Unless circumstances justify otherwise, each Work Order must result from bids, solicited by and tendered to the County from Contractors. Unless otherwise specified, the County will select the lowest cost, qualified bid responding to the requirements of the proposed Work Order. No Work will be performed by Contractors except in accordance with validly bid and fully executed Work Orders. All executed Work Orders under this Master Agreement are incorporated herein as Exhibit J (Subsequent Executed Work Orders) by this reference and made a part of this Master Agreement.

### **3.0 WORK**

- 3.1** Pursuant to the provisions of this Master Agreement, Contractor must fully perform, complete and deliver on time, all tasks, deliverables, Services and other Work as set forth in this Master Agreement, including Attachment 1 (Statement of Work), and any fully executed Work Order.
- 3.2** Work Orders will generally conform to Exhibit F (Sample Work Order) to this Master Agreement. Each Work Order will describe in detail the particular project and the Work required for the performance thereof. Payment for all Work must be on a fixed price/not-to-exceed cost per deliverable basis, including labor, subject to the total maximum amount specified on each individual Work Order. Unless otherwise agreed to by County Project Manager, all aircraft or components requiring Services under this Master Agreement will be shipped or delivered to Contractor by the County and must be returned to the County, at the County's expense, upon completion of Contractor's Services as specified in the Work Order.
- 3.3** If Contractor provides any task, deliverable, Service, or other Work to the County other than what is specified in this Master Agreement without a fully executed Work Order, and/or goes beyond the scope of the Work Order, and/or exceeds the total maximum amount as specified in the Work Order as originally written or modified in accordance with Paragraph 8.1

(Amendments and Change Notices), these will be gratuitous efforts on the part of Contractor for which Contractor will have no claim whatsoever against the County.

- 3.4 The County's procedures for issuing and executing Work Orders are as follows:
  - 3.4.1 Work Orders may be issued under competitive or non-competitive conditions to provide as-needed Services. It is understood by Contractor that the County's competitive bidding procedure may have the effect that no Work Orders are awarded to some Contractors.
  - 3.4.2 Upon determination by the County to issue a Work Order, the County will issue a Work Order solicitation to all Contractors qualified to perform the Work in question pursuant to Exhibit H (Service Category Checklist) to this Master Agreement. Unless otherwise specified, the County will select the lowest cost, qualified bid responding to the requirements of the proposed Work Order. Among other considerations, availability, turn-around time, geographical proximity, and expertise may be factored into the selection process. However, based on the needs of the County, the Department retains the sole discretion to issue a Work Order to any Active Contractor on either a competitive or non-competitive basis.
  - 3.4.3 Each interested Contractor must submit a fixed price/not-to-exceed bid to the County contact specified in the Work Order within the timeframe specified. Failure of Contractor to provide a bid within the specified timeframe may disqualify Contractor for that particular Work Order solicitation.
  - 3.4.4 Contractor's intentional gross underbidding or zero-cost bidding of a Work Order solicitation, for the sole purpose of securing a bid award, will be considered non-responsible and therefore null and void, in the County's sole discretion.
  - 3.4.5 The County may in its sole discretion require Contractor to clarify any itemized costs presented in the winning bid response and the manner in which they are presented. The County reserves its sole right to question any line item of the bid response and, in consultation with Contractor, may request the removal of such line item along with a reduction to Contractor's fixed price/not-to-exceed bid.
  - 3.4.6 In the event that the lowest cost responsive and responsible Contractor is not available to provide Service or cannot fulfill a fully executed Work Order within the County's timeframe, the County, in its sole discretion, may request Services from the next lowest cost, responsive and responsible Contractor until the County's requirements are filled.

- 3.4.7 A Work Order is valid and fully executed upon receiving the approval of County Project Director and County Project Manager.
- 3.5 The County estimates that selection of any Contractor will occur within five Business Days of completion of the evaluations of the particular Work Order bids. Following selection, Contractor must be available to meet with County Project Director on the start date specified in the Work Order. Inability of Contractor to comply with such commencement date may be cause for disqualification of Contractor from the particular Work Order as determined in the sole discretion of County Project Director.
- 3.6 In the event Contractor defaults three times under Paragraph 3.5 above, within a given County Fiscal Year, the County may terminate this Master Agreement pursuant to Paragraph 8.42 (Termination for Default) of this Master Agreement.
- 3.7 The execution of a Master Agreement does not guarantee a Contractor any minimum amount of Work. The County does not promise, warrant, or guarantee that the County will utilize any particular level of Contractor's Services, or any Services at all, during the Term of this Master Agreement. The determination as to the need for Services will rest solely within the discretion of the Department.

#### **4.0 TERM OF MASTER AGREEMENT**

- 4.1 This Master Agreement will commence on July 11, 2024, or upon the date of its execution by the Sheriff or his designee as authorized by the Board, whichever is later, and will expire on July 10, 2027, unless sooner extended or terminated, in whole or in part, as provided herein.
- 4.2 The County will have the sole option to extend this Master Agreement Term for up to four additional one-year option periods, for a maximum total Master Agreement Term of seven years. Each such option period Term will be exercised at the sole discretion of the Sheriff as authorized by the Board and will be in the form of a written Amendment executed in accordance with Paragraph 8.1 (Amendments and Change Notices) of this Master Agreement.
- 4.3 The County maintains a database that tracks/monitors Contractor performance history. Information entered into the database may be used for a variety of purposes, including determining whether the County will exercise a Master Agreement Term option period.
- 4.4 Contractor must notify the Department when this Master Agreement is within six months from the expiration of the Term as provided for hereinabove. Upon occurrence of this event, Contractor must send written notification to County Project Director at the address provided in Exhibit A (County's Administration) to this Master Agreement.

## **5.0 CONTRACT SUM**

### **5.1 Total Contract Sum**

Contractor will not be entitled to any payment by the County under this Master Agreement except pursuant to validly executed and satisfactorily performed Work Orders. In each year of this Master Agreement, the total of all amounts actually expended by the County hereunder (“maximum annual expenditures”) may not exceed amounts allocated to the Department by the Board in their approved budgets. The County has sole discretion to expend some, all, or none of such budgeted amounts. The sum of such annual expenditures for the duration of this Master Agreement is the Contract Sum.

### **5.2 Written Approval for Reimbursement**

Contractor will not be entitled to payment or reimbursement for any tasks or Services performed, nor for any incidental or administrative expenses whatsoever incurred in or incidental to performance hereunder, except as specified herein. Assumption or takeover of any of Contractor’s duties, responsibilities, or obligations, or performance of same by any entity other than Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever, will occur only with the County’s express prior written approval.

### **5.3 No Payment for Services Provided Following Expiration/Termination of Master Agreement**

5.3.1 Contractor will have no claim against the County for payment of any money or reimbursement, of any kind whatsoever, for any Service provided by Contractor after the expiration or other termination of this Master Agreement. Should Contractor receive any such payment it will immediately notify the County and must immediately repay all such funds to the County. Payment by the County for Services rendered after expiration/termination of this Master Agreement will not constitute a waiver of the County’s right to recover such payment from Contractor.

5.3.2 Notwithstanding the above, Contractor will be entitled to payment for Services that are satisfactorily completed after the expiration or other termination of this Master Agreement, provided that any such Services are rendered pursuant to a Work Order that was validly executed during the Term of this Master Agreement. This provision will survive the expiration or other termination of this Master Agreement.

### **5.4 Invoices and Payments**

5.4.1 Contractor must invoice the County separately for each fully executed Work Order for providing the tasks, deliverables, Services, and other Work authorized pursuant to this Master Agreement.

5.4.2 Payment for all Work will be on a fixed price/not-to-exceed cost per deliverable basis, including labor, subject to the total maximum amount specified in each Work Order, plus shipping/freight charges, less any amounts assessed in accordance with Paragraph 8.25 (Liquidated Damages) of this Master Agreement.

5.4.3 At no time during the Term of this Master Agreement will Contractor's pricing for parts, components, and/or raw materials provided pursuant to Work Orders executed under this Master Agreement exceed Contractor's actual cost-plus five percent, as set forth in Exhibit I (Certification of Pricing) to this Master Agreement.

Upon request, Contractor must provide to County Project Manager copies of current year proprietary price books, or a bibliographic listing of price books used by Contractor to set pricing for parts, components, and/or raw materials. All price books and/or bibliographic listings must be provided at no cost to the County throughout the Term of this Master Agreement.

5.4.4 Contractor must satisfactorily perform all Work and must correct defective materials and/or workmanship, at Contractor expense, prior to payment by the Department for Work performed on a fully executed Work Order.

5.4.5 The County will not pay Contractor for any overtime premiums, travel expenses, meals, lodging, holidays, vacation, sick leave, per diem, or miscellaneous expenses, etc.

#### **5.4.6 Invoice Content**

The period of performance specified in Contractor's invoice(s) must coincide with the period of performance specified in the applicable Work Order.

Each invoice submitted by Contractor must specify the following:

- Invoice number and date,
- Contractor's name, address, and telephone number,
- Copy of the County Work Order and any change orders executed thereto,
- Period of performance of Work being invoiced,
- Name(s) of persons who performed the Work,
- Itemized list of all parts, components, and/or raw materials used to complete the Work together with manufacturer's part numbers,
- Itemized pricing for each part, component, and/or volume of raw materials used to complete the Work,

- Price for all labor applicable to the Work Order,
- Freight charges, and
- Total amount of the invoice.

#### **5.4.7 Submission of Invoices**

- a. Contractor must submit an original invoice, within ten Business Days after the County's acceptance of all completed Work, to County Project Manager at the address set forth in Exhibit A (County's Administration) to this Master Agreement.
- b. The County will submit payment to Contractor within 30 Days after receipt of a Department approved invoice.

#### **5.4.8 Approval of Invoices**

All invoices submitted by Contractor for payment must receive the written approval of County Project Director before payment of invoice(s) is permitted. In no event will the County be liable or responsible for any payment prior to such written approval. Contractor will not be entitled to any payment by the County under this Master Agreement except pursuant to a validly executed Work Order.

#### **5.4.9 Invoice Discrepancy Report**

County Project Manager will review all invoices for any discrepancies and issue an Invoice Discrepancy Report (IDR), refer to Exhibit E (Invoice Discrepancy Report) to this Master Agreement, to Contractor within five Business Days of receipt of invoice if payment amounts are disputed. Contractor must review the disputed charges and submit to County Project Manager a written explanation detailing the basis for the charges within five Business Days of receipt of the IDR from County Project Manager. If County Project Manager does not receive a written response from Contractor within five Business Days of the County's notice to Contractor of an IDR, then payment will be made by the County, less the disputed charges. None of the foregoing will preclude the County from seeking remedy from Contractor for invoice discrepancies discovered at any time during the Term of this Master Agreement.

#### **5.4.10 Preference Program Enterprises - Prompt Payment Program**

Certified Prompt Payment Enterprises (PPEs) will receive prompt payment for Services they provide to County departments. Prompt payment is defined as 15 Days after receipt of an approved, undisputed invoice which has been properly matched against documents such as a receiving, shipping, or services delivered report, or any other validation of receipt document consistent with

[Board Policy 3.035 \(Preference Program Payment Liaison and Prompt Payment Program\).](#)

**5.5 Default Method of Payment: Direct Deposit or Electronic Funds Transfer**

- 5.5.1 The County has determined that the most efficient and secure default form of payment for goods and/or Services provided under this Master Agreement with the County will be direct deposit or Electronic Funds Transfer (EFT), unless an alternative method of payment is deemed appropriate by the Auditor-Controller (A-C).
- 5.5.2 Contractor must submit a direct deposit authorization request via the website <https://directdeposit.lacounty.gov> with banking and vendor information, and any other information that the A-C determines is reasonably necessary to process the payment and comply with all accounting, record keeping, and tax reporting requirements.
- 5.5.3 Any provision of law, grant, or funding agreement requiring a specific form or method of payment other than direct deposit or EFT will supersede this requirement with respect to those payments.
- 5.5.4 At any time during the duration of this Master Agreement, Contractor may submit a written request for an exemption to this requirement. Such request must be based on specific legal, business or operational needs and explain why the payment method designated by the A-C is not feasible and an alternative is necessary. The A-C, in consultation with the contracting department(s), will decide whether to approve exemption requests.

Alternatively, the County may purchase the Required Insurance, and without further notice to Contractor, deduct the premium cost from sums due to Contractor or pursue Contractor reimbursement.

A description of the Work not performed and the amount to be withheld or deducted from payments to Contractor from the County, will be forwarded to Contractor by County Project Director, in a written notice describing the reasons for said action.

- a. Deduct from Contractor's payment those applicable portions of the invoice, and/or
- b. Deduct liquidated damages. The parties agree that it will be impracticable or extremely difficult to fix the extent of actual damages resulting from the failure of Contractor to correct a deficiency within the specified time frame. The parties hereby agree that under the current circumstances a reasonable estimate of such damages is \$200 per Day per infraction and that Contractor will be liable to the County for liquidated damages in said amount. Said amount will be deducted from the County's payment to Contractor; and/or
- c. Upon giving five Days notice to Contractor for failure to correct the deficiencies, the County may correct any and all deficiencies and the total costs incurred by the County for completion of the Work by an alternate source, whether it be County forces or separate private contractor, will be deducted and forfeited from the payment to Contractor from the County, as determined by the County.

8.25.3 The actions noted in Paragraph 8.25.2 above will not be construed as a penalty, but as adjustment of payment to Contractor to recover the County cost due to the failure of Contractor to complete or comply with the provisions of this Master Agreement.

8.25.4 This Paragraph will not, in any manner, restrict or limit the County's right to damages for any breach of this Master Agreement provided by law or Paragraph 8.25.2 above, and will not, in any manner, restrict or limit the County's right to terminate this Master Agreement as agreed to herein.

## **8.26 Most Favored Public Entity**

If Contractor's prices decline or should Contractor at any time during the Term of this Master Agreement provide the same goods or Services under similar quantity and delivery conditions to the State of California or any county, municipality, or district of the State at prices below those set forth in this Master Agreement, then such lower prices will be immediately extended to the County.

## **8.27 Nondiscrimination and Affirmative Action**

8.27.1 Contractor certifies and agrees that all persons employed by it, its affiliates, subsidiaries, or holding companies are and will be treated equally without regard to or because of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable federal and state anti-discrimination laws and regulations.

- 8.27.7 If the County finds that any provisions of this Paragraph 8.27 (Nondiscrimination and Affirmative Action) have been violated, such violation will constitute a material breach of this Master Agreement upon which the County may terminate or suspend this Master Agreement. While the County reserves the right to

determine independently that the anti-discrimination provisions of this Master Agreement have been violated, in addition, a determination by the California Fair Employment and Housing Commission or the Federal Equal Employment Opportunity Commission that Contractor has violated federal or state anti-discrimination laws or regulations will constitute a finding by the County that Contractor has violated the anti-discrimination provisions of this Master Agreement.

8.27.8 The parties agree that in the event Contractor violates any of the anti-discrimination provisions of this Master Agreement, the County will, at its sole option, be entitled to the sum of \$500 for each such violation pursuant to California Civil Code Section 1671 as liquidated damages in lieu of terminating or suspending this Master Agreement.

### **8.28 Non-Exclusivity**

Nothing herein is intended nor will be construed as creating any exclusive arrangement with Contractor. This Master Agreement will not restrict the Department from acquiring similar, equal or like goods and/or services from other entities or sources.

All such documents become a matter of public record and will be regarded as public records. Exceptions will be those elements in the [California Government Code Section 7921 et seq.](#) (Public Records Act) and which are marked "trade secret," "confidential," or "proprietary". The County will not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.

8.35.2 In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of an SOQ marked "trade secret," "confidential," or "proprietary," Contractor agrees to defend and indemnify the County from all costs and expenses, including reasonable attorney's fees, in action or liability arising under the Public Records Act.

## **8.36 Publicity**

8.36.1 Contractor must not disclose any details in connection with this Master Agreement to any person or entity except as may be otherwise provided hereunder or required by law. However, in recognizing Contractor's need to identify its services and related clients to sustain itself, the County will not inhibit Contractor from publishing its role under this Master Agreement within the following conditions:

- Contractor must develop all publicity material in a professional manner; and
- During the Term of this Master Agreement, Contractor must not, and will not authorize another to, publish or disseminate any commercial advertisements, press releases, feature articles, or other materials using the name of the County without the prior written consent of County Project Director. 8.36.2 Contractor may, without the prior written consent of the County, indicate in its proposals and sales materials that it has been awarded this Master Agreement with the County, provided that the requirements of this Paragraph 8.36 (Publicity) will apply.

## **8.37 Record Retention and Inspection-Audit Settlement**

Contractor must maintain accurate and complete financial records of its activities and operations relating to this Master Agreement in accordance with generally accepted accounting principles. Contractor must also maintain accurate and complete employment and other records relating to its performance of this Master Agreement. Contractor agrees that the County, or its authorized representatives, will have access to and the right to examine, audit, excerpt, copy, or transcribe any pertinent transaction, activity, or record relating to this Master Agreement. All such material, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, and proprietary data and information, will be kept and maintained by Contractor and will be made available to the County during the Term of this Master Agreement and for a period of five years thereafter unless the County's written permission is given to dispose of any such material prior to such time. All such material must be maintained by Contractor at a location in the County, provided that if any such material is located outside the County, then, at the County's option, Contractor must pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such material at such other location.

8.37.1 In the event that an audit of Contractor is conducted specifically regarding this Master Agreement by any federal or state auditor, or

by any auditor or accountant employed by Contractor or otherwise, then Contractor must file a copy of such audit report with the County's Auditor-Controller within 30 Days of Contractor's receipt thereof, unless otherwise provided by applicable federal or state law or under this Master Agreement. The County will make a reasonable effort to maintain the confidentiality of such audit report(s).

8.37.2 Failure on the part of Contractor to comply with any of the provisions of this Paragraph 8.37 (Record Retention and Inspection-Audit Settlement) will constitute a material breach of this Master Agreement upon which the County may terminate or suspend this Master Agreement.

8.37.3 If, at any time during the Term of this Master Agreement or within five years after the expiration or termination of this Master Agreement, representatives of the County may conduct an audit of Contractor regarding the Work performed under this Master Agreement, and if such audit finds that the County's dollar liability for any such Work is less than payments made by the County to Contractor, then the difference will be either: (a) repaid by Contractor to the County by cash payment upon demand or (b) at the sole option of the County's Auditor-Controller, deducted from any amounts due to Contractor from the County, whether under this Master Agreement or otherwise. If such audit finds that the County's dollar liability for such Work is more than the payments made by the County to Contractor, then the difference will be paid to Contractor by the County by cash payment, provided that in no event will the County's maximum obligation for this Master Agreement exceed the funds appropriated by the County for the purpose of this Master Agreement.

### **8.38 Recycled Bond Paper**

Consistent with the Board's policy to reduce the amount of solid waste deposited at the County landfills, Contractor agrees to use recycled-content paper to the maximum extent possible on this Master Agreement.

### **8.39 Subcontracting**

8.39.1 The requirements of this Master Agreement may not be subcontracted by Contractor **without the advance approval of the County**. Any attempt by Contractor to subcontract without the prior consent of the County may be deemed a material breach of this Master Agreement.

8.39.2 If Contractor desires to subcontract, Contractor must provide the following information promptly at the County's request:

- b. A draft copy of the proposed subcontract; and

- c. Other pertinent information and/or certifications requested by the County.
- 8.39.3 Contractor must indemnify and hold the County harmless with respect to the activities of each and every subcontractor in the same manner and to the same degree as if such subcontractor(s) were Contractor employees.
- 8.39.4 Contractor will remain fully responsible for all performances required of it under this Master Agreement, including those that Contractor has determined to subcontract, notwithstanding the County's approval of Contractor's proposed subcontract.
- 8.39.5 The County's consent to subcontract will not waive the County's right to prior and continuing approval of any and all personnel, including subcontractor employees, providing Services under this Master Agreement. Contractor must notify its subcontractors of this County right.
- 8.39.6 County Project Director is authorized to act for and on behalf of the County with respect to approval of any subcontract and subcontractor employees. After approval of the subcontract by the County, Contractor must forward a fully executed subcontract to the County for their files.
- 8.39.7 Contractor will be solely liable and responsible for all payments or other compensation to all subcontractors and their officers, employees, agents, and successors in interest arising through Services performed hereunder, notwithstanding the County's consent to subcontract.
- 8.39.8 Contractor must obtain certificates of insurance, which establish that the subcontractor maintains all the programs of insurance required by the County from each approved subcontractor. Contractor must ensure delivery of all such documents to County Contract Compliance Manager as listed in Exhibit A (County's Administration) to this Master Agreement, before any subcontractor employee may perform any Work hereunder.

**8.40 Termination for Breach of Warranty to Maintain Compliance with County's Child Support Compliance Program**

Failure of Contractor to maintain compliance with the requirements set forth in Paragraph 8.13 (Contractor's Warranty of Adherence to County's Child Support Compliance Program) above will constitute a default under this Master Agreement. Without limiting the rights and remedies available to the County under any other provision of this Master Agreement, failure of Contractor to cure such default within 90 Days of written notice will be grounds upon which the County may terminate this Master Agreement pursuant to Paragraph 8.42 (Termination for Default) below and pursue debarment of Contractor, pursuant to [County Code Chapter 2.202](#).

## **8.41 Termination for Convenience**

- 8.41.1 The County may terminate this Master Agreement, and any Work Order issued hereunder, in whole or in part, from time to time or permanently, when such action is deemed by the County, in its sole discretion, to be in its best interest. Termination of Work hereunder will be effected by notice of termination to Contractor specifying the extent to which performance of Work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective will be no less than ten Days after the notice is sent.
- 8.41.2 Upon receipt of a notice of termination and except as otherwise directed by the County, Contractor must immediately:
- Stop Work under the Work Order or under this Master Agreement, as identified in such notice;
  - Transfer title and deliver to the County all completed Work and Work in process; and
  - Complete performance of such part of the Work as would not have been terminated by such notice.
- 8.41.3 All material including books, records, documents, or other evidence bearing on the costs and expenses of Contractor under this Master Agreement or Work Order must be maintained by Contractor in accordance with Paragraph 8.37 (Record Retention and Inspection/Audit Settlement) above.

## **8.42 Termination for Default**

  - Contractor fails to timely provide and/or satisfactorily perform any task, deliverable, Service, or other Work required either under this Master Agreement or any Work Order issued hereunder; or
  - Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements of any Work Order issued under this Master Agreement, or of any obligations of this Master Agreement and in either case, fails to demonstrate convincing progress toward a cure within five Business Days (or such longer period as the County may authorize in writing) after receipt of written notice from the County specifying such failure.
- 8.42.2 In the event that the County terminates this Master Agreement in whole or in part as provided in Paragraph 8.42.1 above, the County

may procure, upon such terms and in such manner as the County may deem appropriate, goods and services similar to those so terminated. Contractor will be liable to the County for any and all excess costs incurred by the County, as determined by the County, for such similar goods and services. Contractor will continue the performance of this Master Agreement to the extent not terminated under the provisions of this Paragraph.

- 8.42.3 Except with respect to defaults of any subcontractor, Contractor will not be liable for any such excess costs of the type identified in Paragraph 8.42.2 above if its failure to perform this Master Agreement, including any Work Order issued hereunder, arises out of causes beyond the control and without the fault or negligence of Contractor. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of federal or state governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of Contractor. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both Contractor and subcontractor, and without the fault or negligence of either of them, Contractor will not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet the required performance schedule. As used in this Paragraph 8.42.3, the terms "subcontractor" and "subcontractors" mean subcontractor(s) at any tier.
- 8.42.4 If, after the County has given notice of termination under the provisions of this Paragraph 8.42 (Termination for Default), it is determined by the County that Contractor was not in default under the provisions of this Paragraph 8.42 (Termination for Default), or that the default was excusable under the provisions of Paragraph 8.42.3 above, the rights and obligations of the parties will be the same as if the notice of termination had been issued pursuant to Paragraph 8.41 (Termination for Convenience) above.
- 8.42.5 The rights and remedies of the County provided in this Paragraph 8.42 (Termination for Default) will not be exclusive and are in addition to any other rights and remedies provided by law or under this Master Agreement.

### **8.43 Termination for Improper Consideration**

- 8.43.1 The County may, by written notice to Contractor, immediately terminate the right of Contractor to proceed under this Master

In the event of such termination, the County will be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.

- 8.43.2 Contractor must immediately report any attempt by a County officer or employee to solicit such improper consideration. The report must be made either to the County manager charged with the supervision of the employee or to the Los Angeles County Fraud Hotline at (800) 544-6861 or <https://fraud.lacounty.gov/>.

Contractor, and each County Lobbyist or County Lobbying firm as defined in [County Code Section 2.160.010](#) retained by Contractor, must fully comply with County's Lobbyist Ordinance, [County Code Section 2.160.010](#). Failure on the part of Contractor or any County Lobbyist or County Lobbying firm retained by Contractor to fully comply with the County's Lobbyist Ordinance

will constitute a material breach of this Master Agreement, upon which the County may in its sole discretion, immediately terminate or suspend this Master Agreement.

#### **8.46 Termination for Non-Appropriation of Funds**

Notwithstanding any other provision of this Master Agreement, the County will not be obligated for Contractor's performance hereunder or by any provision of this Master Agreement during any of the County's future fiscal years unless and until the Board appropriates funds for this Master Agreement in the County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Master Agreement, then this Master Agreement will terminate as of June 30 of the last fiscal year for which funds were appropriated. The County will notify Contractor in writing of any such non-allocation of funds at the earliest possible date.

#### **8.47 Validity**

If any provision of this Master Agreement or the application thereof to any person or circumstance is held invalid, the remainder of this Master Agreement and the application of such provision to other persons or circumstances will not be affected thereby.

#### **8.48 Waiver**

No waiver by the County of any breach of any provision of this Master Agreement will constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Master Agreement will not be construed as a waiver thereof. The rights and remedies set forth in this Paragraph 8.48 will not be exclusive and are in addition to any other rights and remedies provided by law or under this Master Agreement.

#### **8.49 Warranty Against Contingent Fees**

8.49.1 Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Master Agreement upon any agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by Contractor for the purpose of securing business.
