal or State anti-discrimination laws or regulations shall constitute a finding by the County that the Contractor has violated the anti-discrimination provisions of this Master Agreement.

8.27.8 The parties agree that in the event the Contractor violates any of the anti-discrimination provisions of this Master Agreement, the County shall, at its sole option, be entitled to the sum of Five Hundred Dollars for each such violation pursuant to California Civil Code Section 1671 as liquidated damages in lieu of terminating or suspending this Master Agreement.

All such documents become a matter of public record and shall be regarded as public records. Exceptions will be those elements in the California Government Code Section 6250 et seq. The County shall not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.
8.35.2 In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of an SOQ marked “trade secret”, “confidential”, or “proprietary”, the Contractor agrees to defend and indemnify the County from all costs and expenses, including reasonable attorney’s fees, in action or liability arising under the Public Records Act.

five years thereafter unless the County’s written permission is given to dispose of any such material prior to such time. All such material shall be maintained by the Contractor at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then, at the County’s option, the Contractor shall pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such material at such other location.

8.37.1 In the event that an audit of the Contractor is conducted specifically regarding this Master Agreement by any Federal or State auditor, or by any auditor or accountant employed by the Contractor or otherwise, then the Contractor shall file a copy of such audit report with the County’s Auditor-Controller within 30 calendar days of the Contractor’s receipt thereof, unless otherwise provided by applicable Federal or State law or under this Master Agreement. The County shall make a reasonable effort to maintain the confidentiality of such audit report(s).

8.37.2 Failure on the part of the Contractor to comply with any of the provisions of this Paragraph 8.37 (Record Retention and Inspection-Audit Settlement) of this Master Agreement shall constitute a material breach of this Master Agreement upon which the County may terminate or suspend this Master Agreement.

8.37.3 If, at any time during the term of this Master Agreement or within five years after the expiration or termination of this Master Agreement, representatives of the County may conduct an audit of the Contractor regarding the Work performed under this Master Agreement, and if such audit finds that the County’s dollar liability for any such Work is less than payments made by the County to the Contractor, then the difference shall be either: a) repaid by the Contractor to the County by cash payment upon demand or b) at the sole option of the County’s Auditor-Controller, deducted from any amounts due to the Contractor from the County, whether under this Master Agreement or otherwise. If such audit finds that the County’s dollar liability for such Work is more than the payments made by the County to the Contractor, then the difference shall be paid to the Contractor by the County by cash payment, provided that in no event shall the County’s maximum obligation for this Master Agreement exceed the funds appropriated by the County for the purpose of this Master Agreement.

8.38 Recycled Bond Paper

Consistent with the County Board of Supervisors’ policy to reduce the amount of solid waste deposited at the County landfills, the Contractor agrees to use recycled-content paper to the maximum extent possible on this Master Agreement.
8.39 Subcontracting

8.39.1 The requirements of this Master Agreement may not be subcontracted by the Contractor without the advance approval of the County. Any attempt by the Contractor to subcontract without the prior consent of the County may be deemed a material breach of this Master Agreement.

- A description of the Work to be performed by the subcontractor;
- A draft copy of the proposed subcontract; and
- Other pertinent information and/or certifications requested by the County.

8.39.3 The Contractor shall indemnify and hold the County harmless with respect to the activities of each and every subcontractor in the same manner and to the same degree as if such subcontractor(s) were Contractor employees.

8.39.4 The Contractor shall remain fully responsible for all performances required of it under this Master Agreement, including those that the Contractor has determined to subcontract, notwithstanding the County’s approval of the Contractor’s proposed subcontract.

8.39.5 The County’s consent to subcontract shall not waive the County’s right to prior and continuing approval of any and all personnel, including subcontractor employees, providing services under this Master Agreement. The Contractor is responsible to notify its subcontractors of this County right.

8.39.6 The County Project Director is authorized to act for and on behalf of the County with respect to approval of any subcontract and subcontractor employees. After approval of the subcontract by the County, Contractor shall forward a fully executed subcontract to the County for their files.

8.39.7 The Contractor shall be solely liable and responsible for all payments or other compensation to all subcontractors and their officers, employees, agents, and successors in interest arising through services performed hereunder, notwithstanding the County’s consent to subcontract.

8.39.8 The Contractor shall obtain certificates of insurance, which establish that the subcontractor maintains all the programs of insurance required by the County from each approved subcontractor. The Contractor shall ensure delivery of all such documents to the County Contract Compliance Manager as listed in Exhibit A (County’s Administration) to this Master Agreement,
before any subcontractor employee may perform any Work hereunder.

Failure of the Contractor to maintain compliance with the requirements set forth in Paragraph 8.13 (Contractor’s Warranty of Adherence to County’s Child Support Compliance Program) of this Master Agreement shall constitute a default under this Master Agreement. Without limiting the rights and remedies available to the County under any other provision of this Master Agreement, failure of Contractor to cure such default within 90 calendar days of written notice shall be grounds upon which the County may terminate this Master Agreement pursuant to Paragraph 8.42 (Termination for Default) of this Master Agreement and pursue debarment of Contractor, pursuant to County Code Chapter 2.202.

8.41 Termination for Convenience

8.41.1 County may terminate this Master Agreement, and any Work Order issued hereunder, in whole or in part, from time to time or permanently, when such action is deemed by the County, in its sole discretion, to be in its best interest. Termination of Work hereunder shall be effected by notice of termination to Contractor specifying the extent to which performance of Work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be no less than ten calendar days after the notice is sent.

8.41.2 Upon receipt of a notice of termination and except as otherwise directed by the County, the Contractor shall immediately:

- Stop Work under the Work Order or under this Master Agreement, as identified in such notice;
- Transfer title and deliver to County all completed Work and Work in process; and
- Complete performance of such part of the Work as shall not have been terminated by such notice.

8.42.2 In the event that the County terminates this Master Agreement in whole or in part as provided in Paragraph 8.42.1 above, the County may procure, upon such terms and in such manner as the County may deem appropriate, goods and services similar to those so terminated. The Contractor shall be liable to the County for any and all excess costs incurred by the County, as determined by the County, for such similar goods and services. The Contractor shall continue the performance of this Master Agreement to the extent not terminated under the provisions of this Paragraph.

8.42.3 Except with respect to defaults of any subcontractor, the Contractor shall not be liable for any such excess costs of the type identified in Paragraph 8.42.2 above, if its failure to perform this Master Agreement, including any Work Order issued hereunder, arises out of causes beyond the control and without the fault or negligence of the Contractor. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Contractor. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both the Contractor and subcontractor, and without the fault or negligence of either of them, the Contractor shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule. As used in this Paragraph 8.42.3, the terms "subcontractor" and "subcontractors" mean subcontractor(s) at any tier.
8.42.4 If, after the County has given notice of termination under the provisions of this Paragraph 8.42 (Termination for Default) of this Master Agreement, it is determined by the County that the Contractor was not in default under the provisions of this Paragraph 8.42 (Termination for Default) of this Master Agreement, or that the default was excusable under the provisions of Paragraph 8.42.3 above, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Paragraph 8.41 (Termination for Convenience) of this Master Agreement.

8.42.5 The rights and remedies of the County provided in this Paragraph 8.42 (Termination for Default) of this Master Agreement shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Master Agreement.

8.43 Termination for Improper Consideration

8.43.1 The County may, by written notice to the Contractor, immediately terminate the right of the Contractor to proceed under this Master Agreement if it is found that consideration, in any form, was offered or given by the Contractor, either directly or through an intermediary, to any County officer, employee, or agent with the intent of securing this Master Agreement or securing favorable treatment with respect to the award, amendment, or extension of this Master Agreement or the making of any determinations with respect to the Contractor’s performance pursuant to this Master Agreement. In the event of such termination, the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.

8.43.2 The Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.

8.45 Termination for Non-Adherence of County Lobbyist Ordinance

The Contractor, and each County Lobbyist or County Lobbying firm as defined in County Code Section 2.160.010 retained by the Contractor, shall fully comply with the County’s Lobbyist Ordinance, County Code Chapter 2.160. Failure on the part of the Contractor or any County Lobbyist or County Lobbying firm retained by the Contractor to fully comply with the County’s Lobbyist Ordinance shall constitute a material breach of this Master Agreement, upon which the County may in its sole discretion, immediately terminate or suspend this Master Agreement.

8.46 Termination for Non-Appropriation of Funds

Notwithstanding any other provision of this Master Agreement, the County shall not be obligated for the Contractor’s performance hereunder or by any provision of this Master Agreement during any of the County’s future fiscal years unless and until the County Board of Supervisors appropriates funds for this Master Agreement in the County’s Budget for each such future fiscal year. In the event that funds are not appropriated for this Master Agreement, then this Master Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. The County shall notify the Contractor in writing of any such non-allocation of funds at the earliest possible date.

8.47 Validity

If any provision of this Master Agreement or the application thereof to any person or circumstance is held invalid, the remainder of this Master Agreement and the application of such provision to other persons or circumstances shall not be affected thereby.

8.48 Waiver

No waiver by the County of any breach of any provision of this Master Agreement shall constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Master Agreement shall not be construed as a waiver
thereof. The rights and remedies set forth in this Paragraph 8.48 (Waiver) shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Master Agreement.

8.49 Warranty Against Contingent Fees

8.49.1 The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Master Agreement upon any agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business.

8.50.2 Unless Contractor qualifies for an exemption or exclusion, Contractor warrants and certifies that to the best of its knowledge it is now in compliance, and during the term of this Master Agreement will maintain compliance, with Los Angeles County Code Chapter 2.206.

8.51 Termination for Breach of Warranty to Maintain Compliance with County’s Defaulted Property Tax Reduction Program

Failure of Contractor to maintain compliance with the requirements set forth in Paragraph 8.50 (Warranty of Compliance with County’s Defaulted Property Tax Reduction Program) shall constitute default under this Master Agreement. Without limiting the rights and remedies available to County under any other provision of this Master Agreement, failure of Contractor to cure such default within ten calendar days of notice shall be grounds upon which County may terminate this Master Agreement and/or pursue debarment of Contractor, pursuant to County Code Chapter 2.206.

8.52 Time off For Voting

The Contractor shall notify its employees, and shall require each subcontractor to notify and provide to its employees, information regarding the time off for voting law (Elections Code Section 14000). Not less than
ten calendar days before every statewide election, every Contractor and subcontractors shall keep posted conspicuously at the place of Work, if practicable, or elsewhere where it can be seen as employees come or go to their place of Work, a notice setting forth the provisions of Section 14000.

8.53 Compliance with County’s Zero Tolerance Policy on Human Trafficking

8.53.1 Contractor acknowledges that the County has established a Zero Tolerance Policy on Human Trafficking prohibiting Contractors from engaging in human trafficking.

8.53.2 If a Contractor or member of Contractor’s staff is convicted of a human trafficking offense, the County shall require that the Contractor or member of Contractor’s staff be removed immediately from performing services under this Master Agreement. County will not be under any obligation to disclose confidential information regarding the offenses other than those required by law.

8.53.3 Disqualification of any member of Contractor’s staff pursuant to this Paragraph 8.53 (Compliance with County’s Zero Tolerance Policy on Human Trafficking) of this Master Agreement shall not relieve Contractor of its obligation to complete all Work in accordance with the terms and conditions of this Master Agreement.

8.54 Intentionally Omitted

8.55 Compliance with Fair Chance Employment Practices

Contractor shall comply with fair chance employment hiring practices set forth in California Government Code Section 12952, Employment Discrimination: Conviction History. Contractor’s violation of this Paragraph 8.55 (Compliance with Fair Chance Employment Practices) of this Master Agreement may constitute a material breach of this Master Agreement. In the event of such material breach, County may, in its sole discretion, terminate this Master Agreement.

8.56 Compliance with the County Policy of Equity

The Contractor acknowledges that the County takes its commitment to preserving the dignity and professionalism of the workplace very seriously, as set forth in the County Policy of Equity (CPOE) (https://ceop.lacounty.gov/). The Contractor further acknowledges that the County strives to provide a workplace free from discrimination, harassment, retaliation and inappropriate conduct based on a protected characteristic, and which may violate the CPOE. The Contractor, its employees and subcontractors acknowledge and certify receipt and understanding of the CPOE. Failure of the Contractor, its employees or its subcontractors to uphold the County’s expectations of a workplace free from harassment and discrimination, including inappropriate conduct
based on a protected characteristic, may subject the Contractor to termination of contractual agreements as well as civil liability.

8.57 Prohibition from Participation in Future Solicitation(s)

A Proposer, or a Contractor or its subsidiary or Subcontractor ("Proposer/Contractor"), is prohibited from submitting a bid or proposal in a County solicitation if the Proposer/Contractor has provided advice or consultation for the solicitation. A Proposer/Contractor is also prohibited from submitting a bid or proposal in a County solicitation if the Proposer/Contractor has developed or prepared any of the solicitation materials on behalf of the County. A violation of this provision shall result in the disqualification of the Contractor/Proposer from participation in the County solicitation or the termination or cancellation of any resultant County contract. This provision shall survive the expiration, or other termination of this Agreement.

JURY SERVICE ORDINANCE

HIGH-VOLTAGE ELECTRICAL REPAIR AND MAINTENANCE SERVICES
2.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002)

2.203.020 Definitions.

The following definitions shall be applicable to this chapter:

A. “Contractor” means a person, partnership, corporation or other entity which has a contract with the county or a subcontract with a county contractor and has received or will receive an aggregate sum of $50,000 or more in any 12-month period under one or more such contracts or subcontracts.

B. “Employee” means any California resident who is a full-time employee of a contractor under the laws of California.

C. “Contract” means any agreement to provide goods to, or perform services for or on behalf of, the county but does not include:

SAFELY SURRENDERED BABY LAW

HIGH-VOLTAGE ELECTRICAL REPAIR AND MAINTENANCE SERVICES
Safely Surrendered Baby Law

Babies can be safely surrendered to staff at any hospital or fire station in Los Angeles County.

No shame. No blame. No names.

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?
California’s Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a baby, let her know there are other options. For three days (72 hours) after birth, a baby can be surrendered to staff at any hospital or fire station in Los Angeles County.

A baby’s story
Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby’s aunt and stated the baby’s mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the infant placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

How does it work?
A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?
Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring the baby in?
No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?
No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?
No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?
The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?
Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?
The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby’s death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.
Ley de Entrega de Bebés
Sin Peligro

Los recién nacidos pueden ser entregados en forma segura al personal de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles

En el Condado de Los Ángeles: 1-877-BABY SAFE • 1-877-222-9723

Ley de Entrega de Bebés Sin Peligo

¿Cómo funciona?
El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre o el adulto que lo entregue recibirá un brazalete igual.

¿Es necesario que el padre/madre o adulto dé algo a las personas que reciben al bebé?
No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llenar un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Cuánto tiempo se tarda en tener un bebé en el hospital?
El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien acogido, y se comenzará el proceso de adopción.

¿Cómo se puede recuperar un bebé que se entrega al hospital?
Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Qué está haciendo esto en California?
La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Uselo probablemente ha escuchado historias trágicas sobre bebés abandonados en basureros o en hoteles públicos. Los padres de esos bebés probablemente han estado pasando por dificultades emocionales graves. Las madres pueden haber sufrido un embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abdomen de un recién nacido es ilegal y poseer a un bebé en una situación de peligro extremo. Muchos han abandonado porque la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé
A la mañana temprana del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un bebé recién nacido con un número que coincide con la pauta del bebé; esto servirá como identificación en caso de que la madre cambie de opinión con respecto a la entrega del bebé y decida recuperarlo después de un período de 14 días de que cumple esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llevaría y lo entregaría a su bebé antes de llamar al hospital. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlos por el Departamento de Servicios para Niños y Familias.
