A crime scene in a dark, industrial setting. A yellow crime scene tape is stretched across the top. In the foreground, there is a yellow evidence marker with the number '2' on a dark, stained floor. To the right, a white body bag is partially visible. In the background, there are concrete pillars and a brick wall. An orange traffic cone and a red and black marker are also visible on the left side.

HOMICIDE

MISSION

The mission of the Homicide Bureau is to provide investigative services related primarily to murders or sudden, unexpected, and suspicious deaths; to investigate deputy- or officer-involved shootings resulting in fatalities or injuries; and to investigate missing persons cases.

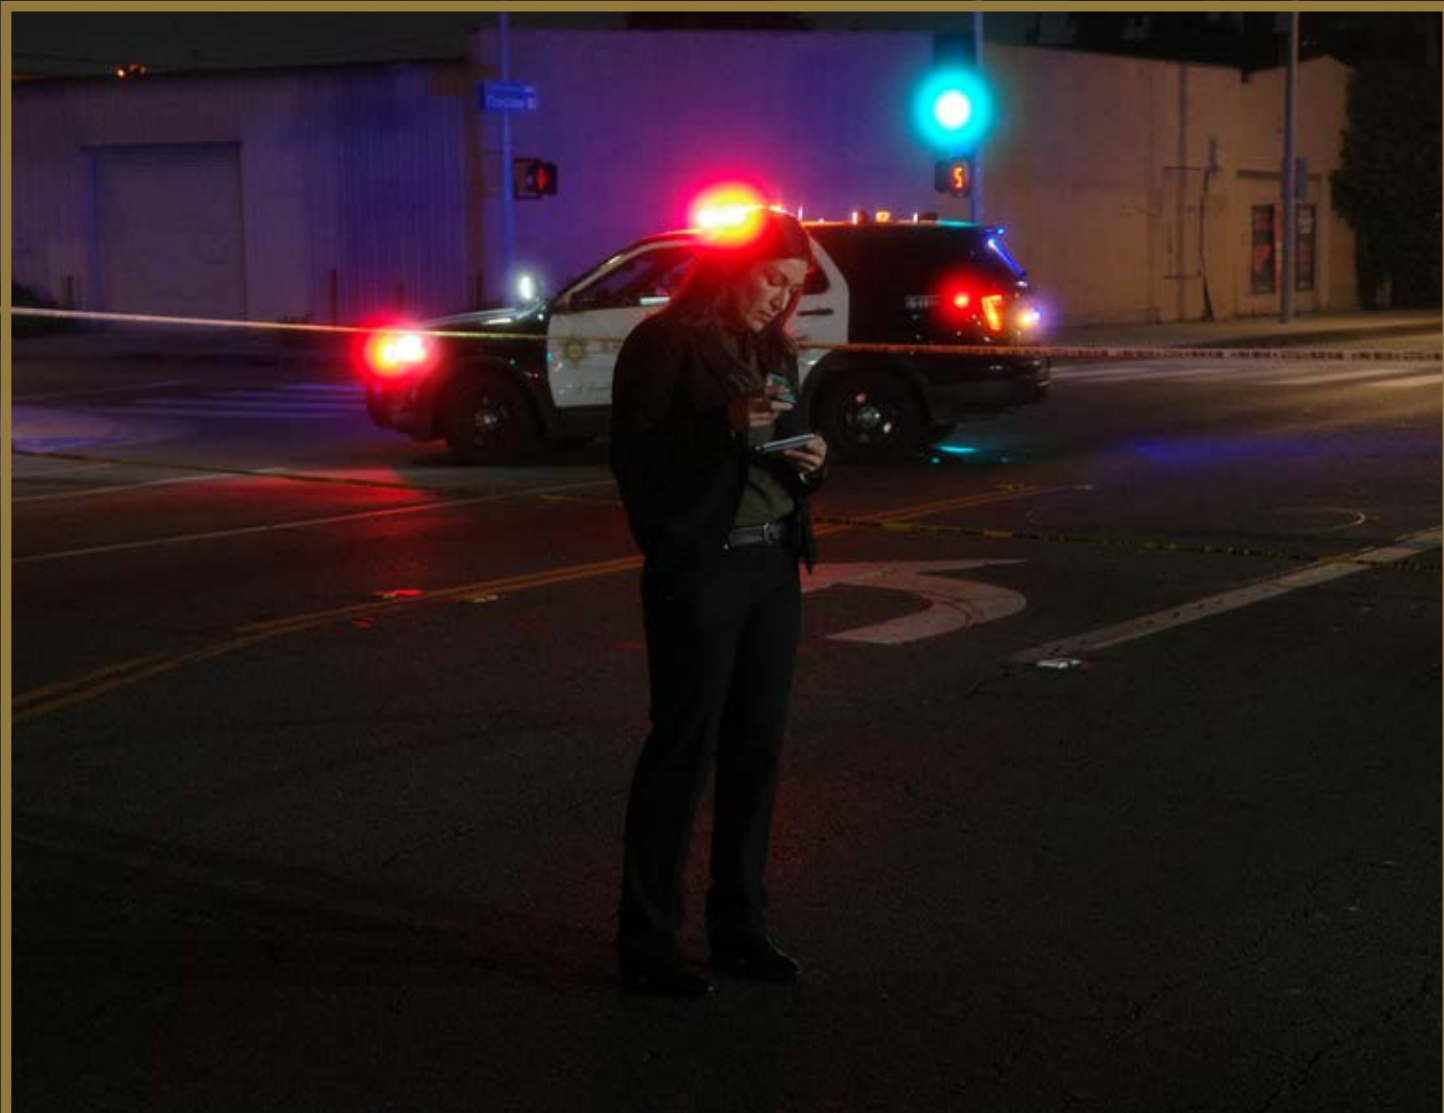

CASES INVESTIGATED BY HOMICIDE BUREAU

- Accidental deaths
- Found human remains
- Homicides
- In custody deaths
- Inmate deaths
- Natural deaths (Coroner cases)
- Suicides
- Suspicious deaths
- Missing and unidentified persons (adults)
- Missing juveniles under suspicion or gone for over 30 days
- Shootings involving Department personnel that result in injury or death

Missing Persons handles cases involving missing adults, including those with Alzheimer's disease, severe mental/physical handicaps, advanced senility requiring medication/care, infectious diseases, suicidal tendencies, or suspected foul play. They also monitor missing juvenile cases over 30 days old.

MISSING PERSONS

MISSING PERSONS

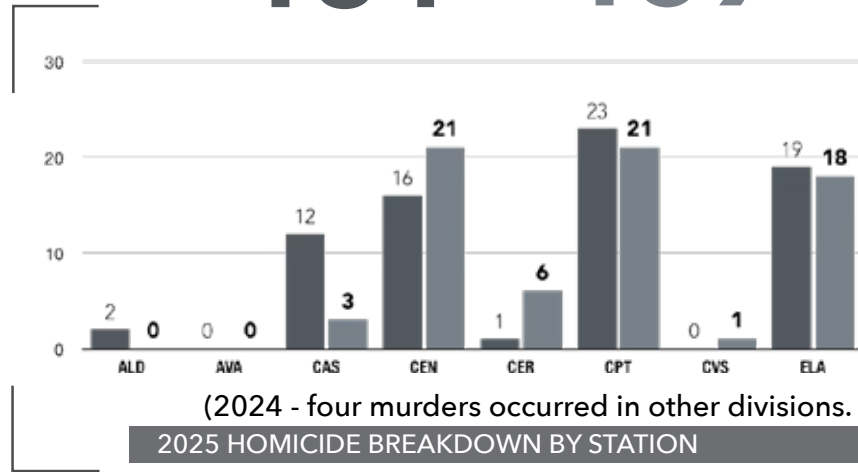

RESPONSIBILITIES AND DUTIES

- Investigating missing persons who are 18 years and older
- Assisting Homicide Bureau in the identification of John and Jane Does
- Assisting stations in identifying found “Doe” children
- Assisting other agencies with missing/found persons
- Verifying the accuracy of computer entries on missing children

HOMICIDE '25 Report

2024 HOMICIDES **184** vs 2025 HOMICIDES **159**

The Los Angeles County Sheriff's Department holds the distinction of being the largest sheriff's department and the fourth largest policing agency in the United States.

MURDER INVESTIGATION

MOTIVE BREAKDOWN

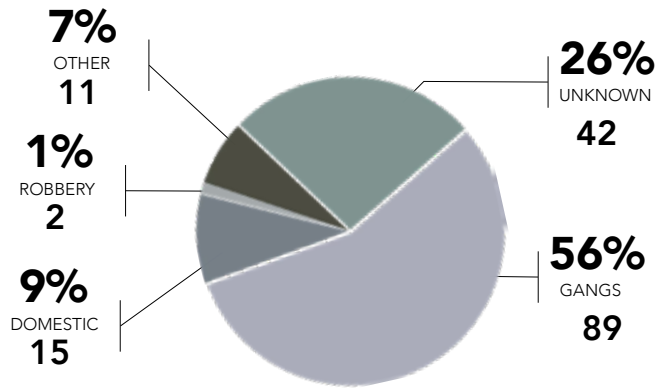

A murder investigation motive breakdown is a process of understanding why someone might have committed murder. Investigators analyze different factors such as relationships, gang conflicts, and financial situations to figure out the possible reasons behind the crime. This helps them focus their investigation and gather evidence to apprehend the person responsible.

WEAPONS USED BREAKDOWN

A “breakdown by weapons” refers to the analysis or categorization of data based on the types of weapons used in a particular context, such as crime statistics reports. It involves separating incidents or actions into different categories depending on the specific weapons involved.

Our Mission

The Mission of the
Los Angeles County Sheriff's Department
is to partner with the community.
To proactively prevent crime,
enforce the law fairly, and
enhance the public's trust through
transparency and accountability.

Core Values

Lead with Compassion,
Serve with Humility,
and courageously
seek justice for ALL

Creed

My goals are simple,
I will always be painfully HONEST,
work as hard as I can,
LEARN as much as I can and
Hopefully MAKE A DIFFERENCE in people's lives.

– Deputy David W. March EOW April 29, 2002
