School Resource Deputy Program

The primary mission of the School Resource Deputy (SRD) Program is to maintain and uphold a safe and secure learning environment while fostering positive relationships within the school community. The School Resource Deputies are not school disciplinarians. School Resource Deputies must recognize they will not become involved in discipline as it is a school matter and will be handled by school administrators. To achieve the mission effectively, the School Resource Deputy program should embrace multiple roles: mentor/educator, counselor, and peace officer.

1. School Resource Deputies serve as mentors and educators by actively engaging with students in various capacities. School Resource Deputies can lead the school administration by providing educational sessions on topics such as safety, bullying prevention, drug education awareness, and other current issues.
2. School Resource Deputies play a crucial role in supporting the well-being of students. They can serve as a resource for students experiencing difficulties, referral to appropriate support services, and intervention when necessary. School Resource Deputies can also collaborate with school officials to effectively develop and implement strategies for addressing student needs.
3. School Resource Deputies are responsible for maintaining safety and security within the school environment. School Resource Deputies play a crucial role in emergency preparedness and response, ensuring that students and staff are prepared for various crisis situations.

By supporting these roles, School Resource Deputies can achieve the overall goal of maintaining a safe and secure learning environment while also fostering positive relationships within the school community. Building trust and rapport with students, staff, and parents is essential for effective communication and collaboration, which are key components of successful school safety initiatives.

School Resource Deputies and Assigned Contracted Schools

School Resource Deputy Program Services and Meetings

The involvement of School Resource Deputies (SRDs) in various events and meetings is vital for maintaining a safe and informed school community. Attending a variety of events and meetings allows School Resource Deputies to stay connected with the school community, address safety concerns, and work collaboratively with school officials to promote a safe and supportive learning environment for all students and staff. Below please find basic school demographics and event information.

School Resource Deputy Program Statistics

July 2023 – June 2024

The School Resource Deputy program utilizes two statistical codes to differentiate a program response vs a station response. 801 is used for criminal contact by a School Resource Deputy; 802 is used by the School Resource Deputies for non-criminal contacts. A breakdown of call clearance code by month and station is shown below.

**Please note this is not a count of the number of contacts, but of the number of incidents.

In Quarter 1 2023, criminal contacts by a School Resource Deputy accounted for 5.68% of all calls entered by the deputies.

Station	July 2023		Aug 2023		Sept 2023		Quarter 1, 2023	
	801	802	801	802	801	802	Total Calls	% 801 contact

School Resource Deputy Collaboration with Parents and Students

School Resource Deputies (SRDs) contribute significantly to the safety and well-being of school communities, they also face various challenges in fulfilling their roles effectively. By addressing these challenges through ongoing training, collaboration, and community engagement, School Resource Deputies can continue to make positive contributions to schools and support the success of all students. Below are comments and success stories from several School Resource Deputies.

North Patrol Division

School Resource Deputy comments:

School Resource Deputies assigned to Palmdale Sheriff Station that work at Tamarisk Elementary School, attended a walking field trip with 100 1st grade students and parents to Sage Planetarium. The School Resource Deputies provided safety for students while walking. The field trip led to building student/parent relationships with law enforcement. The School Resource Deputies received strong positive feedback from parents.

School Resource Deputies assigned to Palmdale Sheriff Station attended the “Teen Talk” event at the Palmdale School District office, in collaboration with the City of Lancaster. The event was an open dialogue event in which students were given the opportunity to ask deputies questions or address any concerns relating to law enforcement.

School Resource Deputies assigned to Lancaster Sheriff Station that work on the campuses of Antelope Valley Union High School District had a Job Fair at “Plant 42.” School Resource Deputies collaborated with Community Relations teams to get students familiarized with a career in law enforcement.

School Resource Deputies assigned to Lancaster Sheriff Station referred approximately 12 juveniles to the Los Angeles County Youth Diversion Program. The School Resource Deputies partnered with the Asian Youth Center located in Lancaster and the Soledad Enrichment Action located in Palmdale which provide interactive courses that engage youth in meaningful changes and empowers them to make better choices.

School Resource Deputies assigned to Malibu / Lost Hills Sheriff Station had several positive interactions with students and parents while working at schools in the Santa Monica-Malibu Unified School. School Resource Deputies participated in Malibu High Schools week-long event “Safer on PCH” to promote safe driving in response to multiple fatal traffic collisions on Pacific Coast Highway. School Resource Deputies spent time on campus along with the California Highway Patrol and the Board of Supervisors office talking to students about the dangers of driving. School Resource Deputies presented a safe driving course to parents “Under Your Influence,” which informed parents how to teach their children to drive responsibly. A screening and panel discussion was held for the community of “21 Miles” a documentary of the multiple fatalities that have occurred in Malibu on Pacific Coast Highway. The school staff and the community were thankful for the School Resource Deputies’ presentations and their time spent on campus all week.

School Resource Deputies assigned to Malibu / Lost Hills Sheriff Station attend School Attendance Review Board meetings (SARB) for Las Virgenes Unified School District and discuss trancies with parents, students, and the district to develop an individual plan for chronically absent students to get to school daily. The parents and school staff reported that students’ attendance increased dramatically by approximately 90% by attending the SARB meetings.

South Patrol Division

School Resource Deputy comments:

This year the School Resource Deputies assigned to Pico Rivera Sheriff Station assisted with Jaguar Jamboree annual event that is held at Steam Academy of the Art's. The Deputies had a fun experience and felt welcomed in a fun and positive setting with the students. The Deputies built a rapport with the students in which the students felt safe and comfortable being around the Deputies. The students were happy to see the Deputies participate alongside them.

The School Resource Deputies participated in "Stop the Bleed" training hosted by the American College of Surgeons St. Francis Medical Center. There was a total of 12 participants in the training.

Central Patrol Division

School Resource Deputy comments:

School Resource Deputies assigned to South Los Angeles Sheriff Station, along with leaders from the Centinela Valley Unified School District (CVUSD), community stakeholders, school administrators, city council members, law enforcement executives (Hawthorne Police Chief, DB Operations Lieutenant from South Los Angeles Station), and state legislature representatives, came together in a safety summit. The discussion was a collective effort, focusing on drug use trends among high school students and strategies to mitigate the detrimental impact drug use has on youth.

The School Resource Deputies attended graduation events which created a unique opportunity for School Resource Deputies to interact with graduating students and their families. The School Resource Deputies had many parents and students approach them and thank them for their consistent support throughout the years at the Lawndale Elementary School District and Centinela Valley School District.

East Patrol Division

School Resource Deputy comments:

School Resources Deputies assigned to the Glendale Unified School District and La Canda Flintridge Unified School District held a presentation for the Parent Teacher Association. The parents asked School Resource Deputies to talk about drugs that have been seen at La Canada High School. The School Resource Deputies had local non-profit businesses bring examples of real drug edibles disguised as candy, chips, and cereal. These drugs have been bought/sold at local tobacco shops. School Resource Deputies talked about alcohol, marijuana, vapes, and pills. The School Resource Deputies showed parents the vapes that were confiscated from students that attend La Canada High School, therefore the parents knew what to look for. School Resource Deputies discussed with parents on ways to talk to their children about uncomfortable topics such as drugs and sex. The discussion included parenting language styles that lead to alcohol usage once students went to college. For the following weeks, the parents and staff that attended that parent teacher association meeting thanked School Resource Deputies and told them how grateful they were for the presentation because of what they learned.

School Resource Deputy Success Stories

Central Patrol Division

Centinela Valley Unified School District School Administrator comment:

Deputy Hilliard is not only a School Resource Deputy but also an invaluable mentor to the students at Lawndale Elementary School District (LESD). With a genuine commitment to their well-being and growth, Deputy Hilliard readily engages with the students and provides the necessary support and guidance they may require. Furthermore, Deputy Hilliard's positive impact extends beyond the students, as he serves as a valuable resource for parents and LESD staff. Always responsive and eager to lend a helping hand, Deputy Hilliard consistently demonstrates his dedication to the community. Deputy Hilliard understands the importance of building strong partnerships with students, parents, and school administrators. By fostering relationships based on trust, open communication, and mutual respect, he creates an environment that nurtures positive connections. Recognizing that collaboration between the school, parents, and the community is paramount to the safety and well-being of the students, Deputy Hilliard actively participates in various initiatives. Whether it be attending town hall meetings, or simply being available to address concerns, Deputy Hilliard consistently goes above and beyond expectations. Through his efforts, Deputy Hilliard plays a significant role in creating a welcoming and inclusive educational environment for all involved. His friendly demeanor and dedication to fostering positive relationships make him an invaluable asset to the school and to the community.

The Peace Officers Association of Los Angeles County (POALAC) is pleased to announce Deputy Troy Hilliard has been selected to receive the 2023 Centurion Award for Excellence in Community Policing - Individual.

North Patrol Division

School Resource Deputies assigned to the Santa Clarita Sheriff Station that work at William S. Hart Union School District received the following award:

Each month the district recognizes staff, students and community members who exemplify the Hart District core values. The Hart Courage award was awarded to Deputy David Martinez and Deputy Andres Rubacalva. Deputy David Martinez works diligently to support William S. Hart Union School District, he connects with students, and ensures their school safety. The Bowman school community truly appreciates the School Resource Deputies! For this, Deputy Martinez was awarded the One Hart award for courage and community.

East Patrol Division

School Resource Deputies speak to parents daily when the parents visit the campus at Crescenta Valley High School and Rosemont Middle School during student pick-up or drop-off hours. Multiple parents of students asked School Resource Deputies if they could bring the students to Crescenta Valley Sheriff Station to talk to them about guidance and safety tips. The parents specifically wanted a female School Resource Deputy to talk to the students. School Resource Deputies held a meeting with students after school on Friday, May 17th, 2024. The following Sheriff personnel attended: a female sergeant, a female deputy, a female emergency dispatcher, and a female jailer. The Sheriff personnel explained their positions in the department and discussed safety tips students can do to remain safe on school campus. The students toured the sheriff station, listened to 911 emergency calls in dispatch, took photographs with personnel, and received LASD souvenir gifts. The students wrote thank you cards to the School Resource Deputies. Parents continuously thank School Resource Deputies for their daily commitment and protection at the schools.

South Patrol Division

School Resource Deputies assigned to the Lakewood Sheriff Station assisted students who were having various issues involving truancy, suspension, drug use and fighting on campus. Those students attend the following schools: Paramount High School, Odyssey Stem Academy and Buena Vista High School. School Resource Deputies guided those students to enroll in youth programs to help improve their behavior and academics in school. School Resource Deputies spoke with the student's parents and advised them of the following youth programs: Los Angeles County Sheriffs Youth Activity League, Los Angeles County Vital Intervention and Directional Alternatives and Police Explorers. The parents thanked the School Resource Deputies for their guidance because some parents have never heard of the Sheriff Youth programs. School Resource Deputies enrolled approximately 20 qualified students into the Department of Youth Development Diversion program.
