PED will work closely with the Homeless Operations Service Team (H.O.S.T.) to ensure the person(s) living inside the vehicle receive the proper assistance.

“CONTACT US” PORTAL

PED has created a public portal email notification system. Each station has its own email address as shown under the “16 Sheriff's Stations”. The citizen submits a request for service, informs PED of a vehicle in violation or a vehicle in need of a warning notification (Red Tag), or they may ask for citation assistance.

- PED receives over 200 emails per month
- PED assigns each email to our officers in the field to expedite your request as quickly as possible.
- PED handles each email within 24 hours.
