1 INTRODUCTION

1.1 The Los Angeles County (County) Sheriff’s Department (Department) is issuing this Request for Proposals (RFP) to solicit proposals for a contract with an organization that can provide Gotham Consulting Services (Services).

1.2 Titles, captions, and headings contained in this solicitation are inserted as a matter of convenience and for reference and are not intended and must not be deemed or construed to define, limit, extend, or otherwise describe the scope or any provision of this solicitation.

1.3 It is anticipated that the Services requested under the Contract will be fully funded by the United States Department of Homeland Security (DHS), XXXX Urban Area Security Initiative (UASI) Grant Program distributed through the California Governor’s Office of Emergency Services (Cal OES), Grant Award Number XXXX-XXXXX, Cal OES ID Number XXX-XXXXX, through the City of Los Angeles Sub-recipient Agreement Number C-XXXXXX, which funds the Joint Regional Intelligence Center (JRIC), and all subsequent grant numbers, and is subject to all policies, provisions and requirements of the grants, which are incorporated herein by this reference, including the contract provisions found in the Code of Federal Regulations 200.327, Appendix II, as applicable, which may be found using the following electronic link: eCFR :: 2 CFR Part 200 -- Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards.

2 PURPOSE-CONTRACT FOR GOTHAM CONSULTING SERVICES

2.1 Statement of Work (SOW)

2.1.1 The Department’s Joint Regional Intelligence Center (JRIC) seeks a Contractor to provide Services for its current Gotham software.

2.1.2 Contractor will be expected to implement the requirements outlined in Exhibit A (Statement of Work) to Appendix A (Sample Contract) to this RFP.

2.1.3 Contractor’s Services must include, but are not limited to, break-fix maintenance, technical support, and other professional services.

2.2 Sample Contract: County Terms and Conditions

2.2.1 Contractor will be expected to implement the requirements outlined in Appendix A (Sample Contract) to this RFP. Proposer should review Appendix A (Sample Contract) with its legal counsel prior to submitting a proposal.

2.2.2 Anticipated Contract Term

It is anticipated that the Contract term shall be for a period of three years, unless sooner terminated or extended. The County has the sole option to extend the term of the Contract for up to two additional one-year option
periods, in monthly increments. The Contract will become effective following approval by the County Board of Supervisors.

2.2.3 Contract Rates
Contractor’s rates will remain firm and fixed for the term and any option period(s) of the Contract. Rates should be in accordance with Exhibit 9 (Pricing Schedule) of Appendix B (Required Forms) to this RFP.

2.2.4 Days of Operation
Contractor will be required to provide Services Monday through Friday between 6:00 am and 6:00 pm (Pacific Time). Contractor is not required to provide services on County-recognized holidays. County Project Manager will provide a list of County holidays to Contractor when the contract is approved, and annually, at the beginning of each calendar year.

2.2.5 Indemnification and Insurance
Contractor will be required to comply with all provisions contained in Paragraph 8.23 (Indemnification) of Appendix A (Sample Contract) to this RFP. Contractor must procure, maintain for the duration of the Contract and all extensions, and provide to the County proof of insurance coverage for all the programs of insurance along with associated amounts specified in Paragraph 8.24 (General Provisions for all Insurance Coverage) and Paragraph 8.25 (Insurance Coverage) of Appendix A (Sample Contract) to this RFP.

3 PROPOSER’S MINIMUM MANDATORY REQUIREMENTS
3.1 Interested and qualified Proposers that can demonstrate their ability and qualifications to successfully provide the required Services outlined in this RFP and Exhibit A (Statement of Work) to Appendix A (Sample Contract) are invited to submit a proposal(s), provided they meet all of the following Minimum Mandatory Requirements:

3.1.1 Proposer must be a Palantir Registered Gotham Supplier and provide written authorization from Palantir to confirm proposer’s access to Palantir’s proprietary technology.

3.1.2 Proposer must have at least five years of experience, within the last ten years, in maintaining and supporting Palantir Gotham.
Proposer must provide references, as well as complete Exhibit 8 (Proposer’s List of References) of Appendix B (Required Forms) to verify this Minimum Mandatory Requirement.

3.1.3 Proposer’s experience must include verifiable ability to execute the following troubleshooting tasks:
a. Reading stack traces / thread dumps and extrapolating information from each.
b. Performing UNIX server health checks (du, df, free, top, etc.).
c. Utilizing debuggers (attached to java processes) to follow along in the code base (especially relevant for plug-ins bug troubleshooting).

Proposer must provide references, as well as complete Exhibit 8 (Proposer’s List of References) of Appendix B (Required Forms) to verify this Minimum Mandatory Requirement.

3.1.4 If Proposer’s compliance with a County contract has been reviewed by the Department of the Auditor-Controller within the last ten years, then Proposer must not have unresolved questions regarding costs that have been identified by the Auditor-Controller, in an amount over $100,000.00, that are confirmed to be disallowed costs by the contracting County department, and remain unpaid for six months or more from the date of disallowance, unless such disallowed costs are the subject of current good faith negotiations to resolve the disallowed costs, in the sole opinion of the County.

4 COUNTY’S RIGHTS AND RESPONSIBILITIES

4.1 Representations Made Prior to Contract Execution

The County is not responsible for representations made by any of its officers or employees prior to the execution of a contract unless such understanding or representation is included in the final, executed contract.

4.2 Final Contract Award by the Board of Supervisors

Notwithstanding a recommendation of a department, agency, individual, or other, the Board of Supervisors of the County of Los Angeles (Board) retains the right to exercise its judgment concerning the selection of a proposal, the terms of any resultant contract, and to determine which proposal best serves the interests of the County. The Board is the ultimate decision-making body and makes the final determinations necessary to arrive at a decision to award, or not award, a contract.

4.3 County’s Option to Reject Proposals

Proposers are hereby advised that this RFP is a solicitation for proposals only, and is not intended, and is not to be construed as, an offer to enter into a contract or as a promise to engage in any formal competitive bidding or negotiations pursuant to any statute, ordinance, rule, or regulation. The County may, at its sole discretion, reject any or all proposals submitted in response of this RFP or may, in its sole discretion, reject all proposals and cancel this RFP in its entirety. The County will not be liable for any costs incurred by Proposer in connection with the preparation and submission of any proposal. The County reserves the right to waive inconsequential disparities in a submitted proposal.
4.4 County’s Right to Amend Request for Proposals

The County has the right to amend the RFP by written addenda. The County is responsible only for that which is expressly stated in the solicitation document and any authorized written addenda thereto. Such addendum will be made available to each person or organization which County records indicate has received or responded with their intent to submit a proposal to this RFP. Should such addendum require additional information not previously requested, failure to address the requirements of such addendum may result in the proposal being found non-responsive and not being considered, as determined in the sole discretion of the County. The County is not responsible for and will not be bound by any representations otherwise made by any individual acting or purporting to act on its behalf.

4.5 Background and Security Investigations

Background and security investigations of Contractor’s staff may be required at the discretion of the County as a condition of beginning and continuing work under any resulting contract. The cost of background checks is the sole responsibility of Contractor.

5 NOTIFICATION TO PROPOSERS

5.1 Notice to Proposers Concerning the Public Records Act

5.1.1 Responses to this solicitation will become the exclusive property of the County. Absent extraordinary circumstances, the recommended Proposer's proposal will become a matter of public record when: 1) contract negotiations are complete, 2) the Department receives a letter from the recommended Proposer's authorized officer that the negotiated contract is the firm offer of the recommended Proposer, and 3) the Department releases a copy of the recommended Proposer's proposal in response to a Notice of Intent to Request a Proposed Contractor Selection Review under Board Policy No. 5.055 (Services Contract Solicitation Protest).

Notwithstanding the above, absent extraordinary circumstances, all proposals will become a matter of public record when the Department's Proposer recommendation appears on the Board agenda.

Exceptions to disclosure are those parts or portions of all proposals that are justifiably defined as business or trade secrets, and plainly marked by the Proposer as "Trade Secret", "Confidential", or "Proprietary".

5.1.2 The County will not, in any way, be liable or responsible for the disclosure of any such record or any parts thereof, if disclosure is required or permitted under the California Public Records Act or otherwise by law. A blanket statement of confidentiality or the marking of each page of the proposal as confidential will not be deemed sufficient notice of exception. Proposers
must specifically label only those provisions of their respective proposal which are "Trade Secrets," "Confidential," or "Proprietary," in nature.

5.1.3 In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked "Confidential," "Trade Secrets," or "Proprietary," Proposer agrees to defend and indemnify the County from all costs and expenses, including reasonable attorneys' fees, incurred in connection with any action, proceedings, or liability arising in connection with the Public Records Act request.

5.2 Contact with County Personnel

All contact regarding this RFP or any matter relating thereto must be in writing, and e-mailed to:

Attention: Joanna Kim, Contract Analyst
E-mail address: jykim@lasd.org

If it is discovered that Proposer contacted and received information from any County personnel, other than the person specified above, regarding this solicitation, the County, in its sole determination, may disqualify their proposal from further consideration.

5.3 Mandatory Requirement to Register on County’s WebVen

Prior to a contract award, all potential Contractors must register in the County’s WebVen. WebVen contains the vendor’s business profile and identifies the goods/services the business provides. Registration can be accomplished online via the Internet by accessing the County’s home page at:

https://camisvr.co.la.ca.us/webven/.

5.4 Protest Policy Review Process

5.4.1 Under Board Policy No. 5.055 (Services Contract Solicitation Protest) any prospective Proposer may request a review of the requirements under a solicitation for a Board-approved services contract, as described in Paragraph 5.4.3 (Grounds for Review) below. Additionally, any actual Proposer may request a review of a disqualification or of a proposed contract award under such a solicitation, as described respectively in the Paragraphs below. It is the responsibility of Proposer challenging the decision of a County Department to demonstrate that the Department committed a sufficiently material error in the solicitation process to justify invalidation of a proposed contract award.

5.4.2 Throughout the review process, the County has no obligation to delay or otherwise postpone an award of contract based on a Proposer protest. In all cases, the County reserves the right to make an award when it is determined to be in the best interest of the County of Los Angeles to do so.
5.4.3 **Grounds for Review**

Unless state or federal statutes or regulations otherwise provide, the grounds for review of a solicitation for a Board-approved services contract provided for under Board Policy No. 5.055 (Services Contract Solicitation Protest) are limited to the following:

a. Solicitation Requirements Review [reference Paragraph 9.1 (Solicitations Requirements Review) of this RFP].

b. Disqualification Review [reference Paragraph 9.2 (Disqualification Review) of this RFP].

c. Department’s Proposed Contractor Selection Review [reference in Paragraph 9.3 (Department’s Proposed Contractor Selection Review) of this RFP].

5.5 **Conflict of Interest**

No County employee whose position in the County enables them to influence the selection of a Contractor for this RFP, or any competing RFP, nor any spouse or economic dependent of such employees, nor be employed in any capacity by a Proposer or have any other direct or indirect financial interest in the selection of a Contractor. Proposer must certify that it is aware of and has read Section 2.180.010 of the Los Angeles County Code as stated in Exhibit 2 (Certification of Compliance) of Appendix B (Required Forms) to this RFP.

5.6 **Determination of Proposer Responsibility**

5.6.1 A responsible Proposer is a Proposer who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity, and experience to satisfactorily perform the contract. It is the County’s policy to conduct business only with responsible Proposers.

5.6.2 Proposers are hereby notified that, in accordance with Chapter 2.202 of the County Code, the County may determine whether Proposer is responsible based on a review of Proposer’s performance on any contracts, including but not limited to County contracts. Particular attention will be given to violations of labor laws related to employee compensation and benefits, and evidence of false claims made by Proposer against public entities. Labor law violations which are the fault of the subcontractors and of which Proposer had no knowledge nor should have known will not be the basis of a determination that Proposer is not responsible.

5.6.3 The County may declare a Proposer to be non-responsible for purposes of this contract if the Board, in its discretion, finds that the Proposer has done any of the following: 1) violated a term of a contract with the County or a nonprofit corporation created by the County, 2) committed an act or omission which negatively reflects on the Proposer’s quality, fitness, or capacity to perform a contract with the County, any other public entity, or a
nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same, 3) committed an act or omission which indicates a lack of business integrity or business honesty, or 4) made or submitted a false claim against the County or any other public entity.

5.6.4 If there is evidence that the apparent highest ranked Proposer may not be responsible, the Department will notify Proposer in writing of the evidence relating to Proposer’s responsibility, and its intention to recommend to the Board that Proposer be found not responsible. The Department will provide Proposer and/or Proposer’s representative with an opportunity to present evidence as to why Proposer should be found to be responsible and to rebut evidence which is the basis for the Department’s recommendation.

5.6.5 If Proposer presents evidence in rebuttal to the Department, the Department will evaluate the merits of such evidence, and based on that evaluation, make a recommendation to the Board. The final decision concerning the responsibility of Proposer will reside with solely the Board of Supervisors.

5.6.6 These terms will also apply to proposed subcontractors of Proposers on County contracts.

5.7 Proposer Debarment

5.7.1 Proposer is hereby notified that, in accordance with Chapter 2.202 of the County Code, the County may debar Proposer from bidding or proposing on, or being awarded, and/or performing work on other County contracts for a specified period of time, which generally will not exceed five years but may exceed five years or be permanent if warranted by the circumstances, and the County may terminate any or all of Proposer’s existing contracts with County, if the Board finds, in its discretion, that Proposer has done any of the following: 1) violated a material term of a contract with the County or a nonprofit corporation created by the County, 2) committed an act or omission which negatively reflects on Proposer’s quality, fitness, or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same, 3) committed an act or offense which indicates a lack of business integrity or business honesty, or 4) made or submitted a false claim against the County or any other public entity. These terms will also apply to proposed subcontractors of Proposers on County contracts.

5.7.2 A listing of Contractors that are currently on the Debarment List for Los Angeles County may be obtained on the following website: https://doingbusiness.lacounty.gov/listing-of-contractors-debarred-in-los-angeles-county/.
5.8 Gratuities

5.8.1 Attempt to Secure Favorable Treatment

It is improper for any County elected official, officer, employee, or agent to solicit consideration, in any form, from a Proposer with the implication, suggestion, or statement that Proposer’s provision of the consideration may secure more favorable treatment for Proposer in the award of the contract or that Proposer’s failure to provide such consideration may negatively affect the County’s consideration of Proposer’s submission. A Proposer must not offer or give either directly or through an intermediary, consideration, in any form, to a County elected official, officer, employee, or agent for the purpose of securing favorable treatment with respect to the award of the contract.

5.8.2 Proposer Notification to County

A Proposer must immediately report any attempt by a County elected official, officer, employee, or agent to solicit such improper consideration. The report must be made either to the County manager charged with the supervision of the employee or to the County Auditor Controller’s Employee Fraud Hotline at (800) 544 6861. Failure to report such a solicitation may result in Proposer’s submission being eliminated from consideration.

5.8.3 Form of Improper Consideration

Among other items, such improper consideration may take the form of cash, discounts, services, the provision of travel or entertainment, or tangible gifts.

5.9 Notice to Proposers Regarding the County Lobbyist Ordinance

The Board has enacted an ordinance regulating the activities of persons who lobby County officials. This ordinance, referred to as the "Lobbyist Ordinance", defines a County Lobbyist and imposes certain registration requirements upon individuals meeting the definition. The complete text of the ordinance can be found in County Code Chapter 2.160. In effect, each person, corporation, or other entity that seeks a County permit, license, franchise, or contract must certify compliance with the ordinance. As part of this solicitation process, it will be the responsibility of each Proposer to review the ordinance independently as the text of said ordinance is not contained within this RFP. Thereafter, each person, corporation, or other entity submitting a response to this solicitation, must certify that each County Lobbyist, as defined by Los Angeles County Code Section 2.160.010, retained by Proposer is in full compliance with Chapter 2.160 of the Los Angeles County Code and each such County Lobbyist is not on the Executive Office’s List of Terminated Registered Lobbyists.
5.10 Consideration of GAIN-GROW Participants for Employment

5.10.1 As a threshold requirement for consideration for contract award, Proposers must demonstrate a proven record of hiring participants in the County’s Department of Public Social Services Greater Avenues for Independence (GAIN) or General Relief Opportunity for Work (GROW) Programs or must attest to a willingness to consider GAIN/GROW participants for any future employment openings if they meet the minimum qualifications for that opening. Proposers must attest to a willingness to provide employed GAIN/GROW participants access to Proposers’ employee mentoring program, if available, to assist these individuals in obtaining permanent employment and/or promotional opportunities.

5.10.2 Proposers who are unable to meet this requirement will not be considered for contract award. Proposers must submit a completed Exhibit 2 (Certification of Compliance) of Appendix B (Required Forms) to this RFP, along with their proposal.

5.11 Jury Service Program

5.11.1 The prospective contract is subject to the requirements of the County’s Contractor Employee Jury Service Ordinance (“Jury Service Program”) (Los Angeles County Code, Chapter 2.203). Prospective Contractors should carefully review Paragraph 8.8 (Compliance with the County’s Jury Service Program) of Appendix A (Sample Contract), both of which are incorporated by reference into and made a part of this RFP. The Jury Service Program applies to both Contractors and their subcontractors.

Proposals that fail to comply with the requirements of the Jury Service Program will be considered non-responsive and excluded from further consideration.

5.11.2 Contractor must certify compliance with the County’s Contractor Employee Jury Service Ordinance in Exhibit 2 (Certification of Compliance). If a Contractor does not fall within the Jury Service Program’s definition of “Contractor” or if it meets any of the exceptions to the Jury Service Program, then the Contractor must so indicate in Exhibit 2 (Proposer’s Certification of Compliance) of Appendix B (Required Forms) to this RFP, and include with its submission all necessary documentation to support the claim such as tax returns or a collective bargaining agreement, if applicable. Upon reviewing Contractor’s application, the County will determine, in its sole discretion, whether Contractor falls within the definition of Contractor or meets any of the exceptions to the Jury Service Program. The County’s decision will be final.
5.12 Notification to County of Pending Acquisitions/Mergers by Proposing Company

Proposer must notify the County of any pending acquisitions/mergers of its company unless otherwise legally prohibited from doing so. If Proposer is restricted from legally notifying the County of pending acquisitions/mergers, then it should notify the County of the actual acquisitions/mergers as soon as the law allows and provide to the County the legal framework that restricted it from notifying the County prior to the actual acquisitions/mergers. This information must be provided by Proposer in Exhibit 1, (Proposer’s Organization Questionnaire/Affidavit) of Appendix B (Required Forms) to this RFP. Failure of Proposer to provide this information may eliminate its proposal from any further consideration. Proposer will have a continuing obligation to notify the County and update any changes to its response in Exhibit 1 (Proposer’s Organization Questionnaire/Affidavit) to this RFP during the solicitation.

5.13 Intentionally Omitted

5.14 Defaulted Property Tax Reduction Program

5.14.1 The prospective contract is subject to the requirements of the County’s Defaulted Property Tax Reduction Program (“Defaulted Tax Program”), (Los Angeles County Code, Chapter 2.206). Prospective Contractors should reference the pertinent provisions in Paragraph 8.51 (Warranty of Compliance with County’s Defaulted Property Tax Reduction Program) and 8.52 (Termination for Breach of Warranty to Maintain Compliance with County’s Defaulted Property Tax Deduction Program) of Appendix A (Sample Contract), both of which are incorporated by reference into and made a part of this solicitation. The Defaulted Tax Program applies to both Contractors and their subcontractors.

5.14.2 Proposers are required to certify that they are in full compliance with the provisions of the Defaulted Tax Program and must maintain compliance during the term of any contract that may be awarded pursuant to this solicitation or must certify that they are exempt from the Defaulted Tax Program by completing Exhibit 2 (Certification of Compliance) of Appendix B (Required Forms) to this RFP. Failure to maintain compliance, or to timely cure defects, may be cause for termination of a contract or initiation of debarment proceedings against the non-compliant Contractor or subcontractor (Los Angeles County Code, Chapter 2.202).

5.14.3 Proposals that fail to comply with the certification requirements of the Defaulted Tax Program will be considered non-responsive and excluded from further consideration.
5.15 Proposer's Acknowledgement of County's Commitment to Zero Tolerance Policy on Human Trafficking

5.15.1 On October 4, 2016, the Board approved a motion taking significant steps to protect victims of human trafficking by establishing a zero-tolerance policy on human trafficking. The policy prohibits Contractors engaged in human trafficking from receiving contract awards or performing services under a County contract.

5.15.2 Contractors are required to complete Exhibit 2 (Certification of Compliance) of Appendix B (Required Forms) to this RFP, certifying that they are in full compliance with the County's Zero Tolerance Policy on Human Trafficking provision as defined in Paragraph 8.54 (Compliance with County's Zero Tolerance Policy on Human Trafficking) of Appendix A (Sample Contract) to this RFP. Further, Contractors and their subcontractors are required to comply with the requirements under said provision for the term of any contract awarded pursuant to this solicitation.

5.16 Intentionally Omitted

5.17 Default Method of Payment: Direct Deposit or Electronic Funds Transfer (EFT)

5.17.1 The County has determined that the most efficient and secure default form of payment for goods and/or services provided under a contract with the County must be Electronic Funds Transfer (EFT) or direct deposit, unless an alternative method of payment is deemed more appropriate by the Auditor-Controller (A-C).

5.17.2 Upon contract award or at the request of the A-C and/or the contracting department, Contractor must submit a direct deposit authorization request with banking and vendor information, and any other information that the A-C determines is reasonably necessary to process the payment and comply with all accounting, record keeping, and tax reporting requirements.

5.17.3 Any provision of law, grant, or funding agreement requiring a specific form or method of payment other than EFT or direct deposit will supersede this requirement with respect to those payments.

5.17.4 Upon contract award or at any time during the duration of the contract, a Contractor may submit a written request for an exemption to this requirement. The A-C, in consultation with the contracting department(s), will decide whether to approve exemption requests.

5.18 Proposer's Acknowledgement of County's Commitment to Fair Chance Employment Hiring Practices

5.18.1 On May 29, 2018, the Board approved a Fair Chance Employment Policy in an effort to remove job barriers for individuals with criminal records. The policy requires businesses that contract with the County to comply with fair
chance employment hiring practices set forth in California Government Code Section 12952.

5.18.2 Proposers are required to complete Exhibit 2 (Certification of Compliance) of Appendix B (Required Forms) to this RFP, certifying that they, and their subcontractors, are in full compliance with Section 12952, as indicated in Appendix A (Sample Contract). Further, Contractors and their subcontractors are required to comply with the requirements under Section 12952 for the term of any contract awarded pursuant to this solicitation.

5.19 Prohibition from Participation in Future Solicitation(s)

A Proposer, or a Contractor or its subsidiary or subcontractor ("Proposer/Contractor"), is prohibited from submitting a bid or proposal in a County solicitation if the Proposer/Contractor has provided advice or consultation for the solicitation. A Proposer/Contractor is also prohibited from submitting a bid or proposal in a County solicitation if the Proposer/Contractor has developed or prepared any of the solicitation materials on behalf of the County. A violation of this provision will result in the disqualification of the Proposer/Contractor from participation in the County solicitation or the termination or cancellation of any resultant County contract. (Los Angeles County Code, Chapter 2.202).

5.20 Intentionally Omitted

5.21 Community Business Enterprise (CBE) Participation

The County has adopted a CBE Program, which includes business enterprises owned by disabled veterans, disadvantaged business enterprises, minority and women-owned businesses, and lesbian, gay, bisexual, transgender, queer, and questioning-owned business enterprises. The County has established an annual participation goal of 25% County-wide. The information obtained through Exhibit 6 (Community Business Enterprise (CBE) Information) of Appendix B (Required Forms) to this RFSQ, will assist the County in reaching the annual participation goal.

All Proposers must document good faith efforts it has taken to assure that CBEs are utilized, when possible, to provide supplies, equipment, technical services, and other services under this Contract. Proposer must make documents related to these good faith efforts available to the County upon request.

To obtain a list of firms that are certified by the County in the CBE Program, send an e-mail request to the County of Los Angeles Workforce Development Aging and Community Services (WDACS): CBESBE@wdacs.lacounty.gov with the subject “Request for CBE Listing.” For additional information contact the Office of Small Business at: (844) 432-4900 or at OSB@wdacs.lacounty.gov.

The County strongly encourages participation by CBEs; however, the final selection will be made without regard to race, color, creed, or gender. The final selection will be based on Proposer's ability to provide the best service and value to the County.

6.1 Overview of County’s Preference Programs

6.1.1 The County has three preference programs. The Local Small Business Enterprise (LSBE), Disabled Veteran Business Enterprise (DVBE), and Social Enterprise (SE). 6.1.2 The Preference Programs (LSBE and DVBE, and SE) require that a business complete certification prior to requesting a preference in a solicitation. This program and how to obtain certification are further explained in Paragraphs 6.2 (Local Small Business (LSBE) Preference Program (If Applicable)), 6.4 (Social Enterprise (SE) Preference Program (If Applicable)), and 6.5 (Disabled Veteran Business Enterprise (DVBE) Preference Program (If Applicable)) of this solicitation. 7 BUSINESS PROPOSAL REQUIREMENTS AND EVALUATION

This Paragraph 7 (Business Proposal Requirements and Evaluation) contains key project dates and activities, provides Proposers with proposal submission requirements and submittal instructions, and identifies evaluation criteria.

7.1 Truth and Accuracy of Representations

False, misleading, incomplete, or deceptively unresponsive statements in connection with a proposal will be sufficient cause for rejection of the proposal. The evaluation and determination in this area will be at the Department’s sole judgment and its judgment will be final. All questions, without identifying the submitting company, will be compiled with the appropriate answers and issued as an addendum to this RFP.

7.3.2 When submitting questions, please specify this RFP, Paragraph number, and page number as well as quote the language that prompted the question. This will ensure that the question can be quickly found in this RFP. County reserves the right to group similar questions when providing answers.

7.4 Virtual Mandatory Proposers’ Conference

7.4.1 A virtual Mandatory Proposers’ Conference will be held to discuss this RFP requirements. County staff will provide an overview of the Gotham Consulting Services project and respond to questions from potential Proposers.
The virtual Mandatory Proposers’ Conference is scheduled to take place as follows:

Proposers’ Conferences are held at the discretion of the Department.

7.4.2 Prospective Proposers must RSVP to the Contract Analyst identified in Paragraph 5.2 (Contact with County Personnel) of this RFP on or before May 17, 2023. Proposers must provide the names, titles, email addresses, and phone numbers of not more than two full-time employee/representatives who will be attending the virtual Mandatory Proposers’ Conference. The County will be using a video conferencing platform for this event. Prospective Proposers who RSVP’d for the conference will receive an emailed invitation with the meeting URL.

7.4.3 All potential Proposers must attend the virtual Mandatory Proposers’ Conference in **its entirety**, or their proposals will be rejected as non-responsive (disqualified) without review, and eliminated from further consideration.

7.4.4 County staff will make a reasonable attempt to respond to questions from potential Proposers. Written answers to questions posed at the virtual Mandatory Proposers’ Conference will be posted by June 8, 2023 on the Department’s website at [https://lasd.org/transparency/solicitations/](https://lasd.org/transparency/solicitations/). Answers to Proposers’ questions are not considered final until they are released in writing. All written answers and any addenda thereto shall supersede all verbal responses provided at the virtual Mandatory Proposers’ Conference.

7.5 **Preparation of the Proposal**

Two separate proposals must be submitted - a Business Proposal and a Cost Proposal. All proposals must be bound and submitted in the prescribed format. Any proposal that deviates from this format may be rejected as non-responsive without review at the County’s sole discretion.

7.6 **Business Proposal Requirements and Evaluation (70%)**

Any reviews conducted during the evaluation of the proposal may result in a point reduction. The content and sequence of the proposal must be as follows:

**Business Proposal Format:**

7.6.1 **Table of Contents**

List all material included in the proposal. Include a clear definition of the material, identified by sequential page numbers and by Section and Paragraph reference numbers.
7.6.2 Executive Summary (Section A)

Condense and highlight the contents of Proposer’s Business Proposal to provide the Department with a broad understanding of Proposer’s approach, qualifications, experience, and staffing.

7.6.3 Proposer’s Qualifications (Section B) (25%)

Proposer will be evaluated on their experience and capacity as a corporation or other entity to perform the required Services based on information provided in this Section.

7.6.3.1 Proposer’s Background and Experience (Section B.1)

Provide a summary of relevant background information to demonstrate that the Proposer meets or exceeds the Minimum Mandatory Requirements stated in Paragraph 3 (Proposer’s Minimum Mandatory Requirements) of this RFP and has the capability to perform the required Services as a corporation or other entity.

Proposer’s summary must describe its experience with program and developmental languages/tools as specified in Paragraphs 3.2 and 3.3 (General Requirements) of Appendix A (Statement of Work) to this RFP.

7.6.3.2 Proposer’s List of References (Section B.2)

Proposer will be evaluated on the verification of references provided in Exhibit 8 (Proposer’s List of References) of Appendix B (Required Forms) to this RFP. In addition to the references provided, the Department will review the County’s Contractor Alert Reporting Database, if applicable, reflecting past performance history on County or other contracts. This review may result in point deductions up to 100% of the total points awarded in this evaluation category.

Proposer must provide at least three references where the same or similar scope of Services was provided and must include all public entity contracts for the last three consecutive years. Proposer’s completed Exhibit 8 (Proposer’s List of References) of Appendix B (Required Forms) to this RFP must be provided in Section F (Business Proposal Required Forms and Corporate Documents) of Proposer’s business proposal. Proposer may use additional sheets, if necessary.

It is Proposer’s sole responsibility to ensure that information provided for each reference is accurate.

The County may disqualify a Proposer as non-responsive and/or non-responsible for any of the following:
a. References fail to substantiate Proposer's description of the services provided; or
b. References fail to support that Proposer has a continuing pattern of providing capable, productive, and skilled personnel, or
c. The Department is unable to reach the point of contact with reasonable effort. It is Proposer's responsibility to inform the point of contact that reference checks will be conducted during normal working hours.

7.6.3.3 Proposer's Debarment History and List of Terminated Contracts

The County will conduct a review of Proposer’s terminated contracts and debarment history. Proposer must include contracts terminated within the past three years with a reason (s) for termination in Exhibit 4 (Proposer’s Debarment History and List of Terminated Contracts) of Appendix B (Required Forms) to this RFP. Proposer's completed Exhibit 4 (Proposer’s Debarment History and List of Terminated Contracts) must be provided in Section F (Business Proposal Required Forms and Corporate Documents) of Proposer’s business proposal.

7.6.3.4 Proposer's Financial Capability (Section B.3)

The County will conduct a review of Proposer’s financial capability. Proposer must provide copies of the company's most current and prior two fiscal years (for example 2021 and 2022) financial statements. Statements should include the company’s assets, liabilities, and net worth and at a minimum should include the Balance Sheet, Statement of Income, and the Statement of Cash Flows. It should be noted that depending on the nature of the entity (e.g., for-profit, non-profit, governmental) the title of these statements may differ. For example, for a non-profit entity the Balance Sheet is referred to as the Statement of Financial Position. If audited statements are available, these should be submitted to meet this requirement. Do not submit Income Tax Returns to meet this requirement. Financial statements will be kept confidential if clearly stamped on each page.

7.6.3.5 Proposer's Pending Litigation and Judgments (Section B.4)

The County will conduct a review of Proposer’s pending litigation and judgements. Proposer must identify by name, case, and court jurisdiction any pending litigation in which Proposer is involved, or judgments against Proposer in the past five years. Additionally, Proposer must provide a statement describing the size and scope
of any pending or threatening litigation against Proposer or principals of Proposer.

If Proposer has no pending litigation, threatened litigation, or judgements, then a statement stating so must be provided in Section B.4 (Proposer’s Pending Litigation and Judgments) of its proposal.

A proposal that fails to disclose litigation and judgements may be rejected as non-responsive or disqualified.

7.6.4 Proposer’s Approach to Providing Required Services (Section C) (25%)

Proposer will be evaluated on its description of the methodology to be used to meet the County’s requirements based on information provided in this Section C.

Proposer must present a description of the methodology Proposer will use to meet contract work requirements, including how the services will be performed to meet the goals of Exhibit A (Statement of Work).

7.6.4.1 Proposer’s Approach and Methodology (Section C.1)

In this Section C.1 of the Business Proposal, Proposer must describe its management approach and methodology toward fulling the requirements of this RFP, including those set forth in Appendix A (Statement of Work), and any resultant Contract. Additionally, Proposer must describe how it intends to ensure a 24/7 optimal operational status of the Gotham application as specified in Appendix A (Statement of Work) to this RFP.

Proposer’s approach and methodology must clearly demonstrate that Proposer accepts and will meet all requirements of this RFP. Reiteration of the work requirements specified in Appendix A (Sample Contract) and Exhibit A (Statement of Work), without further discussion, is not sufficient.

7.6.4.2 Statement of Work (Section C.2)

Proposer must provide its response to Appendix A (Statement of Work), which must adhere to the instructions and requirements set forth in this RFP.

a. In its response to Appendix A (Statement of Work), Proposer must describe how it intends to execute each requirement listed in Appendix A (Statement of Work) to this RFP, including, but not limited to the following:

• Performing break-fix maintenance and/or repairs, including a system downtime occurrence.
• Resolving urgent and non-urgent errors and/or malfunctions.

b. Proposer must identify by name, each of Proposer’s staff identified to perform the requirements of this RFP, and the qualifications of such person assigned to each task, including, but not limited to the following key staff:

• Proposer’s Project Director,
• Proposer’s Project Manager, and
• Proposer’s key technical staff (e.g., developers/programmers, server administrators, SMEs, help-desk staff, and on-site technical support staff).

For each of the key staff listed above, provide a name, summary of background and experience, area(s) of expertise, and resume.

7.6.5 Proposer’s Quality Control Plan (Section D) (20%)

Proposer will be evaluated on its ability to establish and maintain a complete Quality Control Plan to ensure the requirements of this contract are provided as specified. Evaluation of the Quality Control Plan must cover the proposed monitoring system of all services identified in Appendix A (Statement of Work) to this RFP.

Proposer must present a comprehensive Quality Control Plan to be utilized by Proposer as a self-monitoring tool to ensure the required Services are provided as specified in Exhibit A (Statement of Work) to Appendix A (Sample Contract) to this RFP.

The following factors must be included in the plan:

• Activities to be monitored to ensure compliance with all contract requirements;
• Monitoring methods to be used;
• Frequency of monitoring;
• Samples of forms to be used in monitoring;
• Title/level and qualifications of personnel performing monitoring functions;
• Documentation methods of all monitoring results, including any corrective action taken; and
• Record keeping and reporting.
7.6.6 Exceptions to Terms and Conditions of Sample Contract and/or Requirements of Statement of Work and Attachments (Section E)

7.6.6.1 It is the duty of every Proposer to thoroughly review Appendix A (Sample Contract) and Exhibit A (Statement of Work) to this RFP to ensure compliance with all terms, conditions, and requirements.

Proposer will be evaluated on their willingness to accept the Terms and Conditions outlined in Appendix A (Sample Contract) and the Requirements outlined in Exhibit A (Statement of Work) to Appendix A (Sample Contract) to this RFP.

Proposers should review Appendix A (Sample Contract) to this RFP with its legal counsel prior to submitting a proposal.

It is the County’s expectation that in submitting a proposal, Proposer will accept, as stated, the County’s terms and conditions in the Sample Contract and the County’s requirements in the Statement of Work. However, Proposers are provided the opportunity to take exceptions to the County’s terms, conditions, and requirements. The County may deduct rating points or disqualify the proposal in its entirety if the exceptions are material enough to deem the proposal non-responsive.

Proposers are further notified that the County may, in its sole determination, disqualify any Proposer with whom the County cannot satisfactorily negotiate a contract.

7.6.6.2 Section E of Proposer’s response must include:

a. A statement offering Proposer’s acceptance of, or exceptions to, all terms and conditions listed in Appendix A (Sample Contract) to this RFP.

b. A statement offering Proposer’s acceptance of, or exceptions to, all requirements listed in Exhibit A (Statement of Work) to Appendix A (Sample Contract) to this RFP.

For each exception, Proposer must provide:

• an explanation of the reason(s) for the exception,
• the proposed alternative language, and
• a description of the impact, if any, to Proposer’s price.

7.6.6.3 Indicate all exceptions to Appendix A (Sample Contract) and/or Exhibit A (Statement of Work) to this RFP, by providing a ‘red-lined’ Word version of the language in question. The County relies on this exceptions procedure and any Proposer who fails to make timely exceptions as required herein, may be barred, at the County’s sole
discretion, from later making such exceptions, including during Contracts negotiations.

The County reserves the sole right to make changes to Appendix A (Sample Contract) to this RFP and its Appendices and Exhibits.

7.6.7 Business Proposal Required Forms and Corporate Documents (Section F)

7.6.7.1 Proposal must include all completed, signed, and dated forms identified in Appendix B (Required Forms) of this RFP.

Exhibit 1  Proposer's Organization Questionnaire/Affidavit

b. Limited Partnership:

Proposer must submit a conformed copy of the Certificate of Limited Partnership or Application for Registration of Foreign Limited Partnership as filed with the California Secretary of State, and any amendments.
7.7  **Cost Proposal Requirements and Evaluation (30%)**

Please refer to Paragraph 7.9.2 below for Cost Proposal submission instructions. The content and sequence of the proposal must be as follows:

7.7.1 **Cover Page**

Cover Page must identify, at a minimum, this RFP and Proposer’s name.

7.7.2 **Pricing Sheet**

Proposer must complete and submit Exhibit 9 (Pricing Schedule) of Appendix B (Required Forms) to this RFP.

The maximum number of possible points will be awarded to the lowest cost proposal. All other proposals will be compared to the lowest cost and points awarded accordingly.

However, should one or more Proposers request and be granted a preference, the cost component points will be determined as follows:

- 15% of the lowest cost proposed will be calculated, not to exceed $150,000, and that amount will be deducted from the cost submitted by all Proposers who requested and were granted the preference.
- In no case will any preference be combined to exceed 15% of the lowest responsible bid meeting specifications.

7.8  **Firm Offer-Withdrawal of Proposal**

Until the proposal submission deadline, errors in proposals may be corrected by a request in writing to withdraw the proposal and by submission of another set of proposals with the mistakes corrected. Corrections will not be accepted once the deadline for submission of proposals has passed.

7.9  **Proposal Submission**

Proposals must be submitted as follows:

7.9.1 **Business Proposal** - The original Business Proposal, three numbered exact hard copies, and two separate exact copies in searchable PDF format on flash drives must be enclosed in a sealed envelope or box, with the name and address of Proposer and reference the solicitation as follows:

7.9.3 The Business and Cost Proposal(s) must be delivered or mailed to:

   Attention: Joanna Kim, Contract Analyst

7.9.4 Proposers must also include a redacted Business Proposal in searchable Adobe PDF format, with all confidential, proprietary, and trade secret information redacted, as part of its proposal submission. With respect to this requirement, Proposer must submit one electronic copy in searchable Adobe PDF format, with confidential, proprietary and trade secret information redacted. Proposers must specifically redact only those parts of the Business Proposal that are actual trade secrets, confidential, or proprietary in nature. Blanket or categorical redactions and/or statements of confidentiality, or the marking of each page of the proposal as "Trade Secret," "Confidential," or "Proprietary," are not acceptable, and will be rejected in the sole discretion of the County.

7.9.5 It is the sole responsibility of the submitting Proposer to ensure that its proposal is received before the submission deadline. Submitting Proposers will bear all risks associated with delays in delivery by any person or entity, including the U.S. Mail. Any proposals received after the scheduled closing date and time for receipt of proposals, as listed in Paragraph 7.2 (RFP Timetable), will not be accepted and returned to the sender unopened. Timely hand delivered proposals are acceptable. No facsimile (fax) or electronic mail (e-mail) copies will be accepted.

7.9.6 All proposals will be firm offers and may not be withdrawn for a period of 180 days following the last day to submit proposals.

8 SELECTION PROCESS OVERVIEW

8.1 Selection Process

The County reserves the sole right to judge the contents of the proposals submitted pursuant of this RFP and to review, evaluate, and select the successful proposal(s). The selection process will begin with receipt of the proposal on the date outlined in Paragraph 7.2 (RFP Timetable).

Evaluation of the proposals will be made by an Evaluation Committee selected by the Department. The Evaluation Committee will evaluate the proposals and will use the evaluation approach described in this RFP to select a prospective Contractor.
8.2 Adherence to Minimum Mandatory Requirements (Pass-Fail)

The County will review Exhibit 1 (Proposer's Organization Questionnaire/Affidavit), Exhibit 7 (Minimum Mandatory Requirements), and Exhibit 8 (Proposer’s List of References), of Appendix B (Required Forms) to this RFP to determine if Proposer meets the Minimum Mandatory Requirements as outlined in Paragraph 3 (Proposer's Minimum Mandatory Requirements) of this RFP.

Failure of Proposer to comply with the Minimum Mandatory Requirements may eliminate its proposal from any further consideration. The County may elect to waive any informalities in a proposal if the sum and substance of the proposal is present.

8.3 Evaluation of Business and Cost Proposals

All proposals will be evaluated based on the criteria listed in Paragraph 7 (Proposal Submission Requirements and Evaluation Criteria) of this RFP and will be scored and ranked in numerical sequence from high to low. The County may also, at its option, invite Proposers being evaluated to make a verbal presentation or conduct site visits, if appropriate. The Evaluation Committee may utilize the services of appropriate experts to assist in the evaluation process.

After a prospective Contractor has been selected, the County and the prospective Contractor will negotiate a contract for submission to the Board for its consideration and possible approval. If a satisfactory contract cannot be negotiated, the County may, at its sole discretion, begin contract negotiations with the next qualified Proposer who submitted a proposal, as determined by the County.

The recommendation to award a contract will not bind the Board to award a contract to the prospective Contractor.

The County retains the right to select a proposal other than the proposal receiving the highest number of points if the County determines, in its sole and reasonable discretion, another proposal is the most overall qualified, responsive, responsible and in the best interests of the County.

9 PROTEST PROCESS OVERVIEW

9.1 Solicitation Requirements Review

Any person or entity may seek a Solicitation Requirements Review by submitting Appendix C (Transmittal Form to Request a Solicitation Requirements Review) to this RFP, to the department conducting the solicitation. A request for a Solicitation Requirements Review may be denied, if in the Department’s sole discretion, if the request does not satisfy all the following criteria:

a. The request is made within the time frame identified in the solicitation document (generally within ten business days of the issuance of the solicitation document),
b. The request includes documentation (e.g., letterhead, business card, etc.), which identifies the underlying authority of the person or entity to submit a proposal,
c. The request itemizes in appropriate detail, each matter contested and factual reasons for the requested review, and
d. The request asserts either that:
   i. Application of the Minimum Mandatory Requirements, evaluation criteria and/or business requirements unfairly disadvantages the person or entity, or
   ii. Due to unclear instructions, the process may result in the County not receiving the best possible responses from prospective Proposers.

The Solicitation Requirements Review will be completed, and the Department’s determination will be provided to the requesting person or entity, in writing, within a reasonable time prior to the proposal due date.

9.2 Disqualification Review

9.2.1 A proposal may be disqualified from consideration if the Department determines it was non-responsive at any time during the review/evaluation process. If the Department determines that a proposal is disqualified due to non-responsiveness, the Department will notify Proposer in writing.

9.2.2 Upon receipt of the written determination of non-responsiveness, Proposer may submit a written request for a Disqualification Review within the timeframe specified in the written determination.

9.2.3 A request for a Disqualification Review may, in the Department’s sole discretion, be denied if the request does not satisfy all of the following criteria:
   a. The request for a Disqualification Review is submitted timely (i.e., by the date and time specified in the written determination), and
   b. The request for a Disqualification Review asserts that the Department’s determination of disqualification due to non-responsiveness was erroneous and provides factual support on each ground asserted as well as copies of all documents and other material that support the assertions.

9.2.4 The Disqualification Review must be completed, and the determination will be provided to the requesting Proposer, in writing, prior to the conclusion of the evaluation process.

9.2.5 Proposer can also be disqualified for reasons described throughout this RFP.
9.3 **Department's Proposed Contractor Selection Review**

9.3.1 **Departmental Debriefing Process**

Upon completion of the evaluation, the Department will notify the remaining Proposers in writing that the Department is entering negotiations with another Proposer. Upon receipt of the letter, any non-selected Proposer may submit a written request for a Debriefing within the timeframe specified in the letter. A request for a Debriefing may, in the Department's sole discretion, be denied if the request is not received within the specified timeframe.

The purpose of the Debriefing is to compare the requesting Proposer's response to the solicitation document with the evaluation document. The requesting Proposer will be debriefed only on its response. Because contract negotiations are not yet complete, responses from other Proposers will not be discussed, although the Department may inform the requesting Proposer of its relative ranking.

During or following the Debriefing, the Department will instruct the requesting Proposer of the manner and timeframe in which the requesting Proposer must notify the Department of its intent to request a Proposed Contractor Selection Review [see Paragraph 9.3.2 (Proposed Contractor Selection Review) below] if the requesting Proposer is not satisfied with the results of the Debriefing.

9.3.2 **Proposed Contractor Selection Review**

9.3.2.1 Any Proposer that has timely submitted a notice of its intent to request a Proposed Contractor Selection Review as described in Paragraph 9.3.1 (Departmental Debriefing Process) above must submit a written request for a Proposed Contractor Selection Review, in the manner and timeframe as will be specified by the Department.

9.3.2.2 A request for a Proposed Contractor Selection Review may, in the Department's sole discretion, be denied if the request does not satisfy all of the following criteria:

a. The request for a Proposed Contractor Selection Review is submitted timely (i.e., by the date and time specified by the Department), and

b. The person or entity requesting a Proposed Contractor Selection Review asserts in appropriate detail with factual reasons one or more of the following grounds for review:

9.4 County Independent Review

Any Proposer that is not satisfied with the results of the Proposed Contractor Selection Review may submit a written request for a County Independent Review in the manner and timeframe specified by the Department in the Department's written decision regarding the Proposed Contractor Selection Review.
