School Resource Deputy Program Statistics

The SRD program utilizes two statistical codes to differentiate a program response vs a station response. 801 is used for criminal contact by a School Resource Deputy; 802 is used by the School Resource Deputies for non-criminal contacts.

In Quarter 4 2025, criminal contacts by a School Resource Deputy accounted for 5.43% of all calls entered by the deputies. A breakdown of call clearance code by month and station is shown below. **Please note this is not a count of the number of contacts, but of the number of incidents.
