These services will be provided to the Department primarily at the Firearms Identification Section of the Department’s Scientific Services Bureau in Los Angeles. Qualified Vendor(s) that are selected for a Master Agreement shall be required to assist the Department in examining and solving firearms and/or tool mark cases as either a primary examiner or casework reviewer and/or, if qualified, provide firearms and tool mark examiner training to Department personnel on the techniques and skills necessary to successfully examine firearms and tool mark cases.

1.3 Terms and Definitions

Throughout this RFSQ, references are made to certain persons, groups, or Departments/agencies. For convenience, a description of specific definitions can be found in Appendix H – Model Master Agreement, Paragraph 2, Definitions.

1.4 Vendor’s Minimum Mandatory Qualifications

Interested and qualified Vendors that meet the Minimum Mandatory Qualifications stated below are invited to submit an SOQ.

1.4.1 Vendor or Vendor’s qualified staff must have at least ten (10) years of continuous full time experience in conducting firearms and tool mark examinations at an accredited crime laboratory that provides a full range of firearms and tool mark examination services comparable to the services outlined in Attachment 1 - Statement of Work. Vendor or Vendor’s qualified staff’s time spent in training will not be considered applicable towards the ten (10) years of experience requirement. Vendor must provide references that verify this experience.

1.4.2 Vendor or Vendor’s qualified staff requesting to be considered for the firearms and tool mark training services assignment must also have a minimum of two (2) years of experience in providing instruction to firearms and tool mark examiner trainees in a modular training program, such as a program provided by the Association of Firearm and Tool Mark Examiners (AFTE). The two (2) years of firearms and tool mark examination instructor experience could be part of the ten (10) years of experience required in firearms and tool mark examinations as stated in Sub-paragraph 1.4.1 above. Vendor must provide references that verify this experience. Vendor who is not requesting to be considered for firearms and tool mark training services assignment does not need to meet this requirement.
1.4.3 Vendor or Vendor’s qualified staff must be a current and active, full or distinguished member of, the Association of Firearm and Tool Mark Examiners (AFTE) and provide proof of membership and copies of certificates of attendance for AFTE conferences to verify this requirement.

1.4.4 Vendor or Vendor’s qualified staff must have a history of participation in regular, ongoing professional development, which may include professional conferences, training seminars, study groups, structured coursework, etc. Vendor must provide summary detail and copies of any training certificates.

1.4.5 Vendor or Vendor’s qualified staff must have experience testifying in court as an expert in the fields of firearms and tool mark examination. Vendor must provide summary detail of court experience to verify this requirement.

1.4.6 Vendor or Vendor’s qualified staff must agree to participate in a test of technical competency in firearms and tool mark examination. The test will be issued and administered by the Department’s Scientific Services Bureau prior to the award of a Master Agreement. The technical competency test is a “pass/fail” test. In order to pass the test of competency, generally accepted scientific methods must be employed, accurate and adequate documentation produced, and appropriate conclusions reached.

Vendor must state that Vendor or Vendor’s qualified staff agrees to participate in the technical competency test and understands that if Vendor or Vendor’s qualified staff fails the competency test, Vendor or Vendor’s qualified staff will be disqualified.

This test of technical competency includes a simulation of typical comparative analysis casework involving tool marks and expended ammunition components including, but not limited to, fired cartridge cases and fired bullets. The test will be administered at the Department’s crime laboratory facility. Although there is no charge for the test, any expenses, such as travel expenses, incurred for this test will be the sole responsibility of Vendor. Vendor or Vendor’s qualified staff will be allowed a maximum of three (3) days, starting from the receipt of the test, to complete the test and report his or her written findings as directed.

This test will only be administered to those Vendors or Vendors’ qualified staff who are determined to be qualified after completion of the review of the SOQ. If Vendor or Vendor’s qualified staff fails the competency test, Vendor or Vendor’s qualified staff may be disqualified or allowed to a re-test at the sole discretion of the County. In the event Vendor or Vendor’s qualified staff fails to pass the technical
competency test after the second attempt, Vendor or Vendor’s qualified staff shall be disqualified.

If an alternate testing venue (including appropriate test monitoring) acceptable to the County Project Manager can be identified, out-of-state Vendors or Vendors’ qualified staff may, at the discretion of the County, be allowed to take the test at the approved alternate venue at no cost to County.

1.5 California Public Employees’ Pension Reform Act (PEPRA)

The State of California Legislature has enacted Senate Bill 13 (Beall) regarding the California Public Employees’ Pension Reform Act of 2013 (the Act). Section 7522.56(b) of the Act (as amended) reads in part, as follows:

(b) A retired person shall not serve, be employed by, or be employed through a contract directly by, a public employer in the same public retirement system from which the retiree receives the benefit without reinstatement from retirement.

As a result of the Act, the County is prohibited from contracting with a retired County employee under this RFSQ.

1.6 Master Agreement Process

1.6.1 Master Agreements will be executed with all Vendors that are determined to be qualified and meet the Minimum Mandatory Qualifications in Paragraph 1.4 of this RFSQ and that pass the test of technical competency in Sub-paragraph 1.4.6 of this RFSQ.

1.6.2 Upon the Department’s execution of these Master Agreements, qualified Vendors will become County Contractors, and thereafter may, on an as-needed basis, be required to provide firearms and tool mark Casework Examination and/or Casework Review and/or training services. It is the intent of the Department to issue work to Qualified Contractors, within their respective roles (firearm and tool mark examination and/or training services), on a rotational basis, based upon the needs of the Department, in its sole discretion. However, the Department has the sole discretion to issue work for routine and/or priority jobs to the first available Contractor, based upon the needs of the Department. If, at any time, a Contractor cannot fulfill a routine and/or priority job, the Department will proceed to the next Qualified Contractor in rotation.

1.6.3 The execution of a Master Agreement does not guarantee a Qualified Contractor any minimum amount of work. The services are required on an as-needed basis. The total estimated amount of cases handled by Contractors under the current master agreements for Firearm and Tool Mark Examination and/or Training Services is approximately one hundred sixty-five (165) cases per year.

1.6.4 Training services are typically required when Firearms and Tool Mark Examiner Trainees are assigned to the Department’s Scientific Services
INSTRUCTIONS TO VENDORS

Bureau. The training program is approximately two (2) years in length. At the discretion of the County Project Manager, supplemental training services may also be required for trained Firearms and Tool Mark Examiners. The above data is provided to give historical information, and County makes no representation or guarantee as to the amount of any future services required.

1.7 Master Agreement Term

1.7.1 Prior to commencement of any Master Agreement, the Model Master Agreement must be approved by the Los Angeles County Board of Supervisors (Board). The term of the Master Agreements shall commence February 10, 2016, or upon the date of its execution by the Sheriff, whichever is later, and shall terminate February 9, 2019. County shall have the option to extend the initial term of each Master Agreement for up to four (4) additional one-year option periods, for a total Master Agreement term not to exceed seven (7) years. Extension options shall be at the Sheriff's sole discretion.

1.7.2 County will be continuously accepting SOQs throughout the duration of the Master Agreement or until the needs of the Department are met.

1.8 County Rights and Responsibilities

The County has the right to amend the RFSQ by written addendum. The County is responsible only for that which is expressly stated in the solicitation document and any authorized written addenda thereto. Such addendum shall be made available to each person or organization which County records indicate has received this RFSQ. Should such addendum require additional information not previously requested, failure to address the requirements of such addendum may result in the SOQ not being considered, as determined in the sole discretion of the County. The County is not responsible for and shall not be bound by any representations otherwise made by any individual acting or purporting to act on its behalf.

1.9 Contact with County Personnel

Any contact regarding this RFSQ or any matter relating thereto must be in writing and may be mailed, e-mailed or faxed as follows:

Los Angeles County Sheriff's Department

Los Angeles, California 90012
Monique E. Cabrera, Contracts Analyst
e-mail address: mecabrer@lasd.org
fax #: (323) 415-4251

If it is discovered that a Vendor contacted and received information from any County personnel, other than the person specified above, regarding this solicitation, County, in its sole determination, may disqualify their SOQ from further consideration.
1.10 **Mandatory Requirement to Register on County’s WebVen**

Prior to executing a Master Agreement, all potential Contractors must register in the County’s WebVen. The WebVen contains the Vendor’s business profile and identifies the goods/services the business provides. Registration can be accomplished online via the Internet by accessing the County’s home page at [http://camisvr.co.la.ca.us/webven/](http://camisvr.co.la.ca.us/webven/).

1.11 **County Option to Reject SOQs or Cancel RFSQ**

The County may, at its sole discretion, reject any or all SOQs submitted in response to this solicitation and/or cancel the RFSQ. The County shall not be liable for any cost incurred by a Vendor in connection with preparation and submittal of any SOQ. The County reserves the right to waive inconsequential disparities in a submitted SOQ.

1.12 **Protest Process**

1.12.1 Under Board Policy No. 5.055 (Services Contract Solicitation Protest), any prospective Vendor may request a review of the requirements under a solicitation for a Board-approved services contract, as described in Section 1.12.3 below. Additionally, any actual Vendor may request a review of a disqualification under such a solicitation, as described in the Sections below.

1.12.2 Throughout the review process, the County has no obligation to delay or otherwise postpone an award of contract based on a Vendor protest. In all cases, the County reserves the right to make an award when it is determined to be in the best interest of the County of Los Angeles to do so.

1.12.3 **Grounds for Review**

Unless state or federal statutes or regulations otherwise provide, the grounds for review of any Departmental determination or action should be limited to the following:

- Review of Solicitation Requirements Review (Reference Sub-paragraph 2.4 in the solicitation requirement review)
- Review of a Disqualified SOQ (Reference Sub-paragraph 3.2 in the Review/Selection/Qualification Section)

1.13 **Notice to Vendor’s Regarding Public Records Act**

1.13.1 Responses to this RFSQ shall become the exclusive property of the County. At such time as when Department recommends the qualified Vendor(s) to the Board of Supervisors (Board) and such recommendation appears on the Board agenda, all SOQ’s submitted in response to this RFSQ, become a matter of public record, with the exception of those parts of each SOQ which are justifiably defined and identified by the Vendor as business or trade secrets, and plainly marked as “Trade Secret,” “Confidential,” or “Proprietary.”
1.13.2 The County shall not, in any way, be liable or responsible for the disclosure of any such record or any parts thereof, if disclosure is required or permitted under the California Public Records Act or otherwise by law. A blanket statement of confidentiality or the marking of each page of the SOQ as confidential shall not be deemed sufficient notice of exception. The Vendor must specifically label only those provisions of their respective SOQ which are “Trade Secrets,” “Confidential,” or “Proprietary” in nature.

1.14 Indemnification and Insurance

Vendor shall be required to comply with the Indemnification provisions contained in Appendix H – Model Master Agreement, Sub-paragraph 8.22. Vendor shall procure, maintain, and provide to the County proof of insurance coverage for all the programs of insurance along with associated amounts specified in Appendix H – Model Master Agreement, Sub-paragraphs 8.23 and 8.24.

1.15 SPARTA Program

A County program, known as ‘SPARTA’ (Service Providers, Artisan and Tradesman Activities) may be able to assist potential Contractors in obtaining affordable liability insurance. The SPARTA Program is administered by the County’s insurance broker, Merriwether & Williams. For additional information, Proposers may call Merriwether & Williams toll free at (800) 420-0555 or can access their website directly at www.2sparta.com

1.16 Injury and Illness Prevention Program (IIPP)

Vendor shall be required to comply with the State of California’s Cal OSHA’s regulations. Section 3203 of Title 8 in the California Code of Regulations requires all California employers to have a written, effective Injury and Illness Prevention Program (IIPP) that addresses hazards pertaining to the particular workplace covered by the program.

1.17 Background and Security Investigations

Background and security investigations of Vendor’s staff performing services under the Master Agreement shall be required at the discretion of the County as a condition of beginning and continuing work under any resulting Master Agreement. The cost of background checks is the responsibility of the Vendor.

1.17.1 If a member of Contractor’s staff does not pass the background investigation, County may request that the member of Contractor’s staff be immediately removed from performing services under the Master Agreement at any time during the term of the Master Agreement. County will not provide to Contractor or to Contractor’s staff any information obtained through County’s background investigation.
1.17.2 County, in its sole discretion, may immediately deny or terminate facility access to any member of Contractor’s staff that does not pass such investigation to the satisfaction of the County or whose background or conduct is incompatible with County facility access.

1.17.3 Disqualification of any member of Contractor's staff shall not relieve Contractor of its obligation to complete all work in accordance with the terms and conditions of the Master Agreement.

1.18 Confidentiality and Independent Contractor Status

As appropriate, Contractor shall be required to comply with the Confidentiality provision Sub-paragraph 7.6 and the Independent Contractor Status provision Sub-paragraph 8.21 in Appendix H - Model Master Agreement.

1.19 Conflict of Interest

No County employee whose position in the County enables him/her to influence the selection of a Contractor for this RFSQ, or any competing RFSQ, nor any spouse of economic dependent of such employees, shall be employed in any capacity by a Vendor or have any other direct or indirect financial interest in the selection of a Contractor. Vendor shall certify that he/she is aware of and has read Section 2.180.010 of the Los Angeles County Code as stated in Appendix A - Required Forms, Exhibit 2, Certification of No Conflict of Interest.

1.20 Determination of Vendor Responsibility

1.20.1 A responsible Vendor is a Vendor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the Master Agreement. It is the County’s policy to conduct business only with responsible Vendors.

1.20.2 Vendors are hereby notified that, in accordance with Chapter 2.202 of the County Code, the County may determine whether the Vendor is responsible based on a review of the Vendor's performance on any contracts, including but not limited to County contracts. Particular attention will be given to violations of labor laws related to employee compensation and benefits, and evidence of false claims made by the Vendor against public entities. Labor law violations which are the fault of the subcontractors and of which the Vendor had no knowledge shall not be the basis of a determination that the Vendor is not responsible.

1.20.3 The County may declare a Vendor to be non-responsible for purposes of this Master Agreement if the Board of Supervisors, in its discretion, finds that the Vendor has done any of the following: (1) violated a term of a contract with the County or a nonprofit corporation created by the County; (2) committed an act or omission which negatively reflects on the Vendor's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by
the County, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or omission which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the County or any other public entity.

1.20.4 If there is evidence that the Vendor may not be responsible, the Department shall notify the Vendor in writing of the evidence relating to the Vendor’s responsibility, and its intention to recommend to the Board of Supervisors that the Vendor be found not responsible. The Department shall provide the Vendor and/or the Vendor’s representative with an opportunity to present evidence as to why the Vendor should be found to be responsible and to rebut evidence which is the basis for the Department’s recommendation.

1.20.5 If the Vendor presents evidence in rebuttal to the Department, the Department shall evaluate the merits of such evidence, and based on that review, make a recommendation to the Board of Supervisors. The final decision concerning the responsibility of the Vendor shall reside with the Board of Supervisors.

1.20.6 These terms shall also apply to proposed subcontractors of Vendors on County contracts.

1.21 Vendor Debarment

1.21.1 The Vendor is hereby notified that, in accordance with Chapter 2.202 of the County Code, the County may debar the Vendor from bidding or proposing on, or being awarded, and/or performing work on other County contracts for a specified period of time, which generally will not exceed five (5) years but may exceed five (5) years or be permanent if warranted by the circumstances, and the County may terminate any or all of the Vendor’s existing contracts with County, if the Board of Supervisors finds, in its discretion, that the Vendor has done any of the following: (1) violated a term of a contract with the County or a nonprofit corporation created by the County; (2) committed an act or omission which negatively reflects on the Vendor’s quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or offense which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the County or any other public entity.

1.21.2 If there is evidence that the apparent highest ranked Vendor may be subject to debarment, the Department shall notify the Vendor in writing of the evidence which is the basis for the proposed debarment, and shall advise the Vendor of the scheduled date for a debarment hearing before the Contractor Hearing Board.

1.21.3 The Contractor Hearing Board shall conduct a hearing where evidence on the proposed debarment is presented. The Vendor and/or Vendor’s
representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Vendor should be debarred, and, if so, the appropriate length of time of the debarment. The Vendor and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

1.21.4 After consideration of any objections, or if no objections are received, a record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny or adopt the proposed decision and recommendation of the Contractor Hearing Board.

1.21.5 If a Vendor has been debarred for a period longer than five (5) years, that Vendor may, after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Vendor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.

1.21.6 The Contractor Hearing Board will consider requests for review of a debarment determination only where (1) the Vendor has been debarred for a period longer than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

1.21.7 The Contractor Hearing Board’s proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.
1.21.8 These terms shall also apply to proposed subcontractors of Vendors on County contracts.

1.21.9 Appendix E provides a link to the County’s website where there is a listing of Contractors that are currently on the Debarment List for Los Angeles County.

1.22 Vendor’s Adherence to County Child Support Compliance Program

Contractors shall 1) fully comply with all applicable State and Federal reporting requirements relating to employment reporting for its employees; and 2) comply with all lawfully served Wage and Earnings Assignment Orders and Notice of Assignment and continue to maintain compliance during the term of any contract that may be awarded pursuant to this solicitation. Failure to comply may be cause for termination of a Master Agreement or initiation of debarment proceedings against the non-compliant Contractor (County Code Chapter 2.202).

1.23 Gratuities

1.23.1 Attempt to Secure Favorable Treatment

It is improper for any County officer, employee or agent to solicit consideration, in any form, from a Vendor with the implication, suggestion or statement that the Vendor’s provision of the consideration may secure more favorable treatment for the Vendor in the award of a Master Agreement or that the Vendor’s failure to provide such consideration may negatively affect the County’s consideration of the Vendor’s submission. A Vendor shall not offer or give either directly or through an intermediary, consideration, in any form, to a County officer, employee or agent for the purpose of securing favorable treatment with respect to the award of a Master Agreement.

1.23.2 Vendor Notification to County

A Vendor shall immediately report any attempt by a County officer, employee or agent to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller’s Employee Fraud Hotline at (800) 544-6861. Failure to report such a solicitation may result in the Vendor’s submission being eliminated from consideration.

1.23.3 Form of Improper Consideration

Among other items, such improper consideration may take the form of cash, discounts, services, the provision of travel or entertainment, or tangible gifts.
1.24 Notice to Vendors Regarding the County Lobbyist Ordinance

The Board of Supervisors of the County of Los Angeles has enacted an ordinance regulating the activities of persons who lobby County officials. This ordinance, referred to as the “Lobbyist Ordinance”, defines a County Lobbyist and imposes certain registration requirements upon individuals meeting the definition. The complete text of the ordinance can be found in County Code Chapter 2.160. In effect, each person, corporation or other entity that seeks a County permit, license, franchise or contract must certify compliance with the ordinance. As part of this solicitation process, it will be the responsibility of each Vendor to review the ordinance independently as the text of said ordinance is not contained within this RFSQ. Thereafter, each person, corporation or other entity submitting a response to this solicitation, must certify that each County Lobbyist, as defined by Los Angeles County Code Section 2.160.010, retained by the Vendor is in full compliance with Chapter 2.160 of the Los Angeles County Code and each such County Lobbyist is not on the Executive Office’s List of Terminated Registered Lobbyists by completing and submitting the Familiarity with the County Lobbyist Ordinance Certification, as set forth in Appendix A - Required Forms, Exhibit 5, as part of their SOQ.

1.25 Federal Earned Income Credit

The Contractor shall notify its employees, and shall require each subcontractor to notify its employees, that they may be eligible for the Federal Earned Income Credit under the federal income tax laws. 1.27 County’s Quality Assurance Plan

1.30 County Policy on Doing Business with Small Business

1.30.1 The County has multiple programs that address small businesses. The Board of Supervisors encourages small business participation in the County’s contracting process by constantly streamlining and simplifying our selection process and expanding opportunities for small businesses to compete for our business.

1.30.2 The Local Small Business Enterprise Preference Program, requires the Vendor to complete a certification process. This program and how to obtain certification are further explained in Sub-paragraph 1.32 of this Section.

1.30.3 The Jury Service Program provides exceptions to the Program if a Vendor qualifies as a Small Business. It is important to note that each Program has a different definition for Small Business. You may qualify as a Small Business in one Program but not the other. Further explanation of the Jury Service Program is provided in Sub-paragraph 1.31 of this Section.

1.30.4 The County also has a Policy on Doing Business with Small Business that is stated in Appendix C.

1.31 Jury Service Program
The prospective Master Agreement is subject to the requirements of the County’s Contractor Employee Jury Service Ordinance ("Jury Service Program") (Los Angeles County Code, Chapter 2.203). Prospective
Contractors should carefully read the Jury Service Ordinance, Appendix D, and the pertinent jury service provisions of the Appendix H – Model Master Agreement, Sub-paragraph 8.7, both of which are incorporated by reference into and made a part of this RFSQ. The Jury Service Program applies to both Contractors and their subcontractors. SOQs that fail to comply with the requirements of the Jury Service Program will be considered non-responsive and excluded from further consideration.

1.31.1 The Jury Service Program requires Contractors and their subcontractors to have and adhere to a written policy that provides that its employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the employee’s regular pay the fees received for jury service. For purposes of the Jury Service Program, “employee” means any California resident who is a full-time employee of a Contractor and “full-time” means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) the Contractor has a long-standing practice that defines the lesser number of hours as full-time. Therefore, the Jury Service Program applies to all of a Contractor’s full-time California employees, even those not working specifically on the County project. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program.

1.31.2 There are two ways in which a Contractor might not be subject to the Jury Service Program. The first is if the Contractor does not fall within the Jury Service Program’s definition of “Contractor”. The Jury Service Program defines “Contractor” to mean a person, partnership, corporation of other entity which has a contract with the County or a Subcontract with a County Contractor and has received or will receive an aggregate sum of $50,000 or more in any 12-month period under one or more County contracts or subcontracts. The second is if the Contractor meets one of the two exceptions to the Jury Service Program. The first exception concerns small businesses and applies to Contractors that have 1) ten or fewer employees; and, 2) annual gross revenues in the preceding twelve months which, if added to the annual amount of this contract is less than $500,000, and, 3) is not an “affiliate or subsidiary of a business dominant in its field of operation”. The second exception applies to Contractors that possess a collective bargaining agreement that expressly supersedes the provisions of the Jury Service Program. The Contractor is subject to any provision of the Jury Service Program not expressly supersedes by the collective bargaining agreement.

1.31.3 If a Contractor does not fall within the Jury Service Program’s definition of “Contractor” or if it meets any of the exceptions to the Jury Service
Program, then the Contractor must so indicate in the Contractor Employee Jury Service Program Certification Form and Application for Exception, as set forth in Appendix A - Required Forms, Exhibit 10, and include with its submission all necessary documentation to support the claim such as tax returns or a collective bargaining agreement, if applicable. Upon reviewing the Contractor’s application, the County will determine, in its sole discretion, whether the Contractor falls within the definition of Contractor or meets any of the exceptions to the Jury Service Program. The County’s decision will be final.

1.32 Local Small Business Enterprise Preference Program

1.32.1 In reviewing SOQ’s, the County will give Local SBE preference to businesses that meet the definition of a Local Small Business Enterprise (Local SBE), consistent with Chapter 2.204.030C.1 of the Los Angeles County Code. A Local SBE is defined as: 1) A business certified by the State of California as a small business and; 2) has had its principal office located in Los Angeles County for a period of at least one year. The business must be certified by the Department of Consumer and Business Affairs as meeting the requirements set forth in 1 and 2 above prior to requesting the Local SBE Preference in a solicitation.

1.32.2 To apply for certification as a Local SBE, companies may register at the Department of Consumer and Business Affairs website at: http://osb.lacounty.gov

1.32.3 Certified Local SBEs must request the SBE Preference in each of their SOQ responses and may not request the preference unless the certification process has been completed and certification affirmed. Sanctions and financial penalties may apply to a business that knowingly, and with intent to defraud, seeks to obtain or maintain certification as a certified Local SBE.

1.32.4 Information about the State’s small business enterprise certification regulations is in the California Code of Regulations, Title 2, Subchapter 8, Section 1896 et seq., and is also available on the California Department of General Services Office of Small Business Certification and Resources Web site at http://www.pd.dgs.ca.gov/smbus/default

1.33 Local Small Business Enterprise (SBE) Prompt Payment Program

It is the intent of the County that Certified Local SBEs receive prompt payment for services they provide to County Departments. Prompt payment is defined as 15 calendar days after receipt of an undisputed invoice.
1.34 Notification to County of Pending Acquisitions/Mergers by Proposing Company

The Vendor shall notify the County of any pending acquisitions/mergers of their Vendor. This information shall be provided by the Vendor on Appendix A - Required Form, Exhibit 1, Vendor’s Organization Questionnaire/Affidavit. Failure of the Vendor to provide this information may eliminate its SOQ from any further consideration.

Prospective Contractors should carefully read the Defaulted Tax Program Ordinance, Appendix J, and the pertinent provisions of the Model Master Agreement, Appendix H, Sub-paragraph 8.50 and 8.51, both of which are incorporated by reference into and made a part of this solicitation. The Defaulted Tax Program applies to both Contractors and their subcontractors.

Proposers shall be required to certify that they are in full compliance with the provisions of the Defaulted Tax Program and shall maintain compliance during the term of any contract that may be awarded pursuant to this solicitation or shall certify that they are exempt from the Defaulted Tax Program by completing Certification of Compliance with The County’s Defaulted Property Tax Reduction Program, Exhibit 12 in Appendix A – Required Forms. Failure to maintain compliance, or to timely cure defects, may be cause for termination of a contract or initiation of debarment proceedings against the non-compliance contractor (Los Angeles County Code, Chapter 2.202).

Proposals that fail to comply with the certification requirements of the Defaulted Tax Program will be considered non-responsive and excluded from further consideration.

1.39 Disabled Veteran Business Enterprise Preference Program (DVBE)

1.39.1 The County will give preference during the solicitation process to businesses that meet the definition of a Disabled Veteran Business Enterprise, consistent with Chapter 2.211 of the Los Angeles County Code. A Disabled Veteran Business Enterprise vendor is defined as:

1) A business which is certified by the State of California as a
Disabled Veteran Business Enterprise; or

2) A business which is certified by the Department of Veterans Affairs as a Service Disabled Veteran Owned Small Business (SDVOSB).

1.39.2 Certified Disabled Veteran Business Enterprise vendors must request the preference in their solicitation responses and may not request the preference unless the certification process has been completed and certification is affirmed.

1.39.3 In no case shall the Disabled Veteran Business Enterprise Preference Program price or scoring preference be combined with any other county preference program to exceed eight percent (8%) in response to any county solicitation.

1.39.4 Sanctions and financial penalties may apply to a business that knowingly, and with intent to defraud, seeks to obtain or maintain certification as a certified Disabled Veteran Business Enterprise.

1.39.5 To request the Disabled Veteran Business Enterprise Preference, Proposer must complete and submit the Request for Disabled Veteran Business Enterprise Consideration form in Appendix A, Required Forms, Exhibit 13, with supporting documentation with their proposal.

Failure of the Vendor to comply with the Minimum Mandatory Qualifications may eliminate its SOQ from any further consideration. The Department may elect to waive any informality in an SOQ if the sum and substance of the SOQ is present.

County’s review shall include the following:

- Vendor’s Background and Experience as provided in Section A.1 of the SOQ.
- Vendor’s References as provided in Section A.2. Review the proof of insurability provided in Section C of the SOQ.

3.1.5 Proof of Licenses

Review the proof of licenses provided in Section D of the SOQ.

3.2 Disqualification Review

An SOQ may be disqualified from consideration because a Department determined it was non-responsive at any time during the review/selection/qualification process. If a Department determines that an SOQ is disqualified due to non-responsiveness, the Department shall notify the Vendor in writing.
Upon receipt of the written determination of non-responsiveness, the Vendor may submit a written request for a Disqualification Review within the timeframe specified in the written determination.

A request for a Disqualification Review may, in the Department's sole discretion, be denied if the request does not satisfy all of the following criteria:

1. The person or entity requesting a Disqualification Review is a Vendor;

2. The request for a Disqualification Review is submitted timely (i.e., by the date and time specified in the written determination); and

3. The request for a Disqualification Review asserts that the Department's determination of disqualification due to non-responsiveness was erroneous (e.g. factual errors, etc.) and provides factual support on each ground asserted as well as copies of all documents and other material that support the assertions.

The Disqualification Review shall be completed and the determination shall be provided to the requesting Vendor, in writing, prior to the conclusion of the review process.

3.3 Selection/Qualification Process

The Department will generally select Vendors that meet the Minimum Mandatory Qualifications and that have experience in providing a broad range of firearms and tool mark examination training services. However, in order to ensure the Department has a varied pool of qualified Contractors, the Department may offer Master Agreements to Vendors that offer a narrow scope of services in more highly specialized areas.

3.4 Master Agreement Award

Vendors who are notified by the Department that they appear to have the necessary qualifications and experience (i.e., they are qualified) may still not be recommended for a Master Agreement if other requirements necessary for award have not been met. Other requirements may include acceptance of the terms and conditions of the Master Agreement, and/or satisfactory documentation that required insurance will be obtained. Only when all such matters have been demonstrated to the Department’s satisfaction can a Vendor, which is otherwise deemed qualified, be regarded as “selected” for recommendation of a Master Agreement.

The Sheriff will execute Board of Supervisors-authorized Master Agreements with each selected vendor. All Vendors will be informed of the final selections.

If you believe the Jury Service Program does not apply to your business, check the appropriate box in Part I (attach documentation to support your claim); or, complete Part II to certify compliance with the Program. Whether you complete Part I or Part II, please sign and date this form below.

**Part I: Jury Service Program is Not Applicable to My Business**

- My business does not meet the definition of “contractor,” as defined in the Program, as it has not received an aggregate sum of $50,000 or more in any 12-month period under one or more County contracts or subcontracts (this exception is not available if the contract itself will exceed $50,000). I understand that the exception will be lost and I must comply with the Program if my revenues from the County exceed an aggregate sum of $50,000 in any 12-month period.

- My business is a small business as defined in the Program. It 1) has ten or fewer employees; and, 2) has annual gross revenues in the preceding twelve months which, if added to the annual amount of this contract, are $500,000 or less; and, 3) is not an affiliate or subsidiary of a business dominant in its field of operation, as defined below. I understand that the exception will be lost and I must comply with the Program if the number of employees in my business and my gross annual revenues exceed the above limits.

  “**Dominant in its field of operation**” means having more than ten employees and annual gross revenues in the preceding twelve months, which, if added to the annual amount of the contract awarded, exceed $500,000.

  “**Affiliate or subsidiary of a business dominant in its field of operation**” means a business which is at least 20 percent owned by a business dominant in its field of operation, or by partners, officers, directors, majority stockholders, or their equivalent, of a business dominant in that field of operation.

- My business is subject to a Collective Bargaining Agreement (attach agreement) that expressly provides that it supersedes all provisions of the Program.

**OR**

**Part II: Certification of Compliance**

- My business has and adheres to a written policy that provides, on an annual basis, no less than five days of regular pay for actual jury service for full-time employees of the business who are also California residents, or my company will have and adhere to such a policy prior to award of the contract.

COUNTY OF LOS ANGELES POLICY ON DOING BUSINESS WITH SMALL BUSINESS

FIREARMS AND TOOL MARK EXAMINATION AND/OR TRAINING SERVICES
COUNTY OF LOS ANGELES
POLICY ON DOING BUSINESS WITH SMALL BUSINESS

Forty-two percent of businesses in Los Angeles County have five or fewer employees. Only about four percent of businesses in the area exceed 100 employees. According to the Los Angeles Times and local economists, it is not large corporations, but these small companies that are generating new jobs and helping move Los Angeles County out of its worst recession in decades.

WE RECOGNIZE . . .

The importance of small business to the County . . .

- in fueling local economic growth
- providing new jobs
- creating new local tax revenues
- offering new entrepreneurial opportunity to those historically under-represented in business

The County can play a positive role in helping small business grow . . .

- as a multi-billion dollar purchaser of goods and services
- as a broker of intergovernmental cooperation among numerous local jurisdictions
- by greater outreach in providing information and training
- by simplifying the bid/proposal process
- by maintaining selection criteria which are fair to all
- by streamlining the payment process

WE THEREFORE SHALL:

1. Constantly seek to streamline and simplify our processes for selecting our vendors and for conducting business with them.

2. Maintain a strong outreach program, fully-coordinated among our departments and districts, as well as other participating governments to: a) inform and assist the local business community in competing to provide goods and services; b) provide for ongoing dialogue with and involvement by the business community in implementing this policy.

3. Continually review and revise how we package and advertise solicitations, evaluate and select prospective vendors, address subcontracting and conduct business with our vendors, in order to: a) expand opportunity for small business to compete for our business; and b) to further opportunities for all businesses to compete regardless of size.

4. Insure that staff who manage and carry out the business of purchasing goods and services are well trained, capable and highly motivated to carry out the letter and spirit of this policy.
APPENDIX D

JURY SERVICE ORDINANCE

FIREARMS AND TOOL MARK EXAMINATION AND/OR TRAINING SERVICES
2.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002)

FIREARMS AND TOOL MARK EXAMINATION
AND/OR TRAINING SERVICES
Department of the Treasury  
Internal Revenue Service

Notice 1015  
(Rev. December 2013)

Have You Told Your Employees About the Earned Income Credit (EIC)?

What is the EIC?  
The EIC is a refundable tax credit for certain workers.

Which Employees Must I Notify About the EIC?  
You must notify each employee who worked for you at any time during the year and from whom you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on Form W-4, Employee’s Withholding Allowance Certificate.

Note. You are encouraged to notify each employee whose wages for 2013 are less than $5,156 that he or she may be eligible for the EIC.

How and When Must I Notify My Employees?  
You must give the employee one of the following:

• The IRS Form W-2, Wage and Tax Statement, which has the required information about the EIC on the back of Copy B.

• A substitute Form W-2 with the same EIC information on the back of the employee’s copy that is on Copy B of the IRS Form W-2.

• Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).

• Your written statement with the same wording as Notice 797.

If you are required to give Form W-2 and do so on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee’s copy. If a substitute Form W-2 is given on time but does not have the required information, you must notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 7, 2014.

You must hand the notice directly to the employee or send it by first-class mail to the employee’s last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can get copies of the notice from IRS.gov or by calling 1-800-829-3676.

How Will My Employees Know If They Can Claim the EIC?  
The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see Pub. 946, Earned Income Credit (EIC), or the instructions for Form 1040, 1040A, or 1040EZ.

How Do My Employees Claim the EIC?  
Eligible employees claim the EIC on their 2013 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2013 and owes no tax but is eligible for a credit of $800, he or she must file a 2013 tax return to get the $800 refund.

SAFELY SURRENDERED BABY LAW

Safely Surrendered

No shame. No blame. No names.

In Los Angeles County: 1-877-BABY SAFE • 1-877-222-9723

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?
California’s Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a baby, let her know there are other options. For three days (72 hours) after birth, a baby can be surrendered to staff at any hospital or fire station in Los Angeles County.

A baby’s story
Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby’s aunt and stated the baby’s mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the ankle placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

How does it work?
A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?
Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?
No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to tell anyone anything?
No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?
No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?
The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?
Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?
The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby’s death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

APPENDIX G

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmale que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Ángeles.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital con su nombre. Se entregaron a la tía un brazalete con un número que coincidía con la pulsera del bebé: esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.

¿Con quién debe entregar un recién nacido al condado de Los Ángeles? (Sexto párrafo)

¿Qué es la Ley de Entrega de Bebés sin Peligro? (Noveno párrafo)

La Ley de Entrega de Bebés sin Peligro en el Condado de Los Ángeles permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir, cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

¿Cómo funciona? (Decimocuarto párrafo)

El padre/madre de un bebé que no pueda o no quiera cuidar de su recién nacido puede entregarlo de forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete con el padre/madre o el adulto que lo entregó recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé? (Decimoquinto párrafo)

Los padres que cambian de opinión pueden comenzar el proceso de reclamo a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Ángeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido? (Decimosexto párrafo)

No. Si bien en la mayoría de los casos son los padres de los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entregan al bebé deben llamar antes de llevar al bebé? (Decimoséptimo párrafo)

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé? (Decimoquinto párrafo)

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resulten de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé? (Decimoséptimo párrafo)

El bebé será examinado y se brindará atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Por qué se está haciendo esto en California? (Octavo párrafo)

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en bares, en salón de belleza, en los baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber oído o descubierto que el embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

8.2 ASSIGNMENT AND DELEGATION

8.2.1 The Contractor shall not assign its rights or delegate its duties under this Master Agreement, or both, whether in whole or in part, without the prior written consent of County, in its discretion, and any attempted assignment or delegation without such consent shall be null and void. For purposes of this sub-paragraph, County consent shall require a written amendment to the Master Agreement, which is formally approved and executed by the parties. Any payments by the County to any approved delegate or assignee on any claim under this Master Agreement shall be deductible, at County’s sole discretion, against the claims, which the Contractor may have against the County.

8.2.2 Shareholders, partners, members, or other equity holders of Contractor may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of Contractor to any person(s), corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of the Master Agreement, such disposition is an assignment requiring the prior written consent of County in accordance with applicable provisions of this Master Agreement.

8.2.3 Any assumption, assignment, delegation, or takeover of any of the Contractor’s duties, responsibilities, obligations, or performance of same by any entity other than the Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without
County’s express prior written approval, shall be a material breach of the Master Agreement which may result in the termination of this Master Agreement. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.

8.3 AUTHORIZATION WARRANTY

The Contractor represents and warrants that the person executing this Master Agreement for the Contractor is an authorized agent who has actual authority to bind the Contractor to each and every term, condition, and obligation of this Master Agreement and that all requirements of the Contractor have been fulfilled to provide such actual authority.

8.4 INTENTIONALLY OMITTED

8.5 COMPLIANCE WITH APPLICABLE LAW

8.5.1 In the performance of this Master Agreement, Contractor shall comply with all applicable Federal, State and local laws, rules, regulations, ordinances, directives, guidelines, policies and procedures, and all provisions required thereby to be included in this Master Agreement are hereby incorporated herein by reference.

8.5.2 Contractor shall indemnify, defend, and hold harmless County, its officers, employees, and agents, from and against any and all claims, demands, damages, liabilities, losses, costs, and expenses, including, without limitation, defense costs and legal, accounting and other expert, consulting or professional fees, arising from, connected with, or related to any failure by Contractor, its officers, employees, agents, or subcontractors, to comply with any such laws, rules, regulations, ordinances, directives, guidelines, policies, or procedures, as determined by County in its sole judgment. Any legal defense pursuant to Contractor’s indemnification obligations under this Paragraph 8.5 shall be conducted by Contractor and performed by counsel selected by Contractor and approved by County. Notwithstanding the preceding sentence, County shall have the right to participate in any such defense at its sole cost and expense, except that in the event Contractor fails to provide County with a full and adequate defense, as determined by County in its sole judgment, County shall be entitled to retain its own counsel, including, without limitation, County Counsel, and reimbursement from Contractor for all such costs and
expenses incurred by County in doing so. Contractor shall not have the right to enter into any settlement, agree to any injunction or other equitable relief, or make any admission, in each case, on behalf of County without County’s prior written approval.

8.6 COMPLIANCE WITH CIVIL RIGHTS LAWS

The Contractor hereby assures that it will comply with Subchapter VI of the Civil Rights Act of 1964, 42 USC Sections 2000 (e) (1) through 2000 (e) (17), to the end that no person shall, on the grounds of race, creed, color, sex, religion, ancestry, age, condition of physical handicap, marital status, political affiliation, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Master Agreement or under any project, program, or activity supported by this Master Agreement. The Contractor shall comply with Exhibit C (Contractor’s EEO Certification).

8.7 COMPLIANCE WITH COUNTY’S JURY SERVICE PROGRAM

8.7.1 Jury Service Program: This Master Agreement is subject to the provisions of the County’s ordinance entitled Contractor Employee Jury Service (“Jury Service Program”) as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code, a copy of which is attached as Exhibit D (Jury Service Ordinance) and incorporated by reference into and made part of this Master Agreement.

8.7.2 Written Employee Jury Service Policy

1. Unless Contractor has demonstrated to the County’s satisfaction either that Contractor is not a “Contractor” as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee’s regular pay the fees received for jury service.

2. For purposes of this sub-paragraph, “Contractor” means a person, partnership, corporation or other entity which has a contract with the County or a subcontract with a
County Contractor and has received or will receive an aggregate sum of $50,000 or more in any 12-month period under one or more County contracts or subcontracts. “Employee” means any California resident who is a full time employee of Contractor. “Full-time” means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for the County under the Master Agreement, the subcontractor shall also be subject to the provisions of this sub-paragraph. The provisions of this sub-paragraph shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the agreement.

3. If Contractor is not required to comply with the Jury Service Program when the Master Agreement commences, Contractor shall have a continuing obligation to review the applicability of its “exception status” from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program’s definition of “Contractor” or if Contractor no longer qualifies for an exception to the Jury Service Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Master Agreement and at its sole discretion, that Contractor demonstrate to the County’s satisfaction that Contractor either continues to remain outside of the Jury Service Program’s definition of “Contractor” and/or that Contractor continues to qualify for an exception to the Program.

4. Contractor’s violation of this sub-paragraph of the Master Agreement may constitute a material breach of the Master Agreement. In the event of such material breach, County may, in its sole discretion, terminate the Master Agreement and/or bar Contractor from the award of
future County contracts for a period of time consistent with the seriousness of the breach.

8.8 CONFLICT OF INTEREST

8.8.1 No County employee whose position with the County enables such employee to influence the award of this Master Agreement or any competing Master Agreement, and no spouse or economic dependent of such employee, shall be employed in any capacity by the Contractor or have any other direct or indirect financial interest in this Master Agreement. No officer or employee of the Contractor who may financially benefit from the performance of work hereunder shall in any way participate in the County’s approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence the County’s approval or ongoing evaluation of such work.

8.8.2 The Contractor shall comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Master Agreement. The Contractor warrants that it is not now aware of any facts that create a conflict of interest. If the Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to the County. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this sub-paragraph 8.8 shall be a material breach of this Master Agreement.

8.9 CONSIDERATION OF HIRING COUNTY EMPLOYEES TARGETED FOR LAYOFF/OR RE-EMPLOYMENT LIST

Should the Contractor require additional or replacement personnel after the effective date of this Master Agreement to perform the services set forth herein, the Contractor shall give first consideration for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified, former County employees who are on a re-employment list during the life of this Master Agreement.

8.10 CONSIDERATION OF HIRING GAIN/GROW PARTICIPANTS

8.10.1 Should the Contractor require additional or replacement personnel after the effective date of this Master Agreement, the Contractor shall give consideration for any such employment openings to participants in the County’s
Department of Public Social Services Greater Avenues for Independence (GAIN) Program or General Relief Opportunity for Work (GROW) Program who meet the Contractor's minimum qualifications for the open position. For this purpose, consideration shall mean that the Contractor will interview qualified candidates. The County will refer GAIN/GROW participants by job category to the Contractor. Contractors shall report all job openings with job requirements to: GAINGROW@dpss.lacounty.gov to obtain a list of qualified GAIN/GROW job candidates.

8.10.2 In the event that both laid-off County employees and GAIN/GROW participants are available for hiring, County employees shall be given first priority.

8.11 CONTRACTOR RESPONSIBILITY AND DEBARMENT

8.11.1 Responsible Contractor

A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the Master Agreement. It is the County's policy to conduct business only with responsible Contractors.

8.11.2 Chapter 2.202 of the County Code

The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Contractor on this or other contracts which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in this Master Agreement, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on County contracts for a specified period of time, which generally will not exceed five years but may exceed five years or be permanent if warranted by the circumstances, and terminate any or all existing contracts the Contractor may have with the County.

8.11.3 Non-responsible Contractor

The County may debar a Contractor if the Board of Supervisors finds, in its discretion, that the Contractor has done any of the following: (1) violated a term of a contract with the County or a nonprofit corporation created by the County, (2) committed an act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a contract with the County, any other public entity,
or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County or any other public entity.

8.11.4 Contractor Hearing Board

1. If there is evidence that the Contractor may be subject to debarment, the Department will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.

2. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor’s representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

3. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

4. If a Contractor has been debarred for a period longer than five (5) years, that Contractor may after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more
of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.

5. The Contractor Hearing Board will consider a request for review of a debarment determination only where (1) the Contractor has been debarred for a period longer than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

6. The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

The Contractor understands that it is the County’s policy to encourage all County Contractors to voluntarily post the County’s “Safely Surrendered Baby Law” poster in a prominent position at the
Contractor’s place of business. The Contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor’s place of business. The County’s Department of Children and Family Services will supply the Contractor with the poster to be used. Information on how to receive the poster can be found on the Internet at www.babysafela.org.

8.13.1 The Contractor acknowledges that the County has established a goal of ensuring that all individuals who benefit financially from the County through Master Agreements are in compliance with their court-ordered child, family and spousal support obligations in order to mitigate the economic burden otherwise imposed upon the County and its taxpayers.

8.13.2 As required by the County’s Child Support Compliance Program (County Code Chapter 2.200) and without limiting the Contractor’s duty under this Master Agreement to comply with all applicable provisions of law, the Contractor warrants that it is now in compliance and shall during the term of this Master Agreement maintain in compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and shall implement all lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child, Family or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

8.14 **COUNTY’S QUALITY ASSURANCE PLAN**

8.14.1 The County or its agent will evaluate the Contractor’s performance under this Master Agreement on not less than an annual basis. Such evaluation will include assessing the Contractor’s compliance with all Master Agreement terms and conditions and performance standards. Contractor deficiencies which the County determines are severe or continuing and that may place performance of the Master Agreement in jeopardy if not corrected will be reported to the Board of Supervisors.

8.14.2 The report will include improvement/corrective action measures taken by the County and the Contractor. If improvement does not occur consistent with the corrective

8.16 EMPLOYMENT ELIGIBILITY VERIFICATION

8.16.1 The Contractor warrants that it fully complies with all Federal and State statutes and regulations regarding the employment of aliens and others and that all its employees performing work under this Master Agreement meet the citizenship or alien status requirements set forth in Federal and State statutes and regulations. The Contractor shall obtain, from all employees performing work hereunder, all verification and other documentation of employment eligibility status required by Federal and State statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986, (P.L. 99-603), or as they currently exist and as they may be hereafter amended. 8.17 FACSIMILE REPRESENTATIONS

The County and the Contractor hereby agree to regard facsimile representations of original signatures of authorized officers of each party, when appearing in appropriate places on the Change Orders and Amendments prepared pursuant to sub-paragraph 8.1 (Change
Orders and Amendments) and received via communications facilities, as legally sufficient evidence that such original signatures have been affixed to Change Orders and Amendments to this Master Agreement, such that the parties need not follow up facsimile transmissions of such documents with subsequent (non-facsimile) transmission of “original” versions of such documents.

The Contractor shall comply with all applicable provisions of the Federal Fair Labor Standards Act and shall indemnify, defend, and hold harmless the County and its agents, officers, and employees from any and all liability, including, but not limited to, wages, overtime pay, liquidated damages, penalties, court costs, and attorneys’ fees arising under any wage and hour law, including, but not limited to, the Federal Fair Labor Standards Act, for work performed by the Contractor’s employees for which the County may be found jointly or solely liable.

8.19 FORCE MAJEURE

8.19.1 Neither party shall be liable for such party’s failure to perform its obligations under and in accordance with this Master Agreement, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party’s subcontractors), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this sub-paragraph as “force majeure events”).

8.19.2 Notwithstanding the foregoing, a default by a subcontractor of Contractor shall not constitute a force majeure event, unless such default arises out of causes beyond the control of both Contractor and such subcontractor, and without any fault or negligence of either of them. In such case, Contractor shall not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet the required performance schedule. As used in this sub-paragraph, the term “subcontractor” and “subcontractors” mean subcontractors at any tier.

8.19.3 In the event Contractor’s failure to perform arises out of a force majeure event, Contractor agrees to use commercially reasonable best efforts to obtain goods or services from
other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

8.25 **LIQUIDATED DAMAGES**

8.25.1 If, in the judgment of the County Project Director, the Contractor is deemed to be non-compliant with the terms and obligations assumed hereby, the County Project Director, or his/her designee, at his/her option, in addition to, or in lieu of, other remedies provided herein, may withhold the entire monthly payment or deduct pro rata from the Contractor’s invoice for work not performed. A description of the work not performed and the amount to be
withheld or deducted from payments to the Contractor from the County, will be forwarded to the Contractor by the County Project Director, or his/her designee, in a written notice describing the reasons for said action.

8.25.2 If the County Project Director determines that there are deficiencies in the performance of this Master Agreement that the County Project Director or his/her designee, deems are correctable by the Contractor over a certain time span, the County Project Director or his/her designee, will provide a written notice to the Contractor to correct the deficiency within specified time frames. Should the Contractor fail to correct deficiencies within said time frame, the County Project Director may:

(a) Deduct from the Contractor’s payment those applicable portions of the invoice; and/or

(b) Deduct liquidated damages. The parties agree that it will be impracticable or extremely difficult to fix the extent of actual damages resulting from the failure of the Contractor to correct a deficiency within the specified time frame. The parties hereby agree that under the current circumstances a reasonable estimate of such damages is One Hundred Dollars ($100) per day per infraction and that the Contractor shall be liable to the County for liquidated damages in said amount. Said amount shall be deducted from the County’s payment to the Contractor; and/or

(c) Upon giving five (5) days notice to the Contractor for failure to correct the deficiencies, the County may correct any and all deficiencies and the total costs incurred by the County for completion of the work by an alternate source, whether it be County forces or separate private contractor, will be deducted and forfeited from the payment to the Contractor from the County, as determined by the County.

8.25.3 The action noted in sub-paragraph 8.25.2 shall not be construed as a penalty, but as adjustment of payment to the Contractor to recover the County cost due to the failure of the Contractor to complete or comply with the provisions of this Master Agreement.

8.25.4 This sub-paragraph shall not, in any manner, restrict or limit the County’s right to damages for any breach of this Master Agreement provided by law or as specified in sub-paragraph 8.25.2, and shall not, in any manner, restrict or limit the County’s right to terminate this Master Agreement as agreed to herein.
8.26 MOST FAVORED PUBLIC ENTITY

If the Contractor's prices decline, or should the Contractor at any time during the term of this Master Agreement provide the same goods or services under similar quantity and delivery conditions to the State of California or any county, municipality, or district of the State at prices below those set forth in this Master Agreement, then such lower prices shall be immediately extended to the County.

8.27 NONDISCRIMINATION AND AFFIRMATIVE ACTION

8.27.1 The Contractor certifies and agrees that all persons employed by it, its affiliates, subsidiaries, or holding companies are and shall be treated equally without regard to or because of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable Federal and State anti-discrimination laws and regulations.

8.27.2 The Contractor shall certify to, and comply with, the provisions of Exhibit C (Contractor's EEO Certification).

8.27.3 The Contractor shall take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable Federal and State anti-discrimination laws and regulations. Such action shall include, but is not limited to: employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

8.27.4 The Contractor certifies and agrees that it will deal with its subcontractors, bidders, or vendors without regard to or because of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation.

8.27.5 The Contractor certifies and agrees that it, its affiliates, subsidiaries, or holding companies shall comply with all applicable Federal and State laws and regulations to the end that no person shall, on the grounds of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Master
Agreement or under any project, program, or activity supported by this Master Agreement.

8.27.6 The Contractor shall allow County representatives access to the Contractor’s employment records during regular business hours to verify compliance with the provisions of this sub-paragraph 8.27 when so requested by the County.

8.27.7 If the County finds that any provisions of this sub-paragraph 8.27 have been violated, such violation shall constitute a material breach of this Master Agreement upon which the County may terminate or suspend this Master Agreement. While the County reserves the right to determine independently that the anti-discrimination provisions of this Master Agreement have been violated, in addition, a determination by the California Fair Employment and Housing Commission or the Federal Equal Employment Opportunity Commission that the Contractor has violated Federal or State anti-discrimination laws or regulations shall constitute a finding by the County that the Contractor has violated the anti-discrimination provisions of this Master Agreement.

8.27.8 The parties agree that in the event the Contractor violates any of the anti-discrimination provisions of this Master Agreement, the County shall, at its sole option, be entitled to the sum of Five Hundred Dollars ($500) for each such violation pursuant to California Civil Code Section 1671 as liquidated damages in lieu of terminating or suspending this Master Agreement.

8.28 NON EXCLUSIVITY
Nothing herein is intended nor shall be construed as creating any exclusive arrangement with Contractor. This Master Agreement shall not restrict the Department from acquiring similar, equal or like goods and/or services from other entities or sources.

8.29 NOTICE OF DELAYS

8.30 NOTICE OF DISPUTES
The Contractor shall bring to the attention of the County Project Manager and/or County Project Director any dispute between the County and the Contractor regarding the performance of services as stated in this Master Agreement. 8.35.1 Any documents submitted by Contractor; all information obtained in connection with the County’s right to audit and inspect Contractor’s documents, books, and accounting records pursuant to sub-paragraph 8.37 (Record Retention and Inspection/Audit Settlement) of this Master Agreement; as well as those documents which were required to be submitted in response to the Request for Statement of Qualifications (RFSQ) used in the solicitation process for this Master Agreement, become the exclusive property of the County. All such documents become a matter of public record and shall be regarded as public records. Exceptions will be those elements in the California Government Code Section 6250 et seq. (Public Records Act) and which are marked “trade secret”, “confidential”, or “proprietary”. The County shall not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.

8.35.2 In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of an SOQ marked “trade secret”, “confidential”, or “proprietary”, the Contractor agrees to defend and indemnify the County from all costs and expenses, including reasonable attorney’s fees, in action or liability arising under the Public Records Act.

8.36 PUBLICITY

8.36.1 The Contractor shall not disclose any details in connection with this Master Agreement to any person or entity except as may be otherwise provided hereunder or required by law. However, in recognizing the Contractor’s need to identify its services and related clients to sustain itself, the County shall not inhibit the Contractor from publishing its role under this Master Agreement within the following conditions:

- The Contractor shall develop all publicity material in a professional manner; and
- During the term of this Master Agreement, the Contractor shall not, and shall not authorize another to,
publish or disseminate any commercial advertisements, press releases, feature articles, or other materials using the name of the County without the prior written consent of the County Project Director. The County shall not unreasonably withhold written consent.

8.36.2 The Contractor may, without the prior written consent of County, indicate in its proposals and sales materials that it has been awarded this Master Agreement with the County of Los Angeles, provided that the requirements of this sub-paragraph 8.36 shall apply.

8.37 RECORD RETENTION AND INSPECTION/AUDIT SETTLEMENT

The Contractor shall maintain accurate and complete financial records of its activities and operations relating to this Master Agreement in accordance with generally accepted accounting principles. The Contractor shall also maintain accurate and complete employment and other records relating to its performance of this Master Agreement. The Contractor agrees that the County, or its authorized representatives, shall have access to and the right to examine, audit, excerpt, copy, or transcribe any pertinent transaction, activity, or record relating to this Master Agreement. All such material, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, and proprietary data and information, shall be kept and maintained by the Contractor and shall be made available to the County during the term of this Master Agreement and for a period of five (5) years thereafter unless the County’s written permission is given to dispose of any such material prior to such time. All such material shall be maintained by the Contractor at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then, at the County’s option, the Contractor shall pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such material at such other location.

8.37.1 In the event that an audit of the Contractor is conducted specifically regarding this Master Agreement by any Federal or State auditor, or by any auditor or accountant employed by the Contractor or otherwise, then the Contractor shall file a copy of such audit report with the County’s Auditor-Controller within thirty (30) days of the Contractor’s receipt thereof, unless otherwise provided by applicable Federal or State law or under this Master Agreement. The County shall make a reasonable effort to maintain the confidentiality of such audit report(s).
8.37.2 Failure on the part of the Contractor to comply with any of the provisions of this sub-paragraph shall constitute a material breach of this Master Agreement upon which the County may terminate or suspend this Master Agreement.

8.37.3 If, at any time during the term of this Master Agreement or within five (5) years after the expiration or termination of this Master Agreement, representatives of the County may conduct an audit of the Contractor regarding the work performed under this Master Agreement, and if such audit finds that the County’s dollar liability for any such work is less than payments made by the County to the Contractor, then the difference shall be either: a) repaid by the Contractor to the County by cash payment upon demand or b) at the sole option of the County’s Auditor-Controller, deducted from any amounts due to the Contractor from the County, whether under this Master Agreement or otherwise. If such audit finds that the County’s dollar liability for such work is more than the payments made by the County to the Contractor, then the difference shall be paid to the Contractor by the County by cash payment, provided that in no event shall the County’s maximum obligation for this Master Agreement exceed the funds appropriated by the County for the purpose of this Master Agreement.

8.38 RECYCLED BOND PAPER
Consistent with the Board of Supervisors’ policy to reduce the amount of solid waste deposited at the County landfills, the Contractor agrees to use recycled-content paper to the maximum extent possible on this Master Agreement.

8.39 SUBCONTRACTING

8.39.1 The requirements of this Master Agreement may not be subcontracted by the Contractor without the advance approval of the County. Any attempt by the Contractor to subcontract without the prior consent of the County may be deemed a material breach of this Master Agreement.

8.39.2 If the Contractor desires to subcontract, the Contractor shall provide the following information promptly at the County’s request:

- A description of the work to be performed by the subcontractor;
- A draft copy of the proposed subcontract; and
• Other pertinent information and/or certifications requested by the County.

8.39.3 The Contractor shall indemnify and hold the County harmless with respect to the activities of each and every subcontractor in the same manner and to the same degree as if such subcontractor(s) were Contractor employees.

8.39.4 The Contractor shall remain fully responsible for all performances required of it under this Master Agreement, including those that the Contractor has determined to subcontract, notwithstanding the County's approval of the Contractor's proposed subcontract.

8.39.5 The County's consent to subcontract shall not waive the County's right to prior and continuing approval of any and all personnel, including subcontractor employees, providing services under this Master Agreement. The Contractor is responsible to notify its subcontractors of this County right.

8.39.6 The County Project Director is authorized to act for and on behalf of the County with respect to approval of any subcontract and subcontractor employees. After approval of the subcontract by the County, Contractor shall forward a fully executed subcontract to the County for their files.

8.39.7 The Contractor shall be solely liable and responsible for all payments or other compensation to all subcontractors and their officers, employees, agents, and successors in interest arising through services performed hereunder, notwithstanding the County's consent to subcontract.

8.39.8 The Contractor shall obtain certificates of insurance, which establish that the subcontractor maintains all the programs of insurance required by the County from each approved subcontractor. The Contractor shall ensure delivery of all such documents to:

Failure of the Contractor to maintain compliance with the requirements set forth in sub-paragraph 8.13 (Contractor’s Warranty of Adherence to County’s Child Support Compliance Program) shall constitute a default under this Master Agreement. Without limiting the rights and remedies available to the County under any other provision of this Master Agreement, failure of Contractor to cure such default within 90 calendar days of written notice shall be grounds upon which the County may terminate this Master Agreement pursuant to sub-paragraph 8.42 (Termination for Default) and pursue debarment of Contractor, pursuant to County Code Chapter 2.202.

8.41 TERMINATION FOR CONVENIENCE

8.41.1 This Master Agreement may be terminated, in whole or in part, from time to time, when such action is deemed by the County, in its sole discretion, to be in its best interest. Termination of work hereunder shall be effected by notice of termination to Contractor specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be no less than ten (10) calendar days after the notice is sent.

8.41.2 Upon receipt of a notice of termination and except as otherwise directed by the County, the Contractor shall immediately:

- Stop work under this Master Agreement, as identified in such notice;
- Transfer title and deliver to County all completed work and work in process; and
- Complete performance of such part of the work as shall not have been terminated by such notice.

8.42.2 In the event that the County terminates this Master Agreement in whole or in part as provided in sub-paragraph 8.42.1, the County may procure, upon such terms and in such manner as the County may deem appropriate, goods and services similar to those so terminated. The Contractor shall be liable to the County for any and all excess costs incurred by the County, as determined by the County, for such similar goods and services. The Contractor shall continue the performance of this Master Agreement to the extent not terminated under the provisions of this sub-paragraph.

8.42.3 Except with respect to defaults of any subcontractor, the Contractor shall not be liable for any such excess costs of the type identified in sub-paragraph 8.42.2 if its failure to perform this Master Agreement arises out of causes beyond the control and without the fault or negligence of the Contractor. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Contractor. If the failure to perform is caused by the default of a
subcontractor, and if such default arises out of causes beyond the control of both the Contractor and subcontractor, and without the fault or negligence of either of them, the Contractor shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule. As used in this sub-paragraph 8.42.3, the terms "subcontractor" and "subcontractors" mean subcontractor(s) at any tier.

8.42.4 If, after the County has given notice of termination under the provisions of this sub-paragraph 8.42, it is determined by the County that the Contractor was not in default under the provisions of this sub-paragraph 8.42, or that the default was excusable under the provisions of subparagraph 8.42.3, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to sub-paragraph 8.41 - Termination for Convenience.

8.42.5 The rights and remedies of the County provided in this sub-paragraph 8.42 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Master Agreement.

8.43 TERMINATION FOR IMPROPER CONSIDERATION

8.43.1 The County may, by written notice to the Contractor, immediately terminate the right of the Contractor to proceed under this Master Agreement if it is found that consideration, in any form, was offered or given by the Contractor, either directly or through an intermediary, to any County officer, employee, or agent with the intent of securing this Master Agreement or securing favorable treatment with respect to the award, amendment, or extension of this Master Agreement or the making of any determinations with respect to the Contractor's performance pursuant to this Master Agreement. In the event of such termination, the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.

8.43.2 The Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee

8.44.1 The County may terminate this Master Agreement forthwith in the event of the occurrence of any of the following:

The Contractor, and each County Lobbyist or County Lobbying Firm as defined in County Code Section 2.160.010 retained by the Contractor, shall fully comply with the County’s Lobbyist Ordinance, County Code Chapter 2.160. Failure on the part of the Contractor or any County Lobbyist or County Lobbying Firm retained by the Contractor to fully comply with the County’s Lobbyist Ordinance shall constitute a material breach of this Master Agreement, upon which the County may in its sole discretion, immediately terminate or suspend this Master Agreement.

8.46 TERMINATION FOR NON-APPROPRIATION OF FUNDS

Notwithstanding any other provision of this Master Agreement, the County shall not be obligated for the Contractor’s performance hereunder or by any provision of this Master Agreement during any
of the County’s future fiscal years unless and until the County’s Board of Supervisors appropriates funds for this Master Agreement in the County’s Budget for each such future fiscal year. In the event that funds are not appropriated for this Master Agreement, then this Master Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. The County shall notify the Contractor in writing of any such non-allocation of funds at the earliest possible date.

If any provision of this Master Agreement or the application thereof to any person or circumstance is held invalid, the remainder of this Master Agreement and the application of such provision to other persons or circumstances shall not be affected thereby.

8.48 WAIVER

No waiver by the County of any breach of any provision of this Master Agreement shall constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Master Agreement shall not be construed as a waiver thereof. The rights and remedies set forth in this sub-paragraph 8.48 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Master Agreement.

8.49 WARRANTY AGAINST CONTINGENT FEES

8.49.1 The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Master Agreement upon any agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business.

2.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002)

2.203.020 Definitions.

The following definitions shall be applicable to this chapter:

A. “Contractor” means a person, partnership, corporation or other entity which has a contract with the county or a subcontract with a county contractor and has received or will receive an aggregate sum of $50,000 or more in any 12-month period under one or more such contracts or subcontracts.

Safely Surrendered Baby Law

Babies can be safely surrendered to staff at any hospital or fire station in Los Angeles County

No shame. No blame. No names.

In Los Angeles County: 1-877-BABY SAFE • 1-877-222-9723

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?
California’s Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a baby, let her know there are other options. For three days (72 hours) after birth, a baby can be surrendered to staff at any hospital or fire station in Los Angeles County.

How does it work?
A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no signs of abuse or neglect, no name or other information is required. In cases the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?
Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?
No. While in most cases, a parent will bring in the baby, the law allows other people to bring in the baby if they have lawful custody.

A baby’s story
Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby’s aunt and stated the baby’s mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the bracelet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the law. The aunt was also provided with a medical questionnaire and said she would have to complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Does the parent or surrendering adult have to tell anything to the people taking the baby?
No. However, hospital or fire station personnel will fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?
The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

Why is California doing this?
The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby’s death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.
Ley de Entrega de Bebés
Sin Peligro

Los recién nacidos pueden ser entregados en forma segura al personal de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles

En el Condado de Los Ángeles: 1-877-BABY SAFE • 1-877-222-9723
www.babysafeLA.org
**Ley de Entrega de Bebés**

**Sin Peligro**

¿Cómo funciona?
El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura durante los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles. Si el presente se encontrara en un hospital o cuartel de bomberos, se debe llevar un brazalete y el padre/madre o el adulto que lo entregue recibirá un brazalete igual.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?
No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?
El bebé será examinado y se brindará atención médica. Cuando el bebé está en el hospital o cuartel de bomberos, se le da un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregó al bebé?
Una vez que el pedido de la adopción esté aprobado, se notifica al padre/madre o adulto que entregó al bebé que puede verlo en cualquier momento.

¿Por qué se está haciendo esto en California?
La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted puede consultar historias trágicas sobre bebés abandonados en banquetes o en lugares públicos. Los padres de esos bebés probablemente han estado pasando por dificultades emocionales graves. Las madres pueden haber sido víctimas de violencia. Por lo tanto, se hace esta ley para proteger a los bebés en situaciones de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

**Historia de un bebé**

A la mañana temprana del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dieron cuenta que la madre del bebé le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la mamá un brazalete con un número que coincidía con el que había elaborado la madre del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del periodo de 14 días que permite esta ley. También le dieron a la mamá un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría a la policía dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido adoptada para adoptarlo por el Departamento de Servicios para Niños y Familias.
