

## **PARKING NOTICE: AB 413 – California Road Safety Law**

### **AB 413:**

- The new California law that **prohibits stopping / standing / parking adjacent to crosswalks**. This practice increases visibility of pedestrians or cyclists for drivers, reducing the risk of pedestrian-involved crashes, also known as “**daylighting**”.

### **Why did I receive this warning?**

- AB 413 became state law January 1, 2025- making it illegal to park within 20 feet (approximately 1 car length) of the vehicle approach side of any marked or unmarked crosswalk. This law applies regardless if the curb is marked or not.

### **Is this a citation?**

- No, this is a warning. LA County Sheriff’s Parking Enforcement will issue a warning for a few months. Starting November 1, 2025, any vehicles parked within 20 feet of any marked or unmarked crosswalk will be subject to a \$63 citation (subject to change).
