Dear Mrs. Shanks-Daire:

LANCASTER STATION RESPONSE TO CAC RECOMMENDATIONS

Thank you for submitting your **Annual Report for July 1, 2024, through June 30, 2025**. Your continued commitment to strengthening communication and trust between the Los Angeles County Sheriff's Department, Lancaster Sheriff Station and the community is evident throughout the report. As you noted, the CAC "*serves as a vital bridge... fostering trust and facilitating dialogue between local law enforcement and the community.*" Your work this year reflects that mission.

Your documentation of monthly meetings, quarterly community forums, and the **147 community engagement events** demonstrates an impressive level of involvement. Events ranging from "*Coffee with a Deputy*" to youth programs and cultural celebrations highlight the stations dedication to ensuring community voices are heard.

I appreciate your honest assessment of challenges, including the difficulty caused when "*event information was often received a day or two before...*" We recognize these concerns and will work with you to improve communication timelines and continue public outreach.

Your recommendations—particularly expanding independent CAC-led events and producing shared Q&A or PSA content—align with our shared goal of increasing transparency and accessibility. Your suggestion to provide "*timely and relevant information to the community on important topics*" is well-taken. We look forward to further collaboration on these initiatives.
